JOHN M. GALLAGHER

United States District Court Judge

¹ The purpose of the May 23, 2024 discovery hearing is to better understand and resolve delays in this three year old case. Defendants have represented that third-party discovery is one source of these delays, so the Court will readily excuse any third-party custodian that has complied with its subpoena.

² In their May 10, 2024 letter, Defendants assured the Court that it would provide this update last week. The Court notes the unfortunate irony of Defendants' delay in providing this update as the Court endeavors to resolve delays in this case.
