Committee/Subcommittee hearing bill: Tourism, Infrastructure & Energy Subcommittee

Representative Brannan offered the following:

Amendment (with title amendment)

Remove everything after the enacting clause and insert:

Section 1. Subsections (2) and (3) of section 316.066, Florida Statutes, are amended to read:

316.066 Written reports of crashes.—

(2)(a) As used in this subsection, the term:

1. "Agency" has the same meaning as provided in s. 119.011.

2. "Personal information" means information that identifies an individual, including an individual's photograph, social security number, driver license or identification card number, name, home or employment address excluding the five-

digit zip code, home or employment telephone number, and medical or disability information.

(b)1.~~(a)~~ Crash reports that reveal ~~the identity, home or employment telephone number or home or employment address of, or other~~ personal information concerning the parties, passengers, or witnesses involved in the crash, and that are held by an ~~any~~ agency, ~~that regularly receives or prepares information from or concerning the parties to motor vehicle crashes~~ are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution for a period of 60 days after the date the report is filed.

2. Following the 60-day period in subparagraph 1., personal information revealed in a crash report concerning the parties, passengers, or witnesses involved in the crash, and that is held by an agency, is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

3. If crash reports are created by or submitted to an agency electronically as data elements within a computerized database, or if personal information concerning the parties, passengers, or witnesses involved in the crash are entered into a computerized database, such crash report data held by an agency, when not rendered as individual crash reports subject to subparagraph 1. or subparagraph 2., is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This paragraph does not prevent an agency from

disclosing extracts of crash report data if personal information concerning the parties, passengers, and witnesses is omitted from the extracts.

4. These exemptions apply to crash reports, personal information revealed in crash reports, and crash report data held by an agency before, on, or after the effective date of the exemptions.

(c)1.~~(b)~~ Crash reports held by an agency under subparagraph (b)1. or subparagraph (b)2., which reveal personal information concerning the parties, passengers, and witnesses involved in the crash, ~~paragraph (a)~~ may be made immediately available to the parties involved in the crash, their legal representatives, their licensed insurance agents, their insurers or insurers to which they have applied for coverage, persons under contract with such insurers to provide claims or underwriting information, prosecutorial authorities, law enforcement agencies, the Department of Transportation, the Department of Health, county and municipal traffic operations, victim services programs, and any federal, state, or local governmental agency in carrying out its functions.

2. A crash report may also be made available to any third party acting on behalf of a person or entity authorized under subparagraph 1. to access the crash report, except that the third party may disclose the crash report only to the person or entity authorized to access the crash report under subparagraph

1. on whose behalf the third party has sought the report ~~radio and television stations licensed by the Federal Communications Commission, newspapers qualified to publish legal notices under ss. 50.011 and 50.031, and, in accordance with paragraph (f), free newspapers of general circulation, published once a week or more often, of which at least 7,500 copies are distributed by mail or by carrier as verified by a postal statement or by a notarized printer's statement of press run, which are intended to be generally distributed and circulated, and which contain news of general interest with at least 10 pages per publication, available and of interest to the public generally for the dissemination of news. For the purposes of this section, the following products or publications are not newspapers as referred to in this section: those intended primarily for members of a particular profession or occupational group; those with the primary purpose of distributing advertising; and those with the primary purpose of publishing names and other personal identifying information concerning parties to motor vehicle crashes~~.

(d) ~~(c)~~ A federal, state, or ~~Any~~ local governmental~~, state, or federal~~ agency, or any private person or entity acting on behalf of a federal, state, or local governmental agency in carrying out its functions, ~~that is authorized to have access to crash reports by any provision of law~~ shall be granted such access in the furtherance of the agency's statutory duties

pursuant to a memorandum of understanding approved by the agency holding the crash reports which requires that personal information revealed in the crash reports remain confidential and exempt.

