ABOUT US

Prestamos CDFI, LLC ("Prestamos"), is a Community Development Financial Institution("CDFI") and a Community Development Entity("CDE") that provides high-quality financial products and services for small businesses and impactful economic development projects. Prestamos through its parent corporation, Chicanos Por La Causa, Inc., has administered a variety of lending programs since 1980. In light of the success of its loan programs and the continued need and demand for these services, CPLC created Prestamos CDFI, LLC in 2000. Prestamos successfully promotes economic and community development in order to create jobs, revitalize communities and facilitate community wealth building.

Mission

Specialize in providing credit to small businesses in underserved markets and communities that may not qualify for traditional bank loans. Our focus is on supporting Latinos, women, and other minority-owned businesses in low to moderate-income neighborhoods.

WHAT IS A COMMUNITY DEVELOPMENT FINANCIAL INSTITUTION

CDFI Certification and CRA: Community Development Financial Institutions (CDFIs) are private-sector, financial intermediaries with community development as their primary mission. CDFIs supply the tools enabling economically disadvantaged individuals and underserved communities to become self-sufficient stakeholders

This institution is an equal opportunity provider.

In accordance with federal law and U.S. Department of the Treasury policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write to Department of the Treasury, Office of Civil Rights and Diversity, 1500 Pennsylvania Ave. NW, Washington, D.C. 20220 or call (202) 622-1160.

promoting development efforts that enable individuals and communities to effectively use credit and capital.

Community Reinvestment Act (CRA) regulations explicitly recognize loans and investments in CDFIs as a qualified CRA activity.

Vision

We drive economic development by access to capital and technical assistance.
