(k) A postsecondary institution shall conduct a financial literacy, entrepreneurship, and life skills workshop for a minimum of 5 hours during each ~~at the beginning~~ of the intercollegiate athlete's ~~first and third~~ academic years. Beginning with the 2023-2024 academic year, a postsecondary educational institution shall conduct such financial literacy, entrepreneurship, and life skills workshop within 120 days after an intercollegiate athlete transfers to the postsecondary educational institution. The workshop shall, at a minimum, include information concerning entrepreneurship, financial aid,

debt management, and a recommended budget for full and partial grant-in-aid intercollegiate athletes based on the current academic year's cost of attendance. The workshop shall also include information on time management skills necessary for success as an intercollegiate athlete and available academic resources. The workshop may not include any marketing, advertising, referral, or solicitation by providers of financial products or services.

(1) Any party in an agreement to compensate an intercollegiate athlete for the use of her or his name, image, or likeness may not use a postsecondary educational institution's mark without the express written consent of such postsecondary educational institution or the institution's designee.

(3) SUPPORT SERVICES FOR INTERCOLLEGIATE ATHLETES.—A postsecondary educational institution may provide contract review, tax preparation, and financial advisor services for all intercollegiate athletes. Any professional providing such services may not charge an intercollegiate athlete any fees or commissions, or require any compensation from such athlete. If the professional is an employee of the postsecondary educational institution, such professional may not be employed by, or have a conflicting contractual relationship with, a third party.
