Committee/Subcommittee hearing bill: Postsecondary Education & Workforce Subcommittee

Representative Eskamani offered the following:

Amendment (with title amendment)

Remove lines 78-581 and insert:

and (c). The mission alignment and strategic plan shall consider peer institutions at the constituent universities. The mission alignment and strategic plan shall acknowledge that universities that have a national and international impact have the greatest capacity to promote the state's economic development through: new discoveries, patents, licenses, and technologies that generate state businesses of global importance; research achievements through external grants and contracts that are comparable to nationally recognized and ranked universities; the creation of a resource rich academic environment that attracts

Draft Request# 87008

intellectual property, startup companies, annual giving, endowments, and well-known, highly respected national rankings for institutional and program achievements.

2. Consider reports and recommendations of the Florida Talent Development Council under s. 1004.015 and the Articulation Coordinating Committee under s. 1007.01.

3. Include student enrollment and performance data delineated by method of instruction, including, but not limited to, traditional, online, and distance learning instruction.

4. Include criteria for designating baccalaureate degree and master's degree programs at specified universities as high-demand programs of emphasis. The programs of emphasis list adopted by the Board of Governors before July 1, 2021, shall be used for the 2021-2022 academic year. Beginning in the 2022-2023 academic year, the Board of Governors shall adopt the criteria to determine value for and prioritization of degree credentials and degree programs established by the Credentials Review Committee under s. 445.004 for designating high-demand programs of emphasis. The Board of Governors must review designated programs of emphasis, at a minimum, every 3 years to ensure alignment with the prioritization of degree credentials and degree programs identified by the Credentials Review Committee.

5. Include criteria for nondegree credentials.

(c) The Board of Governors shall develop an accountability plan for the State University System and each constituent

2. The bottom 10 percent of degrees reported by the university in terms of lowest full-time job placement and lowest average annualized earnings in the year after earning the degree.

(6) POWERS AND DUTIES RELATING TO PERSONNEL.—

(b) The Board of Governors may adopt a regulation requiring each tenured state university faculty member to undergo a comprehensive post-tenure review every 5 years and a post-tenure review at any time for cause. The board may include other considerations in the regulation, but the regulation must address all of the following:

1. Accomplishments and productivity.~~;~~

2. Assigned duties in research, teaching, and service.;

3. Performance metrics, evaluations, and ratings.~~; and~~

4. Recognition and compensation considerations, as well as improvement plans and consequences for underperformance.

5. Conditions that constitute cause for a post-tenure review under this paragraph, including, but not limited to, poor performance, negligence, inefficiency or inability to perform assigned duties, insubordination, violation of any applicable law or rule, conduct unbecoming a public employee, misconduct, drug abuse, or conviction of any crime.

Section 2. Subsection (3) of section 1001.7065, Florida Statutes, is amended, and paragraph (m) is added to subsection (2) of that section, to read:

board. The president and the board are not required to consider recommendations or opinions of faculty of the university or other individuals or groups.

(a) The board of trustees may delegate its hiring authority to the president; however, the president may not delegate such hiring authority to anyone outside of the executive management team of the president's office.

(b) A state university may not solicit pledges, except pledges to uphold general and federal law, the United States Constitution, and the State Constitution, or statements or commitments for or against certain viewpoints about diversity, equity, and inclusion, Critical Race Theory rhetoric, or political identity or ideology, as part of any hiring, promotion, disciplinary, or evaluation process, including as part of applications for employment, promotion and tenure applications, conditions of employment, job qualifications, job descriptions, or performance evaluations, or as part of any admissions or student disciplinary process, including as part of any admissions applications or orientations. This paragraph applies to all students and employees at the university, including the president of the university.

(2) Each state university board of trustees may, at the request of its chair, review any faculty member's tenure status based on the considerations adopted in Board of Governors regulation pursuant to s. 1001.706(6)(b).

organization, or state university direct-support organization may not ~~shall~~ expend any funds, regardless of source, to purchase membership in, or goods and services from, any organization that discriminates on the basis of race, color, national origin, sex, disability ~~gender~~, or religion.

(2) A Florida College System institution, state university, Florida College System institution direct-support organization, or state university direct-support organization may not expend any state or federal funds to promote, support, or maintain any programs or campus activities that:

(a) Promote the concepts listed in s. 1000.05(4)(a);

(b) Advocate for diversity, equity, and inclusion;

(c) Promote or engage in political or social activism; or

(d) Include or espouse, as government speech or expressive activity of the Florida College System institution or state university or its direct-support organization speaking or acting on the Florida College System institution's or state university's behalf, preferential treatment or special benefits to individuals on the basis of race, color, national origin, sex, disability, or religion.

Student fees to support student-led organizations are permitted notwithstanding any speech or expressive activity by such organizations that would otherwise violate this subsection, provided that the public funds must be allocated to student-led

becoming more complex given its exposure to transformative trends in the economy and environment. The purpose of the institute is to respond to the ever-evolving insurance and risk management industry and the present and emerging needs of the state and its residents. The goals of the institute are to:

(1) Pursue technological innovations that advance risk valuation models and operational efficiencies in the insurance industry.

