Date	Status	Message
Mar 20, 2020 1:16:13 PM	Received	John, State Controller Betty Yee here. Gov's office knows of your generous offer, and someone there will be calling you back today. Lots of offers coming in, and they are managing. Thank you! Be well, and stay healthy and safe.
Mar 20, 2020 1:16:43 PM	Sent	Hi Betty! I'm available whenever you want to talk! Sorry been on the phone with our suppliers.
Mar 20, 2020 1:16:47 PM	Sent	Same to you.
Mar 20, 2020 1:17:34 PM	Sent	Thanks again. We have 100mil 3m masks at the Port of long beach I can move to you guys today. Also we can get the state any supplies they need. Easily. Thanks again!
Mar 20, 2020 5:02:40 PM	Received	John, not sure what Gov's folks are doing. Silent these last few hours. Can I connect you with CA Nurses Assoc? Many of their members working without adequate protection.
Mar 20, 2020 5:17:41 PM	Sent	Sure we can fill all of their requests. Thank you Betty!
Mar 20, 2020 5:34:17 PM	Received	CNA rep calling me shortly.
Mar 20, 2020 5:39:45 PM	Sent	Ok thank you!
Mar 20, 2020 5:40:48 PM	Sent	We've almost sold all of this first shipment BUT we'll have 100m units every week being delivered to long Beach. So we can fill anything they need no problem.
Mar 20, 2020 5:42:33 PM	Received	Got it. Hospitals so damn bureaucratic re: central purchasing. Requests for surgical masks and hand sanitizer too, the latter being stolen out of hospitals.

Mar 20, 2020 5:42:43 PM	Received	Thought govt was bad
Mar 20, 2020 5:43:10 PM	Sent	Oh geez I'm sorry to hear that. Good news is we have all of that!
Mar 20, 2020 5:43:35 PM	Received	Awesome. You are a godsend.
Mar 20, 2020 5:44:25 PM	Sent	🙏 my pleasure! This is important!
Mar 20, 2020 6:36:02 PM	Received	Just got text from Gov's COS that OES supply task force has connected with you. True? I will continue to make connections...needs will grow. Thank you, John.
Mar 20, 2020 7:03:25 PM	Sent	Yes! We are sending them our product list now! Thanks so much. We can literally supply everyone.
Mar 20, 2020 7:33:12 PM	Received	John, will be connecting Stephanie Roberson with CA Nurses Association to you via text. She's been looking for N95s...Gov's office slow to respond and she wants direct contact. OK to connect the two of you via text tonight? Thank you.
Mar 20, 2020 7:33:30 PM	Sent	Yes absolutely! I'm working 24/7. Thanks!
Mar 21, 2020 11:16:40 AM	Sent	Hi Betty, just to update you on the status of our talks with gov office: Last night I got a call from Abby Browning. She was great. Connected me with bill Simonson who is the emergency manager. Bill and I spoke at 8 p last night. He said great they want our supplies. Asked for a supply list of what we can get them and pricing. I sent. He confirmed receipt. I followed up this morning with phone and email and haven't heard back yet.
Mar 21, 2020 11:17:51 AM	Sent	Really want to know what they need...how much and by when so I can promise them the inventory. It's on a first come basis right now and hard for me to hold but if the state says I need X

		amount now and X amount over the next x months I can guarantee delivery, price and time.
Mar 21, 2020 11:18:07 AM	Sent	Thank you so much for your help bird dogging this
Mar 21, 2020 11:23:06 AM	Received	Got it. Will press Gov's folks. All OK with the nurses?
Mar 21, 2020 12:03:07 PM	Sent	Thanks! Yes Stephanie is making calls. No orders placed yet but she is engaged.
Mar 21, 2020 3:13:15 PM	Received	Any word yet from Gov's folks or Bill? I've been bugging chief of staff and others. Thank you.
Mar 21, 2020 3:18:34 PM	Sent	Not a peep! They are killing me.
Mar 21, 2020 3:20:12 PM	Sent	We are delivering another 100m units of n95 mask and 500k covid19 at testing kits to Florida. Just came in. The other states seems to move faster....no offense lol
Mar 21, 2020 3:20:22 PM	Sent	And I live in calif! I want to keep these supplies here.
Mar 21, 2020 3:47:49 PM	Received	No offense taken. Not sure what there is for Gov's folks to think about. I can cut checks quickly once orders made and invoiced.
Mar 21, 2020 7:03:49 PM	Sent	Right. Thanks Betty. I'm about to unlock a bunch of us based manufacturers too so if we need made in America goods too. But we can fill and need the state has immediately.
Mar 21, 2020 7:04:01 PM	Sent	Still no word from bill. Just pinged him again.
Mar 21, 2020 7:09:18 PM	Received	I pinged COS again just a while ago after Gov's press conference...no emphasis on supplies.

