Lawrence Lederer

Dear Larry:

The joy we have writing this letter on behalf of Maccabi USA never gets old. Inviting someone to join the Maccabi USA family to represent their country, to compete in Israel, while playing a sport they love is nearly as special as the opportunity they are about to experience.

It's with that in mind, we wanted to formally notify you of your appointment to the 2025 Maccabiah Games and to offer our Mazal Tov!

With this prestigious selection, you are joining thousands of Jewish athletes over the last 90+ years who have proudly worn the Maccabi USA logo at these quadrennial Games in Israel. Joining with a global community of Jewish athletes, especially now, is a unique and extra special experience that reminds us that we are all so importantly connected.

Once again, CONGRATULATIONS to you and to your family, your coaches and all who have supported you on your journey to date. Your hard work is being recognized. The cultural and athletic experience that happens once every four years is a memory that you will have and share for the rest of your life.

There is a lot for us to do to prepare for the games and we appreciate you visiting this Maccabi USA [**Key Information and Action Items document**](#) so you will be able to meet all of the requested deadlines. We are excited that you will be a part of the 2025 Maccabi USA delegation. We look forward to staying in touch.

Warm regards,

Two handwritten signatures in black ink. The first signature is on the left and the second is on the right.
