UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MAINE

UNITED STATES OF AMERICA v. NATHAN REARDON	Case No. 1:21-cr-00061-LEW

OPPOSITION TO MOTION
TO MODIFY CONDITIONS OF SUPERVISED RELEASE

The Government, by and through undersigned counsel, opposes Defendant Nathan Reardon's *pro se* Motion to Modify Conditions of Supervised Release (the "Motion" or "Mot.," Dkt. #230, Mar. 11, 2025). By his Motion, Defendant seeks the removal of his supervised release conditions prohibiting self-employment and asks to be freed from the requirement that he participate in the Computer and Internet Monitoring Program. Mot. at 1.

The Government has conferred with the Supervising U.S. Probation Officer and confirmed that Defendant will remain on supervised release until approximately May 7, 2026. The Government opposes any modification to the conditions of Defendant's supervised release for the reasons previously articulated by the Court during Defendant's initial sentencing (Dkt. ##155-59, Nov. 2, 2022), revocation sentencing (Dkt. ##183-85, Oct. 13, 2023), and resentencing (Dkt. ##200-01, July 23, 2024). As the Court has previously determined, the conditions proscribing self-employment and requiring participation in the Computer and Internet Monitoring Program are closely tied to Defendant's underlying offense conduct and are well-supported by the applicable § 3553(a) factors. *See* 18 U.S.C. § 3583(c).

WHEREFORE, the Government respectfully requests that the Motion be denied for the reasons stated herein.

Dated: March 31, 2025
Bangor, Maine

Respectfully submitted

CRAIG M. WOLFF
Acting United States Attorney

/s/ Andrew K. Lizotte
