OVERVIEW: Senate Bill 347 would make various technical and substantive changes to the laws governing captive insurance companies in the State.

CURRENT LAW: Captive insurance companies form and operate in North Carolina under the North Carolina Captive Insurance Act, enacted in 2013.

BILL ANALYSIS:

Section 1 of the bill would require the Commissioner of Insurance to maintain the confidentiality of information filed by a captive insurance company when it seeks approval of a distribution from capital or surplus, a change to its plan of operation, or a loan to an affiliate.

Section 2 would authorize the Commissioner, upon written request, to exempt any captive insurance company from compliance with audit requirements if such compliance would cause it financial or organizational hardship. Under current law only captive insurance companies having less than $1.2 million in written premium are eligible for this exemption.

Section 3 would authorize the Commissioner to conduct a financial analysis of information obtained from a captive insurance company whenever the Commissioner deems it prudent to do so.

Section 4 would replace the term "board of directors" with the term "governing board," defined as "the board of directors or officials possessing similar authority."

Section 5.(a) would amend G.S. 105-228.4A to:

- Provide that two or more captive insurance companies under common ownership and control will be taxed as separate companies if they are either a protected cell captive insurance company or a special purpose captive insurance companies with a cell or series structure.
- Specify the aggregate amount of tax payable by a special purpose captive insurance company with a cell or series structure with 10 or more cells or series.

Section 5.(b) would provide that if a licensed captive insurance company formed and licensed in another jurisdiction redomesticates to North Carolina with the approval of the Commissioner prior to December 31, 2022, it is exempted from premium taxes otherwise due for the remainder of the year in which redomestication occurs and for the calendar year following its redomestication. This provision would expire for taxable years beginning on or after January 1, 2024.

Section 6 would require captive insurance companies to be managed at all times by a captive manager approved by the Commissioner.
