District Judge Paul Byron

Magistrate Judge Daniel Irick

FILED

NOTICE OF APPEAL

COMES NOW plaintiff, *pro se*, and hereby appeals to the United States Court of Appeals for the 11th Circuit the Court's order and judgment issued April 29, 2022, (Doc. 274) granting the Federal Defendants' Cross-Motion for Summary Judgment (Doc. 263) and denying my Motion for Summary Judgment Against Defendants CDC & HHS on Counts 1-12 of the Amended Complaint (Doc. 230).

I further appeal all previous rulings in this action concerning these Federal Defendants: Centers for Disease Control & Prevention, Department of Health & Human Services, Transportation Security Administration, Department of Homeland Security, and Department of Transportation. These should be noted as the five appellees.

These three defendants were dismissed and I do NOT appeal any decisions concerning such dismissal: Joseph Biden, in his official capacity as president of the

United States of America; Greater Orlando Aviation Authority; and Central Florida Regional Transportation Authority. These should not be parties to the appeal.

Submitted this 2nd day of May 2022.
