CHARLOTTE DIVISION

UNITED STATES OF AMERICA, *ex rel.* INTEGRA MED ANALYTICS LLC,

Plaintiffs,

v.

THE CHARLOTTE MECKLENBURG HOSPITAL AUTHORITY, INC., *et al.*,

Defendants.

CIVIL FILE NO. 3:17-CV-553

UNDER SEAL

UNITED STATES' CONSENT TO VOLUNTARY DISMISSAL

On January 31, 2019, Relator Integra Med Analytics LLC ("Relator") filed a Notice of Voluntary Dismissal of False Claims Act Claim Without Prejudice and Unopposed Motion to Seal Portions of Original Complaint. (Docket No. 13). Relator stated that "the United States consents to dismissal, without prejudice." *Id.* On March 7, 2019, the Court ordered the United States to submit a written consent to dismissal and its reasons for consenting. (Docket No. 14). Pursuant to the False Claims Act, 31 U.S.C. § 3730(b)(1), the United States hereby notifies the Court that the Attorney General consents to the dismissal of this action without prejudice. After thorough review of the complaint and data and materials referenced therein, an interview with Relator and its representatives, and investigation of the allegations, the United States has determined that such a dismissal is commensurate with the public interest and that the matter does not warrant the continued expenditure of government resources to pursue or monitor the action based on currently available information.

The United States requests that Relator's Redacted Complaint, Relator's Notice of Voluntary Dismissal of False Claims Act Claim Without Prejudice and Unopposed Motion to

Seal Portions of Original Complaint, this Consent, the Court's Order dismissing this action, and all subsequent filings in this action be unsealed. The United States requests that all other papers on file in this action remain under seal because in discussing the content and extent of the United States' investigation, such papers are provided by law to the Court alone for the sole purpose of evaluating whether the seal and time for making an election to intervene should be extended.

Respectfully submitted this 4th day of April, 2019.
