NARRATIVE

On 9/14/2020 I was in full uniform in a marked patrol vehicle working as 3W2. At 0037 hours I was dispatched to a reported DV assault at 4700 36 Av SW. The following information was provided. "RP POSS CRISIS. RP SAYS THAT HER BOYF ASLTED HER, PUNCHED IN FACE. RP HIDING IN OFFICE. NO WPNS."

Dispatch advised the caller was V/M B. and she was stating her boyfriend S/Eric Shibley had assaulted her. I have contacted both parties several times in the past and they have a history of DV issues. They both live at the address.

I arrived on scene and contacted M, she was heavily intoxicated and crying. She stated that tonight she and Eric got into an argument which frightened her, so she called 911. She did not allege any assaults tonight. The building was checked, and Eric was not located. M's vehicle was the only one in the nearby parking lot. She stated he was inside in a locked bedroom that. She did not have a key or code to open the door and there was no response after several knocks and announcements.

I observed healing bruises on M's face and right leg. She stated that Eric had assaulted her 2 days ago and the bruises resulted. She was unable to describe how the assault occurred or what lead to the argument tonight due to her intoxication.

M refused to be examined by SFD and refused to go to the hospital. She did not have any money to pay for a hotel and refused to meet with the Mobile Crisis Team at the SW Precinct. I strongly recommended M find different accommodations for the night, but she refused to leave the building or accept any services after several requests. I took photos of her injuries and later uploaded them to DEMS. M refused to provide an audio statement and declined a DV pamphlet.

Eventually Eric was reached on the phone and admitted to being in the building inside the locked bedroom. He claimed that M had assaulted him 2 days ago but refused to provide any detail or speak with Officers in person. He stated that tonight they got into an argument because M was drunk and he separated himself from her. He did not allege any assaults tonight then hung up the phone.

A record check showed Eric to be under federal probation supervision. I called the provided number and advised them of the circumstances of the call.

M was provided a business card with the incident number on it. A/Sgt Masterson screened this incident. ICV and BWV recorded.
