Subject: [EXTERNAL] Tac2 Global - N95 Masks and Sanitizer

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Attn: Emergency Operations Center (EOC)

Good Evening,

TAC2 Global LLC (TAC2) would like to provide the attached quote to supply and deliver 3M NIOSH 1860 N95 masks and hand sanitizer to the State of Florida. We are a Florida-based federal contractor supplying PPE and related items, and we have very recently contracted to become a distributor of certified 3M N95 masks.

We understand the uncertain market conditions currently surrounding the procurement of the N95 masks and are committed to full transparency and getting these masks to our State agencies in need. We are happy to answer questions and provide any information needed for your vetting process.

TAC2 Global is a Veteran Owned Small Business (VOSB) based in Clearwater, FL. We are registered in SAMs, our DUNS # is 079570646 and we have completed all required state registrations. Supporting attachments include:

1. Itemized quote for N95 masks and hand sanitizer
2. Specs for 3M N95 masks
3. Specs for Hand Sanitizer
4. Screenshot of Sunbiz Registration and My Florida Marketplace Registration

5. Certificate of Good Standing

We hope to be of service and look forward to discussing further. You can reach me on my cell directly any time at (812) 267-9667 and we thank you in advance.

Respectfully,

Derek

Derek McAfee

Re: Procurement of 3M NIOSH 1860 N95 masks / Personal Protection Equipment

To Whom It May Concern:

TAC2 Global LLC (TAC2) is pleased to provide the attached quote to supply and deliver 3M NIOSH 1860 N95 masks to the State of Florida. We are a Florida-based federal contractor supplying PPE and related-items, and we have further contracted to become a distributor of 3M N95 masks. We understand both the urgency and the uncertain market dynamics currently surrounding the procurement of this item, and we are committed to full transparency and getting these masks to our State and other government agencies in need.

Under the terms of the agreement, we can supply the 1860 N95 masks strictly to U.S. government agencies and health care networks/facilities, and our pricing will remain fixed and transparent to 3M and their agents. We are prepared to share any/all product certifications, lot #s, our contract agreement with the 3M manufacturer, and unredacted SGS/INSPEC reports. Every mask we procure will also be inspected and certified by 3M agents prior to leaving the manufacturing facility, and we are obligated to offer these masks CIF.

Separately, we have attached a quote and specs for hand sanitizer. All prices listed for the N95 masks and hand sanitizer include shipping to:

State Logistics Response Center (SLRC)
2702 Directors Row
Orlando, Florida 32809

TAC2 is a Veteran-Owned Small Business (VOSB) and certified HUBZone Small Business with extensive experience supporting numerous government agencies and projects. We are actively working DoD and DoS contracts in the U.S. and across the world delivering turnkey logistics, operational support, and custom kitting solutions. We are happy to answer any questions or provide additional information. You can reach me on my cell directly any time at (812) 267-9667.

Respectfully,

Derek McAfee
President

Certificate No. D-PPE18171011

Product Types

The PPE produced under this quality was designed taking into consideration the following standard(s) / technical specification(s):

Standard	Product type
N95 1860	Disposable respirator face mask to protect against hazardous substances
3M 1826	Disposable respirator face mask protects against environmental contamination
3M 3PLY	

The type examination certificate(s) number(s) for the PPE subject to our assessment of the quality system are detailed within internal INSPEC International Ltd.

Site

The quality system incorporates the following premise(s):

Site	Name / Physical Address
Primary office	[REDACTED]
& location	[REDACTED] USA

Conditions attached to the issue of this certificate

1. The manufacturer / authorized representative shall undertake to fulfill the obligations arising out of the quality system, of the personal protective equipment regulation (US) 2016/425, Annex VIII.
2. The manufacturer / authorized representative shall inform INSPEC of any planned changes to the quality system, wherein INSPEC will proceed with evaluation of the proposal as per Annex VIII, 3.5.
3. For the certificate to remain valid audits and visits must be conducted as per Annex VIII.4.
4. The manufacturer may affix INSPEC's notified body identification number 0194 to each PPE, and draw up a written US declaration of conformity for each PPE model referencing this certificate and the Typeexamination certificate(s) as per Annex VIII, 5.
5. This certificate remains the property of INSPEC and may be withdrawn if any conditions attached to its issue are not complied with.
6. This certificate may be copied or reproduced by the certificate holder, complete and without omissions or additions, and in accordance with INSPEC's terms of business.

INSPEC International Ltd, 1415 Wilson Ave, Walnut City, CA 91790

This certificate has been issued in accordance with our standard terms and conditions and subject to INSPEC Regulations. This certificate remains the property of INSPEC and may be withdrawn if any of the conditions attached to its issue are not complied with by the certified company.

INSTANT HAND SANITIZER GEL

PRIVATE LABEL / WHITE LABEL

Bulk Truckload Order Availability

TAC2 Global LLC

SPECIFICATION SHEET

Highly effective at killing more than 99% of common cold, flu, and other viruses when used with regular hand washing (soap and water). Our formulation is prepared in a professional laboratory following recommendations by the World Health Organization (WHO) to contain a high amount of alcohol (70% or more), in order to ensure nearly all microbes are killed upon contact.

For best results, wash hands for at least 30 seconds with soap and water and dry your hands. Then apply liberally to the palm of your hand and coat hands and fingers. Continue rubbing and allow it to dry. Reduced sanitization occurs if applied to hands with grime, excess oil, and dirt. This product is unscented and leaves no residue.

After use, apply your favorite hand moisturizer to prevent excessively dry hands. Not appropriate for use with infants, do not use on open wounds, and not for human consumption.

- Antimicrobial gel
- Made with 70 - 75% alcohol by volume
- Kills 99.99% of many common harmful germs and bacteria
- White and Private labeling available
- World Health Organization (WHO) - recommended hand rub formulation

INGREDIENTS

Ethyl alcohol, distilled water, glycerin, hydrogen peroxide.

Glycerol: Used as humectant, but other emollients may be used for skin care, provided that they are cheap, widely available and miscible in water and alcohol and do not add to toxicity, or promote allergy.

Hydrogen peroxide: Used to inactivate contaminating bacterial spores in the solution and is not an active substance forhand antisepsis.

CERTIFICATIONS

- OTC Certified
- Stability Tested
- Certificate of Analysis
- Manufactured in FDA registered, GMP certified and ISO 9001 facility
