|----|--|

On May 4, 2022, the defendant submitted a urine specimen that tested positive for marijuana, oxycodone, and oxymorphone. On the same date, the defendant admitted to using marijuana on April 28, 2022, and consuming a Percocet tablet on May 3, 2022.

On May 12, 2022, the defendant submitted a urine specimen that tested positive for marijuana.

U.S. Probation Officer Action:

On May 4, 2022, the defendant reported to the United States Probation Office for an office contact. This officer reviewed the conditions of pretrial release with the defendant. Mr. Breckenridge was administered a urine specimen test which yielded positive results for marijuana, oxycodone, and oxymorphone. The defendant admitted to smoking marijuana on April 28, 2022, and consuming Percocet on May 3, 2022. This officer verbally disapproved of the defendant's illicit substance use and the defendant was enrolled on the random urinalysis testing hotline through the Court's contracted treatment provider at the frequency of once per month.