Mar 21, 2020 7:12:23 PM	Sent	Hmmm ok. Well thanks for pushing.
Mar 21, 2020 10:18:30 PM	Received	Did you see this, John? Governor Newsom Takes Action to Strengthen California’s Health Care Delivery System to Respond to COVID-19 California Governor https://www.gov.ca.gov/2020/03/21/governor-newsom-takes-action-to-strengthen-californias-health-care-delivery-system-to-respond-to-covid-19/
Mar 21, 2020 10:19:40 PM	Received	Not nearly enough supplies for the growing need.
Mar 21, 2020 10:25:23 PM	Sent	I had a conversation with a chief from a hospital in Tennessee today. It was terribly sad. She was pleading for supplies and said all of the nurses are wearing trash bags because they can't get supplies. Nurses get sick, can't work and then the patients won't receive treatment and so on.... I'm afraid we might get like that here in California.
Mar 21, 2020 11:14:40 PM	Received	I will keep pushing. Maybe if the CNA orders from you out of concerns including what you note here, Gov's office will follow suit. I will keep pushing. Will ping Stephanie in the morning. Have a good night. Thank you for everything you are doing. You are saving lives.
Mar 22, 2020 10:03:25 AM	Received	Just shared this with Stephanie. Thank you, John.
Mar 22, 2020 10:03:56 AM	Sent	No problem
Mar 22, 2020 7:18:28 PM	Sent	Hi Betty just in case you missed it. Most folks think supply runs out in 10 days. My challenge won't be supply it'll be shipping and delivery because that will be backed up. Sooner I can get orders moving Incan beat the rush. https://www.yahoo.com/news/coronavirus-york-warns-major-shortages-203005060.html

Mar 22, 2020 7:40:34 PM	Received	Thank you, John. Still nothing from Gov's team? Thank you.
Mar 22, 2020 7:44:43 PM	Sent	Ok I just noticed I missed a call from a Michael with general services two hours ago! Shoot I didn't see the call. Called and texted him just now. Left voicemail
Mar 22, 2020 7:45:02 PM	Sent	Dangit. I will chase him first thing.
Mar 22, 2020 7:45:13 PM	Sent	I just sent this followup text
Mar 22, 2020 7:46:35 PM	Received	Good. Glad DGS is reaching out.
Mar 22, 2020 7:46:46 PM	Sent	I assume they are the deciders?
Mar 22, 2020 7:51:13 PM	Received	They handle State procurement for all agencies.
Mar 22, 2020 7:54:49 PM	Sent	I understand. Ok I WILL track him down.
Mar 22, 2020 8:34:10 PM	Sent	I'm texting with Michael now!
Mar 22, 2020 10:26:13 PM	Received	Without invoking my name, ask him if there is anything that can be done to authorize pre-payment. "Can't OES or the Controller figure out a way for prepayment to happen in an emergency?" BTW, what is Michael's full name and position? Thanks.
Mar 22, 2020 10:57:15 PM	Sent	Absolutely I will. We are also supposed to speak at 8a tomorrow.

Mar 22, 2020 10:57:37 PM	Sent	Don't know Michael's name. He didn't tell me lol. I'll find out tomorrow.
Mar 22, 2020 11:06:48 PM	Received	I will get my folks working on how to facilitate prepayment. Thank you, John. Get some rest.
Mar 22, 2020 11:09:21 PM	Sent	Ok same. It's going to be a long week and we've got a lot of work to do. We'll figure this out. Thank you again.
Mar 23, 2020 8:41:41 AM	Received	John, in mtg with my staff fir next 1.5 hours. Sorry to miss your call. Can you text me? Thanks.
Mar 23, 2020 8:50:22 AM	Received	My legal team is looking at this now. Will call when done with my mtg or text if I have news. Thank you.
Mar 23, 2020 8:50:53 AM	Sent	Ok that's great. Thanks. Sorry to push but I don't want to be able to take the order and then tell you it's 3 weeks delayed!
Mar 23, 2020 9:01:37 AM	Received	You are not pushing...we are in a f...ing crisis! Prepayment is not a problem for my office under the emergency declaration. I just directed my COS to call the DGS Director.
Mar 23, 2020 9:08:40 AM	Sent	Omg! Yes!
Mar 23, 2020 1:54:36 PM	Received	Prepayment process in place. Out of curiosity, where did your stock on Friday go in FL? Hospitals? State of FL? Thank you, John.
Mar 23, 2020 4:13:10 PM	Sent	Hi Betty sorry for the delay. They went to hospitals and a private buyer. I can't go into any more detail as I have nda's with all of them. Good news is we have plenty of supply! I even have n95 make made just for kids.
Mar 23, 2020 4:13:24 PM	Sent	Btw haven't heard back from Michael at general services

