Heather,

You can leave the personal accounts open, the Gula Graham accounts and any other "legacy" accounts. I want all of the newer accounts closed.

Hi Mike,

Thank you for sending the list of accounts. I just sent this request to our treasury department to add all those accounts under your TM for Blueflame Strategies.

In your phone you will need to download the CBB treasury app.

This process takes 24-48 Hours to get completed.

Sincerely,

John,
I closed Blueflame Strategies account and noticed that there is also a Redline Strategies account that was opened on March 18th with a zero balance. Should I close that account too?

Thank You,
Heather
