Thanks. We were able to download the documents.

Relatedly, we understand there was a data room set up for the transaction. Can you confer with your client about prioritizing production of the documents that were in that data room? The Debtors are most interested in obtaining those as soon as possible.

Thanks very much.

It was with activating account. We can keep trying but i think if you sent to Jordan instead of me, she can handle trying to get in separately.

Scott, we've been having trouble downloading the materials. Can you resend the link and send to Jordan Ollestad as well, who is on this email.

Thanks.
