Representative Fischer offered the following:

Amendment (with title amendment)

Remove lines 366-396 and insert:

(7) PREEMPTION AUTHORITY.-

(a) The regulation of public lodging establishments and public food service establishments, including, but not limited to, sanitation standards, licensing, inspections, training and testing of personnel, and matters related to the nutritional content and marketing of foods offered in such establishments, is preempted to the state. This paragraph does not preempt the authority of a local government or local enforcement district to conduct inspections of public lodging and public food service establishments for compliance with the Florida Building Code and

the Florida Fire Prevention Code, pursuant to ss. 553.80 and 633.206.

(b)1. A local law, ordinance, or regulation may not prohibit vacation rentals or regulate the duration or frequency of rental of vacation rentals. This paragraph does not apply to any local law, ordinance, or regulation adopted on or before June 1, 2011, including when such law, ordinance, or regulation is amended to be less restrictive or to comply with the local registration requirements provided in this paragraph. Notwithstanding paragraph (a), a local law, ordinance, or regulation may require the registration of vacation rentals with a local vacation rental registration program. Local governments may adopt a vacation rental registration program pursuant to subparagraph 3. and impose a fine for failure to register under the vacation rental registration program. However, a local government must waive the fine if the vacation rental becomes registered under a vacation rental registration program within 30 days after receiving notice of the fine and deficiency.

2. A local government may not charge a fee for processing a registration application, except for local governments that adopted vacation rental registration fees on or before the effective date of this act, which may be amended to be reduced or eliminated, but may not be increased. A local law, ordinance, or regulation may not require renewal of a registration more than once per year. However, if there is a

change of ownership, the new owner may be required to submit a new application for registration.

Between lines 814 and 815, insert:

Section 22. The Division of Law Revision is directed to replace the phrase "the effective date of this act" wherever it occurs in this act with the date this act becomes a law.
