Hi Sal,

I've also been discussing general approach with S&C, as we discussed, and S&C will reach out to Weil to discuss this all more holistically.

Best,
Regina

Regina – I followed up internally after our discussion on Friday. K-Servicing is OK with providing you a scenario matrix and some more detailed portfolio information per your request to kickstart some discussion about future servicing options. We will get started on that this week. We also are OK conceptually with signing an NDA to protect the discussions from disclosure and thought it might make the most sense if AmEx/S&C circulated something first that you think would provide the scope of protection you are looking for in this context. Are you/S&C OK with taking the first draft of the NDA?

Many Thanks,
Sal
