Amendment (with title amendment)

Between lines 64 and 65, insert:

Section 1. Section 381.990, Florida Statutes, is created to read:

381.990 Educational Information on Prenatal Genetic Disorders.—

The Department of Health shall publish on its website and update annually:

(1) Evidence-based information about prenatal genetic disorders including, but not limited to, Down syndrome, scoliosis, dwarfism, albinism and amelia. The department shall

include information reviewed by medical experts and national organizations and include the following:

(a) Physical, developmental, educational and psychosocial outcomes.

(b) Life expectancy.

(c) Clinical course.

(d) Intellectual and functional development.

(e) Treatment options.

(f) Any other information the department deems necessary.

(2) Information regarding resources and support services for families, including information hotlines, relevant resource centers or clearinghouses, national and local support organizations and education and support programs.

Section 2. Section 456.52, Florida Statutes, is created to read:

456.52 Dissemination of Educational Information on Prenatal Genetic Disorders.—

A health care practitioner that administers or orders a screening or diagnostic test for a prenatal genetic disorder shall, upon receiving a test result indicating a prenatal genetic disorder or the potential for a prenatal genetic disorder, provide the patient educational information made available by the department under s. 381.990. The health care practitioner may provide the educational information in written or electronic form.
