Good Morning,

I filed the motion with E.D.V.A. it was received yesterday. I also saw that PACER indicated the draft I sent to you was uploaded and filed. I am assuming you did that? I wanted to say thank you.

Thank you,

Robert Stewart

No, I don't upload or file in PACER, and I didn't receive a draft from you?

Good morning- I was not working, Thursday-yesterday. When did you send the draft motion to me? I do not see an email with the attachment?

Good afternoon Ofc. Suleiman,

I trust that you are well. Did you happen to receive the draft motion regarding termination of the supervised release?

I know you can not concur with the motion, however do you feel it represents the current case? I am happy to make any modifications prior to filing the document.

It is my hope to file it either the end of the week or beginning of next week. I will ensure you get a copy of the filed document.

Robert

At a glance, it's certainly impressive as a pro se motion.

Yes, unsure why it didn't get to me, except someone who opened it for screening may have assumed it went to the Clerk's Office since the probation office wouldn't receive those motions for filing.
