DECLARATION OF RAY C. SCHROCK, P.C.
IN SUPPORT OF APPLICATION OF DEBTORS FOR
AUTHORITY TO RETAIN AND EMPLOY WEIL, GOTSHAL & MANGES
LLP AS ATTORNEYS FOR DEBTORS EFFECTIVE AS OF PETITION DATE

Pursuant to 28 U.S.C. § 1746, I, Ray Schrock, P.C., hereby declare as follows:

1. I am a partner of the firm of Weil, Gotshal & Manges LLP ("**Weil**" or the "**Firm**"), an international law firm with principal offices at 767 Fifth Avenue, New York, New York 10153; and regional offices in Washington, D.C.; Houston and Dallas, Texas; Miami, Florida; Boston, Massachusetts; Princeton, New Jersey; Redwood Shores, California; and foreign offices in London, United Kingdom; Frankfurt and Munich, Germany; Paris, France; Beijing, Hong Kong and Shanghai, China.

2. I submit this declaration (this "**Declaration**") in connection with the application submitted on the date hereof (the "**Application**") of Kabbage, Inc. d/b/a KServicing and its affiliated debtors, as debtors and debtors in possession (collectively, the "**Debtors**") in the above-captioned chapter 11 cases (the "**Chapter 11 Cases**"), for authority to employ and retain

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable are: Kabbage, Inc. d/b/a KServicing (3937); Kabbage Canada Holdings, LLC (N/A); Kabbage Asset Securitization LLC (N/A); Kabbage Asset Funding 2017-A LLC (4803); Kabbage Asset Funding 2019-A LLC (8973); and Kabbage Diameter, LLC (N/A). Kabbage is a trademark of American Express used under license; Kabbage, Inc. d/b/a KServicing is not affiliated with American Express. The Debtors' mailing and service address is 925B Peachtree Street NE, Suite 383, Atlanta, GA 30309.

Weil as their attorneys, effective as of October 3, 2022 (the "**Petition Date**"), at its normal hourly rates in effect from time to time and in accordance with its normal reimbursement policies, in compliance with sections 327(a), 328, 329, and 504 of title 11 of the United States Code (the "**Bankruptcy Code**"), and to provide the disclosure required under Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), and Rules 2014-1 and 2016-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "**Local Rules**"). Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein. To the extent any information disclosed herein requires amendment or modification upon Weil's completion of further review, or as additional information regarding parties in interest becomes available, a supplemental declaration will be submitted to the Court reflecting such amended, supplemented, or otherwise modified information.

3. Neither I, Weil, nor any partner of, counsel to, or associate of the Firm represents any entity other than the Debtors in connection with these Chapter 11 Cases. In addition, except as set forth herein, to the best of my knowledge, after due inquiry, neither I, Weil, nor any partner of, counsel to, or associate of the Firm represents any party in interest in these Chapter 11 Cases in matters related to these Chapter 11 Cases.

Weil's Disclosure Procedures

4. Weil, which employs approximately 1,100 attorneys, has a large and diversified legal practice that encompasses the representation of many financial institutions and commercial corporations. Weil has in the past represented, currently represents, and may in the future represent entities that are claimants or interest holders of the Debtors in matters unrelated to the Debtors' pending Chapter 11 Cases. Some of those entities are, or may consider themselves

to be, creditors or parties in interest in these pending Chapter 11 Cases or to otherwise have interests in these cases.

5. In preparing this Declaration, Weil used a set of procedures developed by Weil to ensure compliance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules regarding the retention of professionals by a debtor under the Bankruptcy Code (the "**Firm Disclosure Procedures**"). Pursuant to the Firm Disclosure Procedures, Weil performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain Weil's connection to such parties:

a. A comprehensive list of the types of entities that may have contacts with the Debtors was developed through discussions with the Weil attorneys who have provided services to the Debtors and in consultation with the advisors to and senior management of the Debtors (the "**Retention Checklist**"). A copy of the Retention Checklist is annexed hereto as **Exhibit 1**.

