- D. Prior to the commencement of Work, and thereafter upon policy expiration, Subcontractor shall provide certificates of insurance to PANTHERA evidencing the insurance required under this clause specifying additional insured status and waiver of subrogation where applicable.
- E. The approval of the insurance by PANTHERA shall not relieve or decrease the liability of the Subcontractor. It is understood that PANTHERA does not in any way represent that the insurance or the limits of insurance specified herein are sufficient or adequate to protect the Subcontractor's interest or liabilities.

2.18 CLAIMS RELATED TO PRIME CONTRACTS

If a decision is made by the contracting official of Client, and such decision pertains to the subject matter of this Subcontract and is binding on PANTHERA, then such decision also shall be binding upon Subcontractor with respect to such matter. If, as a result of any such decision, PANTHERA is unable to obtain payment or reimbursement from Client, then Subcontractor shall not seek payment or reimbursement from PANTHERA. PANTHERA's maximum liability for any matter connected with or related to this Subcontract which was properly the subject of a claim is the amount of PANTHERA's recovery from the Client for that claim.

2.19 NOTICE TO PANTHERA OF DELAYS

If Subcontractor encounters difficulty in meeting performance requirements, anticipates difficulty in complying with this Subcontract's delivery schedule or dates, or has knowledge that any actual or potential situation is delaying, or threatens to delay the timely performance of this Subcontract, Subcontractor shall immediately notify PANTHERA in writing, giving pertinent details. This notification shall be informational only, and compliance with this provision shall not be construed as a waiver by PANTHERA of any delivery schedule, date, or any rights or remedies.

2.20 FORCE MAJEURE

- A. Neither Party shall be responsible or liable for damages or loss for any failure to comply with, or for any delay in performance of, the terms of this Subcontract to the extent such failure or

delay has not been contractually assumed and arises from causes beyond the control and without the fault or negligence of the performing Party. Examples of these causes may include:

1. Acts of God, or of the public enemy;
2. Acts of the Government in its sovereign (and not contractual) capacity;
3. Fires;
4. Floods;
5. Epidemics;

9. Unusually severe weather;
10. Shortages of supplies or materials where such supplies or materials were unobtainable from an alternate source;
11. Acts of war or terrorism; or

In any such instance, however, the failure to perform must be beyond the control and without the fault or negligence of the Party or its agents, subcontractors or suppliers. In all such events where performance is delayed or prevented, the affected Party shall nonetheless exert reasonable and diligent efforts to remove said causes and resume performance hereunder.

B. If failure or delay of performance resulting from a condition of force majeure has or is expected to impact PANTHERA's performance or delivery under the Prime Contract, then PANTHERA may terminate the Subcontract for convenience pursuant to this clause. However, if:

1. The subcontracted supplies or services were obtainable from another source;
2. PANTHERA ordered Subcontractor to purchase these supplies or services from another source; and
3. Subcontractor failed to comply reasonably with this order, then PANTHERA may terminate the Subcontract for default.

PART IV – STATEMENT OF WORK (SOW)

Panthera has certain contracts existing and envisioned for the future. Panthera is entering into this Subcontract with the Subcontractor to provide Tactical Training Services in accordance with the terms of this Subcontract and subsequent Task Orders entered into between Panthera and the Subcontractor.

Work contemplated under this Subcontract is specifically for tactical training at the Facility. Panthera may have other clients and contracts that may require CONUS training at another CONUS location, or OCONUS training, goods, and services, which do not fall within the scope of this Subcontract.

For each Task Order issued under this Subcontract, Panthera will provide a Statement of Work (SOW) to Subcontractor, serving as the basis for the Work to be performed.

Subcontractor will provide qualified personnel for the Work to be performed, provide all or portions of the Facility on which the Work will be performed, and provide all required training assets and personal property, including but not limited to, vehicles, weapons and ammunition, in connection with performing the Work.

PART V – PRICE SCHEDULE

All prices and reimburseable costs will be specifically addressed in each Task Order issued under this Subcontract.

The intention of the subcontract is to govern the pricing of the Task Orders in two general categories of Task Order pricing:

1. Under certain existing and future contracts the training services will be provided in total by Subcontractor. For these Task Orders the price for each CLIN or Call Order delivered by the Subcontractor will be the total price specified in the contract for the CLIN or Call Order. This pricing structure will be indicated in the Task Order.

Panthera will issue a Purchase Order to the Subcontractor prior to each training CLIN or Call Order. Payments will be routed directly to the subcontractor when possible. In all other cases, the payment will be wired to the subcontractor by Panthera immediately upon receipt.

In order for Panthera to cover fees and expenses for these contracts, subcontractor will pay Panthera TWENTY THOUSAND DOLLARS AND ZERO CENTS (\$20,000.00) per month, on the first of each month. These payments will be deducted from future Additional Lease payments to Panthera made under the terms of the Facility Lease.

2. For Task Orders issued under other future contracts, Panthera may be required to conduct the CONUS training for certain classified or foreign customers at the Facility. For these Task Orders Panthera and the Subcontractor will negotiate in advance on the amount to be paid to Subcontractor on such Task Orders. Panthera will issue a Purchase Order to the Subcontractor prior to each training CLIN or Call Order.
