MIDDLE DISTRICT OF FLORIDA
TAMPA DIVISION**

UNITED STATES OF AMERICA

v.

CASE NO: 8:21-cr-370-CEH-TGW

BRIDGITTE KEIM

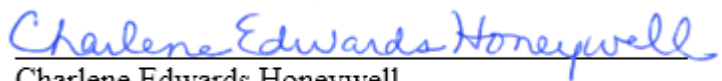

ORDER

This matter comes before the Court on Defendant's *pro se* letter motion to travel (Doc. 48), filed on March 4, 2026. In the motion, Defendant seeks permission to travel to Basel, Switzerland, between July 1, 2026, and August 31, 2026, to visit her son and his family and to assist her daughter-in-law with the children, as her son will be traveling back to the United States for work. Defendant also seeks permission to travel to Vancouver, Canada, between June 14, 2026, and June 25, 2026, to visit her other grandchildren. Counsel for the Government, after consulting with Defendant's probation officer, responded in opposition to Defendant's *pro se* motion to travel (Doc. 51) and indicated that Defendant's term of supervision is scheduled to terminate on July 20, 2026. Both the United States and Defendant's probation officer agree that Defendant's travel should not be approved until Defendant's financial investigation is completed, so that an appropriate restitution amount can be calculated. Defendant's financial investigation has concluded. *See* Docs. 52,53. Having considered the motion and the parties' positions thereon, the Court will grant the motion to travel as outlined below. Accordingly, it is now,