b. Weil obtained information responsive to the Retention Checklist through several inquiries of the Debtors' senior management and advisors and review of documents provided by the Debtors to Weil. Weil then used that information, together with other information identified by Weil, to compile a list of the names of entities that may be parties in interest in these Chapter 11 Cases (the "**Potential Parties in Interest**").

c. Weil maintains a master client database as part of its conflict clearance and billing records. The master client database includes the names of the entities for which any attorney time charges have been billed since the database was first created (the "**Client Database**"). The Client Database includes the names of all current and former clients, the names of the parties who are or were related or adverse to such current and former clients, and the names of the Weil personnel who are or were responsible for current and former matters for such clients. Weil's policy is that no new matter may be accepted or opened within the Firm without completing and submitting to those charged with maintaining the conflict clearance system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the name of the matter, adverse parties, and, in some cases, parties related to the client or to an adverse party. Accordingly, the database is updated for every new matter undertaken by Weil. The accuracy of the system is a function of the completeness and accuracy of the information submitted by the attorney opening a new matter.

d. Weil compared the names of each of the Potential Parties in Interest to client matters in the Client Database for which professional time was recorded during the two years prior to the comparison.[2] Any matches to names in the Client Database generated by the comparison were compiled, together with the names of the respective Weil personnel responsible for the identified client matters (the "**Client Match List**").

e. A Weil attorney then reviewed the Client Match List and deleted obvious name coincidences and individuals or entities that were adverse to Weil's clients in both this matter and the matter referenced on the Client Match List.

f. Using information in the Client Database concerning entities on the Client Match List and making general and, if applicable, specific inquiries of Weil personnel, Weil verified that it does not represent and has not represented any entity on the Client Match List in connection with the Debtors or these Chapter 11 Cases.

g. In addition, a general inquiry to all Weil personnel (attorneys and staff) was sent by electronic mail before the filing of these Chapter 11 Cases to determine whether any such individual or any member of his or her household (i) owns any debt or equity securities of the Debtors; (ii) holds a claim against or interest adverse to the Debtors; (iii) is or was an officer, director, or employee of the Debtors; (iv) is related to or has any connections to Bankruptcy Judges in the District of Delaware; or (v) is related to or has any connections to anyone working in the Office of the United States Trustee for the District of Delaware (the "**U.S. Trustee**").

<u>Weil's Connections with Debtors</u>

6. Weil compiled responses to the foregoing inquiries for the purposes of preparing this Declaration. Responses to the inquiry described in paragraph 5(g) above reflect that, as of the Petition Date, no Weil personnel or member of the household of any Weil personnel holds any claims against, stock of, or other interests in the Debtors[3] and that no such individuals held any significant employment with the Debtors, or is related to or has any connections to anyone

[2] For purposes of the Firm Disclosure Procedures, Weil considers an entity a "former client" if professional time was recorded within the past two years, but all matters for such client have been closed. Because the Firm Disclosure Procedures only reflect client activity during the past two years, matches to client matters outside that timeframe are not reflected in this Declaration.

[3] Certain Weil personnel or members of households of Weil personnel may unknowingly hold stock or other interests in the Debtors in blind, discretionary accounts, or mutual funds.

working in the Office of the U.S. Trustee. Certain Weil attorneys, including attorneys working on this matter, have previously clerked or otherwise worked with Bankruptcy Judges in the District of Delaware. Further, since February 28, 2022, Holly Loiseau has been the General Counsel and Secretary of Kabbage, Inc. d/b/a KServicing. Prior to joining the Debtors, Ms. Loiseau was employed by and a partner at Weil. Ms. Loiseau's employment at Weil ended December 31, 2021.

7. Weil previously represented Credit Suisse as agent in connection with a warehouse lending facility with one or more of the Debtors. The facility was repaid in November 2019. Since that time, the Debtors have done no further work for Credit Suisse on that matter.

