DEFENDANT'S SECOND UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE OBJECTIONS TO THE PRELIMINARY SENTENCE REPORT

Defendant, Daisha Sanders, by and through counsel, moves the Court for an Order of extension of time in which to file objections to the preliminary Presentence Investigation Report. In support, Defendant states:

1. On January 17, 2025 the United States Probation Office prepared and distributed Defendant's preliminary presentence investigation report.

2. On January 31, 2025, Defendant's written objections were due.

3. Since the filing of Defendant's motion for an extension, the Government has responded with its objection and additional information.

4. Counsel is currently attending a CLE out of state and has not had an opportunity to review the information with her client. Further research is necessary concerning the Government's position which impacts Defendant's guideline range.

5. Defense counsel has discussed this request with Assistant United States Attorney Paul Becker. Counsel has not received a response.

6. The United States Probation Officer, Jeremy Thomas, indicates that he has no objection.

7. Local Rule 99.8.L provides for a modification of the time limits set forth in the rule upon a showing of good cause.

8. Defendant respectfully suggests that good cause exists for such an extension of time.

WHEREFORE, Defendant requests an Order of the Court extending the time for any defense objections to the preliminary presentence investigation report to February 28, 2024.

Respectfully submitted,
