Re: *United States v. Visa Inc.*, No. 1:24-cv-7214 (JGK)

Dear Judge Koeltl:

The parties in the above-captioned case write jointly to request the Court's approval of additional provisions for the Joint Deposition Protocol and Coordination Order ("Coordination Order") entered by the Court at the parties' request on March 9, 2026 (ECF No. 133 in *United States v. Visa Inc.*; ECF No. 202 in *In re: Visa Debit Card Antitrust Litig.*). The amendments to the Coordination Order, which are confined to a new Section VII, are intended to facilitate the prompt scheduling of non-party depositions by expediting resolution of any disputes concerning the proper scope of document discovery from those non-parties that may affect the timing of those depositions.

The parties additionally request the Court's approval of certain amendments to the Joint Amended Scheduling and Case Management Order, entered by the Court at the parties' request on January 22, 2026 (ECF No. 123 in *United States v. Visa Inc.*). Those amendments adjust the parties' obligations respecting the updated preliminary and final fact witness lists.

The requested amendments are reflected in proposed orders submitted with this letter. The amendments will not affect the overall schedule in either case; on the contrary, they are intended to aid the parties in meeting the case deadlines currently in effect.

Respectfully Submitted,

By: /s/ Michele Trichler
