KEVIN P. WEIMER, Clerk
Kevin P. Weimer Deputy Clerk

This is in response to the show cause order. Unfortunately I'm at USP Atlanta Holdover and don't have access to my property to resend memorandum. I'm currently awaiting a transfer and I'm not sure exactly what date that will take plus nor when I will receive my property. I started the admin. remedy process on this matter because when I received the order to file the memorandum it was already past the deadline, my legal mail had been opened and not in my presence. When ordered ~~in~~ was mailed out I was in Oklahoma City Transfer Center, then moved here. When I was here back in 2021, a seperatee between myself and a current female staffer was issued because we known one another in the past. However a failure on BOP, sent me back here, and I'm in the holdover waiting to be sent ~~some~~ somewhere else which is no fault of my own. I asking for an extention; however I don't know how long because I'm not in control of when I will leave nor when my property will arrive.