Mar 23, 2020 4:17:03 PM	Received	The orders are being run through General Services but I believe initiated by OES. Call Bill Simonson and Michael back. I am not sure how orders are being decided. Hope CA gets on it now. Thank you.
Mar 23, 2020 4:21:11 PM	Sent	Right. I spoke with bill and he said "mikey" is in charge. Michael hasn't responded. I'll continue to needle him every hour.
Mar 23, 2020 4:28:32 PM	Received	I am so sorry you are getting a bit of a runaround.
Mar 23, 2020 4:29:16 PM	Sent	It's ok. Since I live here in Pasadena I want the inventory to go here!
Mar 23, 2020 6:46:57 PM	Sent	Fyi just sent over our sales sheet to Michael Won't.
Mar 23, 2020 6:47:00 PM	Sent	Wong
Mar 23, 2020 6:47:37 PM	Sent	Baby steps forward. I mentioned that we should do a rolling PO which basically is a line of credit they can order against that refills. So this locks in their orders going forward
Mar 23, 2020 8:58:41 PM	Received	OK...at least some movement. Thank you, John.
Mar 23, 2020 9:48:09 PM	Sent	Here's the kicker....I told Michael I just got a text from my lead supplier.....we have about 9 hours to lock up their 100mil n95 mask production is going to the UK and it'll be a delay then to get more masks. So I highly urged Michael to place the order....only need a small deposit to hold them all.
Mar 23, 2020 9:48:16 PM	Sent	I do hope he moves quickly!

Mar 23, 2020 9:48:45 PM	Sent	I can source masks elsewhere but inventory shuffles around so quickly. I know Calif needs the masks over time so they need to just lock it up!
Mar 23, 2020 9:50:29 PM	Sent	Lastly, I sad the list of vendors Calif is talking to....none of them have inventory. I know because they are all asking me for product.
Mar 23, 2020 9:50:35 PM	Sent	Saw...not sad
Mar 23, 2020 10:00:48 PM	Received	I will ping Gov's office. Thanks, John.
Mar 23, 2020 11:10:24 PM	Sent	Thanks. I think they'll miss their window. It's ok I will plug them in elsewhere. Michael has been texting with me about doing a deposit to lock down the big order. This is good!
Mar 23, 2020 11:33:51 PM	Received	Great about Michael. I texted Gov's person that we had until 6 a.m. I hope to awake to good news.
Mar 24, 2020 1:26:27 AM	Sent	Thank you! Me too.
Mar 24, 2020 6:14:14 AM	Received	Ugh...not easy. Once Michael makes the order and contacts my staff, we can process payment. Thank you.
Mar 24, 2020 2:13:26 PM	Sent	Also for what it's worth my favorite supplier is a dual American Chinese citizen. He happens to live here in Pasadena too (he's currently stuck in china during the lock down)! Great guy I've known for years and years. He really wants to bring his supplies here too. Fyi haven't heard from Dan yet.
Mar 24, 2020 4:05:18 PM	Sent	Making progress....Michael wong just texted me about my capacity for the n95 masks now and for the next 30 days. Then he asked if we would be paid or wire it to china. I explained my company cages the money then handles everything - manufacturer payment, shipping, customs etc. I think Michael

