Thank you Ethan.

I will have prices out to you in the next 2 hours. Please note at this point all factories are requiring 100% upfront from us. So I do want to point out we have no choice but to take 100% upfront from buyers to minimize our risk. We have getting a tremendous volume of inquiries and need to prioritize and streamline based on consistent terms across all.

Many thanks and back to you shortly.

□
Hello Suuchi,

It was a pleasure to meet everyone on the web conference yesterday, I appreciate everyone's time.

Blue Flame Medical LLC continues to acquire contracts from sources domestically and internationally. As previously indicated, the market is rapidly fluctuating as players through the supply chains are causing highly irregular movement of prices and inventory levels during this pandemic emergency.

I know that John and the team eagerly await to hear your team's thoughts on Suuchi Inc.'s pricing and potential production volumes with timeframes for the production.

Sincerely,

Ethan Bearman, Esq.
