Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

The Department of Financial Institutions (DFI) currently provides the Treasurer's Office information on the financial condition of approved public depositories upon request. This legislation will not impact DFI's current process when it comes to public depositories, and therefore will have no impact.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

Part IV: Analysis

A. SUMMARY OF BILL

Provide a clear, succinct description of the bill with an emphasis on how it impacts local government.

This legislation would repeal a statute related to credit union deposits, such that, public funds depositors from any size county are allowed to deposit greater than the maximum insured amount at a credit union. Repealing RCW 39.58.240 would open the program up to all geographic areas in Washington and allow more counties to participate in depositing to credit unions than under current law.

BACKGROUND:
In SHB 1209, 2018 the term "Financial Institution" (RCW 39.58.010) was expanded to include Credit Unions. RCW 39.58.240 limits the use of credit unions just to counties under 300,000 in population.

B. SUMMARY OF EXPENDITURE IMPACTS

Briefly describe and quantify the expenditure impacts of the legislation on local governments, identifying the expenditure provisions by section number, and when appropriate, the detail of expenditures. Delineate between city, county and special district impacts.

This legislation would have no impact on local government expenditures.

C. SUMMARY OF REVENUE IMPACTS

Briefly describe and quantify the revenue impacts of the legislation on local governments, identifying the revenue provisions by section number, and when appropriate, the detail of revenue sources. Delineate between city, county and special district impacts.

This legislation would have no impact on local government revenues
