[1] This Assumption Schedule contains executory contracts and unexpired leases proposed to be assumed by the Debtors for use by the Wind Down Estates in both the PPP Transfer scenario and the Post-Effective Date Servicing scenario. In the event the Debtors elect to pursue the PPP Transfer scenario, the Debtors reserve the right to file a proposed assumption schedule identifying additional executory contracts and unexpired leases to be assumed and assigned to third parties, as applicable. Alternatively, in the event the Debtors elect to pursue the Post-Effective Date Servicing scenario, the Debtors reserve the right to file a proposed assumption schedule identifying additional executory contracts and unexpired leases to be assumed for the benefit of the Wind Down Estates. This Assumption Schedule is being filed for informational purposes. Counterparties to any contracts or leases that are proposed to be assumed pursuant to the Plan will receive separate notice of the deadline to object to such assumption and the related cure amount.