(2) Drive the development of workforce competencies in data analytics, system-level thinking, technology integration, entrepreneurship, and actuarial science.

(3) Leverage the University of Central Florida's world class assets in data science, artificial intelligence, computer science, engineering, finance, economics, and sales.

(4) Take advantage of the University of Central Florida's robust portfolio of academic program offerings and draw on faculty and industry experts in diverse fields, including actuarial science, computer science, economics, engineering, environmental science, finance, forensics, law, management, marketing, and psychology.

(5) Develop and offer risk management and insurance education, including education that recognizes risks in areas such as the environment, pandemic disease, and digital security.

(6) Offer programs, workshops, case studies, and applied research studies that integrate technology and artificial

(a) Provide students with access to an interdisciplinary hub that will develop academically rigorous scholarship and coursework on the origins of the American system of government, its foundational documents, its subsequent political traditions and evolutions, and its impact on comparative political systems ~~Motivate students throughout the Florida State University to become aware of the significance of government and civic engagement at all levels and politics in general~~.

(b) Encourage civic literacy in the state through the development of educational tools and resources for K-12 and postsecondary students that foster an understanding of how individual rights, constitutionalism, separation of powers, and federalism function within the American system of government ~~Provide students with an opportunity to be politically active and civically engaged~~.

(c) Model civic discourse that recognizes the importance of viewpoint diversity, intellectual rigor, and an evidence-based approach to history ~~Nurture a greater awareness of and passion for public service and politics~~.

(d) Plan and host forums to allow students and guests to hear from exceptional individuals who have excelled in government, industry, or civic engagement to highlight the possibilities created by individual achievement, philanthropic ideals, and entrepreneurial vision ~~and interact with experts~~

~~institutions of higher education to motivate, increase, and sustain citizen involvement in public affairs.~~

Section 8. Subsection (3) is added to section 1004.64991, Florida Statutes, to read:

1004.64991 The Adam Smith Center for the Study of Economic Freedom.—

(3) In order to carry out the goals outlined in subsection (2), the center is authorized to:

(a) Hire the necessary faculty and staff.

(b) Enroll students.

(c) Develop curriculum and offer new courses, including honors courses, certificates, and major and minor programs.

(d) Award degrees.

(e) Hold events, including fundraisers.

(f) Fulfill other actions approved by the president of the university.

(g) Generate resources based on student credit hour enrollment in the same manner as a college within the university.

Section 9. Subsection (3) of section 1007.25, Florida Statutes, is amended to read:

1007.25 General education courses; common prerequisites; other degree requirements.—

(3) The chair of the State Board of Education and the chair of the Board of Governors, or their designees, shall

~~(c) General education core courses may not distort significant historical events with misleading or incorrect presentations of fact and must not include curriculum that is based on or otherwise utilizes pedagogical methodology associated with Critical Theory, including, but not limited to, Critical Race Theory, Critical Race Studies, Critical Ethnic Studies, Radical Feminist Theory, Radical Gender Theory, Queer Theory, Critical Social Justice, or Intersectionality, as defined in rules and regulations of the State Board of Education and the Board of Governors, respectively.~~

(~~c~~d) Beginning with students initially entering a Florida College System institution or state university in 2015-2016 and thereafter, each student must complete at least one identified core course in each subject area as part of the general education course requirements. Beginning in the 2022-2023 academic year and thereafter, students entering a technical degree education program as defined in s. 1004.02(13) must complete at least one identified core course in each subject area as part of the general education course requirements before a degree is awarded.

d(~~e~~) All public postsecondary educational institutions shall offer at least one general education core course in each of the identified subject areas and accept ~~these~~ courses as meeting general education core course requirements upon the transfer of credit for such course regardless of whether the

selection and reappointment of specified personnel; providing requirements for certain employment contracts and responsibilities; requiring state university presidents to annually present specified information to such boards; amending s. 1004.06, F.S.; prohibiting certain entities from expending specified funds for certain purposes; providing exceptions; authorizing the State Board of Education and the Board of Governors to adopt certain rules and regulations, respectively; creating s. 1004.3841, F.S.; creating the Institute for Risk Management and Insurance Education within the College of Business at the University of Central Florida; requiring the institute to be located in a specified county; providing goals of the institute; amending s. 1004.6496, F.S.; conforming a provision to changes made by the act; amending s. 1004.6499, F.S.; renaming the "Florida Institute of Politics" as the "Florida Institute for Governance and Civics"; revising the goals of the institute; amending s. 1004.64991, F.S.; authorizing the Adam Smith Center for the Study of Economic Freedom within Florida International University to take specified actions; amending s. 1007.25, F.S.; revising the duties and responsibilities of specified faculty committees relating to general education core