		felt better knowing we are an American company. Then he sent us payee data record form to payout so he can pay us
Mar 24, 2020 4:06:19 PM	Sent	Also I haven't told him yet but here's what if be willing to do just to ease everyone's concerns: we'll do this as an open book deal if he wants so he can see my costs, my markup and everything. So they know I'm not going.
Mar 24, 2020 4:06:22 PM	Sent	Gouging
Mar 24, 2020 4:22:33 PM	Received	Some progress. Offer the open book only if you need to. If you share info with State, it may be become a matter of public record and make headlines. If this is proprietary info, keep it that way. Thank you for your patience, John.
Mar 24, 2020 4:39:14 PM	Sent	Ahh yes you're totally right. Thank you. Ok I'll let you know as this evolves
Mar 24, 2020 5:00:33 PM	Sent	We might close this tonight! 🍷
Mar 24, 2020 5:06:16 PM	Received	Let me know. Virtual drinks on me for your patience, John! Thank you for not giving up on California! 🍷
Mar 24, 2020 7:15:24 PM	Sent	My pleasure. It was team work! Thank you!
Mar 24, 2020 7:15:38 PM	Sent	Looks like we are going to get this done!
Mar 24, 2020 9:39:07 PM	Received	What am I looking at here? Anything after 4:51 p.m.? Thank you.
Mar 24, 2020 9:39:46 PM	Sent	Oh sorry Michael said he'll wire the money (or you will I suppose) first thing in the morning for their first order of 100 Mill n95 masks!

Mar 24, 2020 10:03:33 PM	Received	Got it! Mazel tov!

Mar 24, 2020 10:16:09 PM	Sent	It's ugly out there. Glad Calif will be getting all the supplies they need now!
Mar 24, 2020 11:29:29 PM	Received	You are a blessing, John Thomas, to help and guide CA through this chaos. Just saw the deal on the stimulus package...could not come soon enough for workers, businesses, docs, nurses, hospitals, and states. Just in time as the peak of the pandemic approaches. Thank you!
Mar 25, 2020 7:24:14 AM	Received	Thank you, thank you, thank you!
Mar 25, 2020 7:25:21 AM	Sent	My pleasure! I just needed to know Calif could order our stuff, now I will try to get them everything!
Mar 25, 2020 8:47:01 AM	Sent	I'll keep you in the loop today as we MUST get this done. We basically have five hours before the wire cutoff. We'll all need to push to get it done.
Mar 25, 2020 8:47:19 AM	Sent	I've messaged Michael wong but haven't heard back yet. Come 9a I'm going to be all over him.
Mar 25, 2020 10:53:27 AM	Sent	Betty, I bet I can beat these guys on price. Can you find out what they are paying? Maybe that's how we get in? Or split the deal? I do 50mil units and they do half? I know these guys won't deliver. And you won't know for 30 days and then we won't be able to get inventory

Mar 25, 2020 11:04:14 AM	Sent	!!!!
Mar 25, 2020 11:04:24 AM	Sent	What's going on? Also call me about the other bidders
Mar 25, 2020 12:11:30 PM	Sent	We are back in this ...
Mar 25, 2020 12:11:33 PM	Sent	I'll call you soon
Mar 25, 2020 12:28:16 PM	Sent	We are back in this I think. Working on wiring now....
Mar 25, 2020 1:21:58 PM	Sent	Just in. Don't know if this is us or the other vendor
Mar 25, 2020 1:38:01 PM	Sent	Just so you are in the loop. He said he's waiting for for/sco. 🙏🙏🙏
Mar 25, 2020 1:59:57 PM	Received	OK, my staff is walking a warrant over to the Treasurer now for wiring before 2:00 p.m. My Counsel just let me know...I have no other details as I am doing online interviews right now. Let me know if wiring is to you. Thanks.
Mar 25, 2020 2:05:00 PM	Sent	Great thank you! I just sent over invoice to Michael
Mar 25, 2020 3:26:10 PM	Sent	It's in process! Hooray! Thank you! Wire cutoff was missed but Michael sent me an email saying wire has been initiated.
Mar 25, 2020 3:26:43 PM	Sent	We are also sending Michael additional capacity for other items like gloves and gowns as he said he needs those immediately.
Mar 25, 2020 3:26:47 PM	Sent	Thank you again!

