UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON, SEATTLE

UNITED STATES OF AMERICA,	)

v.	)	TOWARD RESTITUTION
	)	OBLIGATION [OR INDICATIVE RULING]

Defendant.	)	
_____	)	

The court has considered the Defense Motion for Clarification of Restitution Credit for Forfeited Funds or for an Indicative Ruling, and any government response thereto.

—— Good cause has been shown. The Court directs that specific monies forfeited by the defendant to the government in its Order of January 21, 2022, be properly credited toward the restitution later ordered to aggrieved lenders identified in the Amended Judgment. After proper credit the Defendant's remaining outstanding restitution obligation is \$254,199, reflecting the remainder of the proceeds he personally retained from the offenses as determined in that Order. See dkt #144.

[OR]

_____ Mindful that the judgment in this case is presently on appeal, the Court, pursuant to Rule 37(a), indicates that it would grant the relief indicated above if the case is remanded by the Court of Appeals for that purpose.

ORDERED this _____ day of June, 2022.

John Coughenour
U.S. District Judge
