ORDER MODIFYING CONDITIONS OF RELEASE

On March 16, 2024, defendant Daisha Sanders filed a Motion to Modify Conditions of Pre-Trial Release (Doc. #88). Defendant Daisha Sanders requests that her conditions of release be amended to permit her to travel from her home in Texas to the Western District of Missouri, not only for court appearances and attorney meetings, but whenever she obtains the prior approval of the Pretrial Services Office. The Court has been advised that the defendant's Pretrial Services officer and government counsel have no objection to the defendant's request. Based on the information presented in the motion, the undersigned finds it appropriate to amend the defendant's conditions of release.

Given the foregoing, it is

ORDERED that defendant Daisha Sanders's Motion to Modify Conditions of Pre-Trial Release (Doc. #88) is granted. Paragraph 7(f) of the Order Setting Conditions of Release (Doc. #26) is amended to now state:

(7) The defendant must:

(f) abide by the following restrictions on personal association, residence, or travel: Eastern & Northern District of Texas and directly to and from

the Western District of Missouri for court or consultation with your counsel or as otherwise pre-approved by Pretrial Services.

It is further

ORDERED that all other conditions of the Order Setting Conditions of Release (Doc. #26) remain in effect.
