DEFENDANT'S UNOPPOSED MOTION TO CONTINUE SENTENCING HEARING

Defendant, Daisha Sanders, by and through counsel, moves the Court for an Order continuing her Sentencing Hearing, currently set on March 31, 2025 to a late April docket. In support, Defendant states:

1. On January 17, 2025 the United States Probation Office prepared and distributed Defendant's preliminary presentence investigation report.

2. On January 31, 2025, Defendant's written objections were due. After this Court granted an extension for four weeks, Defendant filed her objections on February 28, 2025.

3. On March 5, 2025, the Government produced additional discovery of approximately 200 pages. Counsel has been informed that the discovery contains information which concerns the loss amount.

4. Counsel has not yet had an opportunity to review the discovery nor review this information with her client. Defense counsel may also need to amend her objections.

5. Defense counsel has discussed this request with Assistant United States Attorney Paul Becker and he has no objection.

6. Local Rule 99.8(l) provides for a modification of the time limits set forth in the rule upon a showing of good cause.

7. Defendant submits that good cause exists to continue the Sentencing Hearing, grant sufficient time to review supplemental discovery and the previously filed objections.

WHEREFORE, Defendant requests an Order of the Court continuing the Sentencing Hearing set on March 31, 2025 to a late April docket.

Respectfully submitted,