(e)~~(d)~~ As a condition precedent to accessing a crash report that reveals personal information concerning the parties, passengers, or witnesses involved in the crash ~~within 60 days after the date the report is filed~~, a person must submit to the agency that holds the crash report, in a format prescribed by the agency, ~~present a valid driver license or other photographic identification, proof of status, or identification that demonstrates his or her qualifications to access that information and file~~ a ~~written~~ sworn statement attesting to the person's identity, authority to access the crash report under paragraph (c), and agreement to refrain from using the ~~with the state or local agency in possession of the information stating that information from a~~ crash report ~~made confidential and exempt by this section will not be used~~ for ~~any~~ commercial solicitation ~~of accident victims,~~ or knowingly disclosing the crash report ~~disclosed~~ to any third party for the purpose of such solicitation~~, during the period of time that the information remains confidential and exempt~~. Such ~~written~~ sworn statement must be completed and sworn to by the requesting party for each individual crash report that is being requested with personal information concerning the parties, passengers, or

witnesses involved in the crash ~~within 60 days after the report is filed~~. In lieu of requiring the ~~written~~ sworn statement, an agency may provide crash reports by electronic means pursuant to a memorandum of understanding that requires ~~third-party vendors under contract with one or more insurers, but only when such contract states~~ that personal information revealed in ~~from~~ a crash report remain ~~made~~ confidential and exempt and prohibits such personal information from being ~~by this section will not be~~ used for ~~any~~ commercial solicitation ~~of accident victims by the vendors,~~ or knowingly disclosed ~~disclosed by the vendors~~ to any third party for the purpose of such solicitation~~, during the period of time that the information remains confidential and exempt, and only when a copy of such contract is furnished to the agency as proof of the vendor's claimed status~~.

(f) Upon request, an agency shall provide a summary of a crash report to radio or television stations, newspapers, and other news media, comprising descriptive information about the crash to the extent included in the report, including, but not limited to, the time, date, and location of a crash; the name, age, gender, race, and ethnicity of any driver involved in the crash; a description of any vehicle involved in the crash, including the vehicle's color, make, model, body style, and year; the names of the law enforcement agencies and officers responding to the scene or investigating the crash; the circumstances of the crash; and whether any arrests were made or

traffic citations were issued. This paragraph does not require an agency to provide in a summary any information made confidential or exempt by any provision of law outside of this section.

~~(e) This subsection does not prevent the dissemination or publication of news to the general public by any legitimate media entitled to access confidential and exempt information pursuant to this section.~~

(g)~~(f) Free newspapers of general circulation published once a week or more often, of which at least 7,500 copies are distributed by mail or by carrier as verified by a postal statement or by a notarized printer's statement of press run, which are intended to be generally distributed and circulated, which contain news of general interest with at least 10 pages per publication, available and of interest to the public generally for the dissemination of news, and which request 10 or more crash reports within a 24-hour period before 60 days have elapsed after the report is filed may not have access to the home, cellular, employment, or other telephone number or the home or employment address of any of the parties involved in the crash.~~ This subsection ~~paragraph~~ is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2027 ~~2019~~, unless reviewed and saved from repeal through reenactment by the Legislature.

(3)(a) A ~~Any~~ driver failing to file the written report required under subsection (1) commits a noncriminal traffic infraction, punishable as a nonmoving violation as provided in chapter 318.

(b) An ~~Any~~ employee of an ~~a state or local~~ agency, as defined in s. 119.011, in possession of information made confidential and exempt by this section who knowingly discloses such confidential and exempt information to a person not entitled to access such information under this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(c) A ~~Any~~ person who, knowing that he or she is not entitled to obtain information made confidential and exempt by this section, ~~who~~ obtains or attempts to obtain such information commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(d) A ~~Any~~ person who knowingly uses confidential and exempt information in violation of a filed ~~written~~ sworn statement, memorandum of understanding, or contractual agreement required by this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 2. Subsection (11) of section 316.650, Florida Statutes, is amended to read:

316.650 Traffic citations.—

(11)(a) As used in this subsection, the term "driver information" means a driver's date of birth, driver license number, address excluding the five-digit zip code, telephone number, motor vehicle license plate number, and trailer tag number. The term does not include the driver's name.

