109	Apr 17, 2026	The Court received an email from counsel to certain defendants indicating that certain of the documents contained in a joint appendix that was filed on the public docket were confidential documents and should have been filed under seal. The email sought a hearing date on a motion to withdraw the Joint Appendix. In light of the risk that otherwise confidential documents be disclosed in the meantime, the Court has removed the documents in question and requested that counsel file those documents under seal. Counsel for the defendants are directed to file a motion providing that those documents shall remain under seal. That motion should be filed by no later than April 20, 2026 and may be noticed for a hearing on May 12, 2026 at 3:00 p.m. Objections to the motion will be due by 4:00 p.m. on May 5, 2026. If no objection is filed by the objection deadline, counsel may, consistent with this Court's local rules, submit an order to chambers under certification (related document(s) 97).
