UNITED STATES OF AMERICA'S NOTICE REGARDING EXPERT TESTIMONY

The United States of America hereby respectfully submits the following statement regarding discovery relating to expert testimony for the upcoming trial of this matter. Under Federal Rule of Criminal Procedure 16, expert discovery is governed by subsection 16(a)(1)(G), which provides that, "at the defendant's request, the government must disclose to the defendant" information required by the Rule regarding any anticipated expert witness. Once the government complies with the demand, the defense must provide reciprocal discovery of any expert testimony intended to be used by the Defendant. See Fed. R. Crim. P. 16(b)(1)(C).

The Defendants have not demanded expert discovery under Rule16(a)(1)(G), nor has the defense provided any discovery relating to any proposed expert witnesses that the Defendants may seek to call. We note nonetheless that information regarding the Government's likely expert witness, Dr. Arthur Simone, was and is available to the Defendants in the civil action against them, *United States v. Genesis II Church, et al., 20-21601-Civ-Williams* (SDFL). To the extent any

Defendant does request Rule 16 expert discovery from the Government, the Government in turn requests reciprocal discovery from the defense.

Respectfully submitted,

MARKENZY LAPOINTE
