To whom it may concern,

This letter is to confirm that **Eric Shibley (DOB: [redacted])** is currently receiving mental health services at Sound. Mr. Shibley is diagnosed with posttraumatic stress disorder, with treatment initiated following an intake assessment on 07/01/2024.

Mr. Shibley is positively engaged in mental health treatment and has complied with all clinical recommendations. He will continue to participate in regular sessions with his clinician and prescriber to support ongoing symptom management, strengthen healthy coping strategies, and implement effective techniques for managing stress and anxiety.

Please feel free to reach out to me in case you might have any questions.

Thank you,
