Dear Sir: Re: David Staveley 04230049

My son, David Staveley has been confined to D W Wyatt for 15 months in solitary confinement, without food, no showers, no fresh air and no medical or mental care, all because he is a PREA victim with PTSD caused by a guard, one Adam Ruane who beat, RAPED him and molested him for almost one year at a BOP facility in Allenwood, PA. This is why he cannot leave his cell. The BOP can confirm this diagnosis as well as Dr. Eric Drogin of Hingham, MA and Richard Caplon, Therapist of Chelmsford, MA.

His fear of going to prison was overwhelming, but David Butzinger, after he was charged, came to our house 3/4 times after dark and with a friend's car so he could not be tracked and kept pressing David to run. He even met him with tools to remove the bracelet, money and a car and he was in contact with him so your men could have found him at any time.

Trauma that causes PTSD is never forgotten, just ask our servicemen and veterans. They may leave the war but the trauma never leaves their minds and neither does the trauma of prison.

I am 80 years old and I am his mother. He is my caregiver, but what is happening to him with no help, he will be lucky to be alive.

Surely you and his Atty,Jason Knight can come to a solution that will save us both. He has nothing to tell him what is going on, no information, papers. Please help.

Sincerely,
Judith Sanborn

Re: David Staveley 04230049, D W Wyatt Det. Fac.

Dear Sir:

This is my second letter to you detailing David's history of torture and trauma. He has been in Wyatt for 15 months, 25 plus days with no food, no exercise, no fresh air and I have to send him money to buy toothpaste, soap and a normal grown ups toothbrush. Money for the phone call that lets me know he is still alive, but money I can ill afford to send as I am elderly and do not have extra income.

Enclosed is proof that David signed a plea agreement without ever seeing the evidence which came too late for him to object. His attorney gave it to Wyatt although I am not sure if that was in person or by fax or mail and Wyatt neglected to inform David that it was there, claiming it was not their job. The Atty's letter was after the fact and then he had to make an appointment with the Evidence and Grievance Coordinator and they have specific days for different pods to make appointments to view this evidence. The evidence arrived at Wyatt on April 2, 2021. Atty. Knight's letter dated May 27, 2021 informing him of the evidence was given to David on May 30,2021.

The court date was extended 2 ½ months for PSR to be ready and now there are 41 days left to present this to David and acknowledge his objections and also, time for Atty. Knight and you, Mr. Vilker, to negotiate. Otherwise, we will have to start all over again and I would doubt anyone wants that, but there is so little time and not much choice.

David needs help with therapy, for which I have already requested from McLean Resource Center and I need his help as my caregiver. It's the only way we will survive.

Sincerely,

Judith Sanborn
