Re: USA v. Curne

Case Number: 4:23-cr-00205-171568

REQUEST FOR APPLICATION OF PAYMENT AND CLARIFICATION OF REPAYMENT TERMS

To the Honorable Judge or Clerk of the Court,

I am writing to respectfully request a clarification and adjustment regarding the financial obligations ordered in the above-referenced case.

Enclosed with this letter, please find a payment in the amount of $50 I am requesting that the court formally apply this specific payment entirely toward my **$100 court fine**.

Additionally, I would like to address the remaining restitution/judgment balance of **$318,000**. According to my understanding of the court order, I am not required to begin paying back this balance until I am formally released from jail. Currently, however, I am being billed or required to make monthly installments of **$25 per month**.

Because I am currently incarcerated and have virtually no income, I respectfully ask the court to stop enforcing the $25 monthly payment requirement at this time. I want to assure the court that I intend to fully comply with my obligations and will begin paying back the $318,000 balance as soon as I am released from jail, exactly as the order stipulates.

Thank you very much for your time, consideration, and assistance in resolving this matter.

Sincerely,

Lori Webster
