according to the conditions stated below.
Positive values indicate excess collateral and may be requested provided that
the conditions stated below continue to be met.

Conditions

Cash must be used to satisfy at least 40% of the total requirement, unless the requirement is $10,000 or less in which case the entire contribution is required to be in cash

The remaining required deposit can be satisfied by cash, U.S. Treasury securities, government agency securities and mortgage-backed securities issued by government agencies or entities sponsored by the federal government, subject to applicable concentration limits and haircuts as contained in NSCC's Rules
