UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA, *Plaintiff,* v. VISA INC., *Defendant.*	Case No. 1:24-cv-07214-JGK-SLC

JOINT STATUS REPORT

Pursuant to the Court's order (ECF No. 121), the parties provide the following joint status report as to their negotiations regarding the data to be produced by Visa in discovery and appropriate deadlines for production. *Id.* ¶ 9. The parties previously provided joint status reports on the data negotiations on August 13, 2025 (ECF No. 105), September 9, 2025 (ECF No. 112), September 26, 2025 (ECF No. 114), and January 16, 2026 (ECF No. 120).

By way of background, the United States has served on Visa multiple requests for production that seek large quantities of electronic data. Among these requests are (a) one request (RFP 35) for debit network data underlying Visa's Global Business Intelligence ("GBI") tool, and (b) three requests (RFPs 38, 39, and 40) for Debit Processing Service ("DPS") data. The parties previously reported that they had concluded their discussions and come to agreement as to the scope and timing of Visa's DPS-related data productions (ECF No. 105) and debit GBI-related data productions (ECF No. 121).

As previously noted, the parties are aligned on the general scope of credit GBI-related data to be produced in response to the government's request (ECF No. 121). Since the last status

report, the parties have also aligned on timing of the production. In addition, Visa has been working with a significant third-party in the industry concerning issues related to the production of credit GBI-related data in which said third-party has asserted an interest. The parties expect resolution on those issues will be reached. If no resolution is reached, one or both of the parties may seek the Court's assistance at a later date.

The parties will continue to negotiate and intend to update the Court by March 13, 2026.

DATED: February 11, 2026