Mar 25, 2020 3:38:05 PM	Received	We sat ready while DGS took their f...ing time. They missed the deadline. Sorry about that. At least it's been executed.
Mar 25, 2020 3:41:31 PM	Sent	I know. Now I'm telling the manufacturers to take my word to sit tight. It's really hard. Michael said he'd get me some official paperwork showing it has been done.
Mar 25, 2020 11:33:05 PM	Sent	Lastly, Abby sent me other supplies Calif need. I told her I could get all of those quickly standing on my head. Truly. Easy. Then Dan asked me if I could find 3ply masks. I can and I told him I'd get him way lower prices than he's received in bids so far. I will get him one hell of a deal for the next order. Ok that's the update for tonight. Thanks again.
Mar 26, 2020 3:42:03 AM	Received	John, I am sorry about all this extra work. It is above and beyond. On a positive note, Dan now knows you and your integrity that hopefully now opens the door for smoother transactions going forward. I will see to it that the wire happens first thing this morning. Dan and his team seem to forget that the Governor's emergency declaration waived contract code requirements so transactions can happen quickly. Thank you for pulling out all the stops and more, John. We'll speak later.
Mar 26, 2020 6:49:48 AM	Sent	Thanks Betty and I totally agree. I'll make sure to stay in touch with our bank for the wire so I can start this process immediately and lock down The inventory.
Mar 26, 2020 7:48:35 AM	Sent	Hi Betty, just a check in to make sure your shop presses the button at 8am. I've got my manufacturers on standby and truly cannot hold them off for much longer. Thank you again!
Mar 26, 2020 7:59:14 AM	Received	Green light!
Mar 26, 2020 7:59:26 AM	Sent	Yes! When should I expect the wire?
Mar 26, 2020 7:59:41 AM	Received	8:00 a.m.

Mar 26, 2020 7:59:44 AM	Sent	Truthfully I'm going to lose my place in line and inventory soon.
Mar 26, 2020 7:59:47 AM	Sent	Ok thank you.
Mar 26, 2020 8:02:54 AM	Received	I know you are holding on to inventory for CA. Let me know when all OK. Thanks.
Mar 26, 2020 8:09:51 AM	Sent	Thank you again. Nothing has arrived so far. I have a staffer on the phone with our bank. I'll let you know the second we see it
Mar 26, 2020 8:14:05 AM	Received	It's a go.
Mar 26, 2020 8:14:28 AM	Sent	👍 k I'll let you know the second we see it
Mar 26, 2020 8:14:28 AM	Received	Sorry...in a Zoom mtg.
Mar 26, 2020 8:14:33 AM	Sent	No problem!
Mar 26, 2020 8:37:38 AM	Sent	Nothing yet....
Mar 26, 2020 8:50:28 AM	Received	Sent. Waiting for confirmation from your bank.
Mar 26, 2020 8:50:55 AM	Sent	K I'm on the line with the bank
Mar 26, 2020 9:20:08 AM	Sent	We got it!!! Thank you!!!!

Mar 26, 2020 9:20:25 AM	Sent	Ok im moving at light speed and will send you progress updates
Mar 26, 2020 9:20:29 AM	Sent	Thank you!
Mar 26, 2020 9:21:25 AM	Received	Thank YOU!
Mar 26, 2020 9:25:09 AM	Sent	It's my honor! I'm so proud to be doing this for our state. Ok gotta get to work. Thanks again. I'll keep you in the loop.
Mar 26, 2020 10:55:39 AM	Sent	Moving product now....woohoo. I'm trying to get pics for you too.
Mar 26, 2020 11:11:39 AM	Received	Yes! Doing interviews most of the day, so can't pick up. Happy things are moving. Thank you!
Mar 26, 2020 1:35:34 PM	Received	National Cathedral, Nasdaq, Businesses and Unions Locate Troves of N95 Masks; https://www.nytimes.com/2020/03/26/us/national-cathedral-masks-donation-coronavirus.html
Mar 26, 2020 1:38:56 PM	Sent	This is great news. I bet you those models are not state approved. But still great product. The state has very rigid model guidelines which is fine, just harder to procure.
Mar 26, 2020 3:30:35 PM	Sent	Hi Betty, sorry to bug you but I have an issue that I need your help with. Can you call me when you have a moment?
Mar 27, 2020 8:05:08 AM	Sent	Hi Betty , I'm sure you heard about my bank bouncing payment hours after it went through. Unbelievable. However, I've come up with a work around for the product I have in route. Just to keep you in the loop here's what I'm trying to get of Dan Kim about. I can take payment upon receipt, inspection and acceptance for each delivery. This should make the state feel comfortable.

Mar 27, 2020 8:50:32 AM	Received	John, please communicate with Dan directly. And please cease to keep me in the loop; it is not helpful. I am sure if he takes your call, he will rightfully ask why you required prepayment of the State but now can take payment upon receipt and inspection. You have a credibility issue now that you need to solve. Good luck.
Mar 27, 2020 8:50:51 AM	Sent	Ok thank you.