8. Weil has rendered, among other services, corporate, litigation, and restructuring-related legal services to the Debtors since April 2022. Since that time, Weil has advised the Debtors concerning their operations, disputes with key stakeholders, and strategic restructuring alternatives. Most recently, Weil provided the services necessary to enable the Debtors to commence these Chapter 11 Cases. Weil, working together with Richards, Layton & Finger, P.A. ("**RLF**"), was primarily responsible for the preparation of the Debtors' chapter 11 petitions, initial motions for "first day" relief, and applications relating to these Chapter 11 Cases and their commencement.

Weil's Connections with Parties in Interest in Matters Unrelated to These Chapter 11 Cases

9. Either I, or an attorney working under my supervision, reviewed the connections between Weil and the clients identified on the Client Match List and the connections between those entities and the Debtors. After such review, either I, or an attorney working under my supervision, determined, in each case, that Weil does not hold or represent an interest that is adverse to the Debtors' estates and that Weil is a "disinterested person" as such term is defined in

section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, for the reasons discussed below.

10. Weil previously represented, currently represents, and may represent in the future the entities described below (or their affiliates) in matters unrelated to the Debtors or these Chapter 11 Cases.

11. Disclosures relating to all other categories on the Retention Checklist, annexed hereto as **Exhibit 2** (the "**Disclosure Schedule**"), are the product of implementing the Firm Disclosure Procedures. Weil has not represented, does not represent, and will not represent any entities listed on the Disclosure Schedule in matters directly related to the Debtors or these Chapter 11 Cases.

12. An entity is listed as a "**Current Client**" on the Disclosure Schedule if Weil has any open matters for such entity or a known affiliate of such entity and attorney time charges have been recorded on any such matters within the past two years. An entity is listed as a "**Former Client**" on the Disclosure Schedule if Weil represented such entity or a known affiliate of such entity within the past two years based on recorded attorney time charges on a matter, but all matters for such entity or any known affiliate of such entity have been formally closed.

13. To the best of my knowledge and information, the annual fees for each of the last two (2) years paid to Weil by any party listed on the Disclosure Schedule or its affiliates on an aggregate basis did not exceed 1% of the Firm's annual gross revenue.

14. In addition to the foregoing, through diligent inquiry, I have ascertained no connection, as such term is used in section 101(14)(C) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and Bankruptcy Rule 2014(a), between Weil and (i) the U.S. Trustee or any person employed thereby, (ii) any attorneys, accountants, or financial

consultants in these Chapter 11 Cases, except as set forth herein and on the Disclosure Schedule or (iii) any investment bankers that represent or may represent the Debtors or claimants or other parties in interest in these Chapter 11 Cases, except as set forth herein. As part of its practice, Weil appears in cases, proceedings, and transactions involving many different attorneys, accountants, financial consultants, and investment bankers, some of which now or may in the future represent the Debtors, claimants, and other parties in interest these cases. Weil does not have any relationship with any such attorneys, accountants, financial consultants, or investment bankers that would be adverse to the Debtors or their estates.

15. Additionally, the Debtors have no funded debt. Therefore, to the best of Weil's knowledge, Weil has not represented any entities that hold, or may in the future hold, certain of the Debtors' debt in beneficial accounts on behalf of unidentified parties. As a large firm, Weil may represent creditors/investors of parties interested in investing in one or more parties in interest in these cases. Weil does not believe these relationships represent interests adverse to a debtor.

16. Certain of the parties in interest or affiliates or subsidiaries of parties in interest in these Chapter 11 Cases are, were, or could be, from time to time, members or parties related to members of ad hoc group or official creditors' committees represented by Weil in matters unrelated to these Chapter 11 Cases. In such instances, Weil only represented, currently only represents, and will only represent the committee or group, and did not represent, does not represent, and will not represent the parties in their individual capacities.

17. Despite the efforts described herein to identify and disclose Weil's connections with the parties in interest in these Chapter 11 Cases, and because of the Debtors' numerous relationships, Weil is unable to state with certainty that every client relationship or other

connection has been disclosed. In this regard, Weil will continue to apply the Firm Disclosure Procedures. If any new material relevant facts or relationships are discovered or arise, Weil will promptly file a supplemental disclosure with the Court.

