Re: Jittaphol, Aticha (21-CR-10270-MLW-1)

The purpose of this Memorandum is to provide supplemental information to the Court and counsel regarding Ms. Jittaphol.

On April 20, 2021, the U.S. Probation Office received notification that the sweat patch worn by the Ms. Jittaphol from April 1, 2022 until April 8, 2022 returned positive with the presence of Methamphetamine (see attached PharmChem result).

This Memorandum is being submitted for informational purposes only.