(b)1. Driver information contained in a uniform traffic citation held by an agency is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This paragraph applies to driver information held by an agency before, on, or after the effective date of the exemption.

2. An agency may release driver information in accordance with any of the permissible uses listed in 18 U.S.C. s. 2721(b) in the same manner applicable to the release of personal information contained in a motor vehicle record pursuant to s. 119.0712(2)(b).

3. This paragraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2027, unless reviewed and saved from repeal through reenactment by the Legislature.

(c) Driver information contained in a uniform traffic citation may~~, which includes but is not limited to, the accused person's name and address, shall~~ not be used for commercial solicitation purposes. ~~However, the use of such driver information contained in a uniform traffic citation shall not be considered a commercial purpose when used for publication in a~~

~~newspaper or other news periodical, when used for broadcast by radio or television, or when used to inform a person of the availability of driver safety training.~~

Section 3. (1) The Legislature finds that it is a public necessity that crash reports that reveal personal information concerning parties, passengers, and witnesses to a crash for a period of 60 days after the date the crash report is filed with an agency; such personal information revealed in crash reports held by an agency following the 60-day period; and computerized crash report data held by an agency, be confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. Crash reports reveal significant personal information, not only about parties involved in a crash but also about passengers and other witnesses to the crash. Pervasive use of the Internet and related technologies abet those with malicious purposes in exploiting the use of personal information revealed in crash reports, such as a party's, passenger's, or witness' date of birth, driver license number, and address, creating ever-expanding threats to privacy and security never envisioned in generations past. Moreover, ever-increasing use of information technology for the preparation, submission, and management of crash reports has led agencies to hold vast repositories of computerized crash report data, which includes such personal information. Personal information, when held by the Department of Highway Safety and Motor Vehicles in

driver license and motor vehicle records, is confidential pursuant to the federal Driver's Privacy Protection Act of 1994, 18 U.S.C. ss. 2721 et seq., and s. 119.0712(2), Florida Statutes. These restrictions on disclosure of personal information, however, have not applied to personal information revealed in crash reports. When personal information revealed in crash reports or computerized crash report data are made available to the public, because they comprise much of the same personal information contained in driver license and motor vehicle records, the protections afforded by the federal Driver's Privacy Protection Act of 1994 are significantly undermined, eroding the privacy and safety of drivers. Therefore, the Legislature finds that it is a public necessity to make confidential and exempt from public records requirements crash reports that reveal personal information concerning parties, passengers, and witnesses to a crash for a period of 60 days after the date the crash report is filed with an agency; such personal information revealed in crash reports held by an agency following the 60-day period; and computerized crash report data held by an agency.

(2) The Legislature finds that it is a public necessity that driver information contained in a uniform traffic citation held by an agency be exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. Uniform traffic citations reveal significant personal information about

drivers issued a citation. Pervasive use of the Internet and related technologies abet those with malicious purposes in exploiting the use of personal information contained in traffic citations, such as a driver's date of birth, driver license number, and address, creating ever-expanding threats to privacy and security never envisioned in generations past. Driver information, when held by the Department of Highway Safety and Motor Vehicles in driver license and motor vehicle records, is confidential pursuant to the federal Driver's Privacy Protection Act of 1994, 18 U.S.C. ss. 2721 et seq., and s. 119.0712(2), Florida Statutes. These restrictions on disclosure of personal information, however, have not applied to driver information contained in uniform traffic citations. When driver information contained in uniform traffic citations is made available to the public, because it comprises much of the same personal information contained in driver license and motor vehicle records, the protections afforded by the federal Driver's Privacy Protection Act of 1994 are significantly undermined, eroding the privacy and safety of drivers. Therefore, the Legislature finds that it is a public necessity to make exempt from public records requirements driver information contained in uniform traffic citations.

Section 4. This act shall take effect July 1, 2022.