Weil is Disinterested

18. Based on the foregoing, insofar as I have been able to ascertain after diligent inquiry, I believe Weil does not hold or represent an interest adverse to the Debtors' estates in the matters upon which Weil is to be employed, and Weil is "disinterested" as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

Weil's Retainer, Rates and Billing Practices

19. During the 90 day period prior to the Petition Date, Weil received payments and advances in the aggregate amount of $6,133,888.13 for services performed and expenses incurred, and also to be performed and incurred, including in preparation for the commencement of these Chapter 11 Cases. A summary of payments invoiced and received by Weil in the 90 days prior to the Petition Date is set forth on **Exhibit 3** annexed hereto. As of the Petition Date, Weil held an advance payment retainer of 490,803.00, subject to any amounts Weil intends to apply against the retainer as set forth in paragraph 21 of the Application.

20. Weil intends to charge the Debtors for services rendered in these Chapter 11 Cases at Weil's normal hourly rates in effect at the time the services are rendered. Weil's current customary hourly rates, subject to change from time to time, are $1,250.00 to $1,950.00 for partners and counsel, $690.00 to $1,200.00 for associates and $275.00 to $495.00 for paraprofessionals.

21. Weil also intends to seek reimbursement for expenses incurred in connection with its representation of the Debtors in accordance with Weil's normal reimbursement policies, subject to any modifications to such policies that Weil may be required to make to comply

with orders of this Court, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the U.*S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (the "**Fee Guidelines**"). Weil's disbursement policies pass through all out-of-pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, with respect to duplication charges, Weil will charge $.10 per page for black and white copies and $.50 per page for color copies in accordance with Local Rule 2016-2(e)(iii). Similarly, as it relates to computerized research, Weil believes that it does not make a profit on that service as a whole, although the cost of any particular search is difficult to ascertain. Other reimbursable expenses (whether the service is performed by Weil in-house or through a third-party vendor) include, but are not limited to, facsimiles, overtime, overtime meals, deliveries, court costs, costs of food at meetings, transcript fees, travel fees, and clerk fees.

22. No promises have been received by Weil, or any partner, counsel, or associate thereof, as to payment or compensation in connection with these Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Fee Guidelines. Furthermore, Weil has no agreement with any other entity to share with such entity any compensation received by Weil or by such entity.

Coordination with Other Professionals for Debtors

23. Weil is aware that the Debtors have submitted, or intend to submit, applications to retain (i) RLF as co-counsel; (ii) Omni Agent Solutions, Inc. as claims and noticing agent, and separately, as voting agent; and (iii) AlixPartners LLP, as financial advisor. The Debtors may seek to retain additional professionals in the near term. Weil, together with the Debtors' management, intends to carefully monitor and coordinate efforts of all professionals

retained by the Debtors in these Chapter 11 Cases and will clearly delineate their respective duties so as to prevent duplication of effort, whenever possible.

Attorney Statement Pursuant to the Fee Guidelines

24. The following is provided in response to the request for additional information set forth in Paragraph D.1 of the Fee Guidelines.

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: No.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Response: Weil was formally engaged by the Debtors in April 2022. Weil's billing rates and material financial terms have not changed since the Debtors engaged Weil.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: Weil is developing a prospective budget and staffing plan for these Chapter 11 Cases. Weil and the Debtors will review such budget following the close of the budget period to determine a budget for the following period.

25. The foregoing constitutes the statement of Weil pursuant to sections 327(a), 328(a), 329, and 504 of the Bankruptcy Code and Bankruptcy Rules 2014(a) and 2016(b).

Conclusion

26. The Application requests approval of the Debtors' retention of Weil at Weil's normal hourly rates in effect at the time the services are rendered and in accordance with

Weil's normal reimbursement policies, subject to any modifications to such policies that Weil may be required to make to comply with orders of the Court, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Fee Guidelines. Subject to these terms and conditions, Weil intends to apply, pursuant to section 330 of the Bankruptcy Code, for allowance of compensation for professional services rendered in these Chapter 11 Cases and for reimbursement of actual and necessary expenses incurred in connection therewith in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the Fee Guidelines.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
