II. Basis for Jurisdiction

Federal Courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in Federal Court: cases involving a federal question and cases involving diversity of citizenship of the parties Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state or nation and the amount at stake is more than $75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any Plaintiff

relief sought. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

1. Any argument based on and in adverse to this Complaint having deadline breeches: In Reply the Plaintiff believes he has to file this complaint and is based on the 4 years deadline to bring a complaint against the USA Government. Date being from the time Plaintiff first became aware of and time to seek those benefits offered and applied to the first date when plaintiff filed for relief under the Pandemic Unemployment Assistance claim seeking benefits being 4yrs from the date of an appointment Plaintiff attended at the IRS Federal Building located in Reno Nevada when Plaintiff first became aware of the PUA benefits being offered and no other time limits are to be in considered even the 4 year end of PUA comes near. That time of 4 years is being July 2024. And is nowhere even close to being or having lapsed.

2. Plaintiff became aware of the PUA Assistance while attending an IRS interview to verify his identity in late July 2021.

3. Plaintiff sent in an application for PUA Assistance to the Defendant EDD. AUGUST 22, 2021.

4. Plaintiff requested a retro effective date to be applied to the in issue claim March 2020 when his unemployment began and allowed under the title 22 FCR

5. Plaintiff has not applied for extended benefits. Plaintiff only asking for the added $600 weeks directed that number reduced to $300 weeks that was allowed by the President.

6. Damages exceeding and shown within record are reasonable and logical and caused in the course of actions "**locus standi**"

7. Plaintiff went through ALJ hearing that was Appealed by Defendant CUIAB

8. Plaintiff won Appeal in decision dated Sep 23rd 2022 from CUIAB " eligible for benefits payable"

9. Thus evidenced in Exhibits Index accordingly and attached as Exhibit "A" page 4

10. Exhibit "B" is admitted for review of the CUIAB having reversed its own prior decision and is in violation of rules set within page 4 of Exhibit "B" and is also within Exhibit "A" page 5 titled "Further Appeal Information"

11. The Plaintiff is fully aware of the contemptuous nature of the following statements if its interpretation are misunderstood and begs for excused neglect from the Court if the Court feels the Plaintiff is being in contempt.

12. The Plaintiff assuring the Court that the Plaintiff has the highest and deepest respect and in no way is the Plaintiff mocking or disrespecting the Court or the Parties in any way.

13. While those having interest in The Court's decision and wish to adjourn to intercourse while debating the correct decisions in its findings on what awards regarding Plaintiff's claim and how easily this complaint is decided upon.

14. Extending over the course of time and how those discussions will roll over into panel discussions having great weight and influence

15. During which time and for all Branches of Government where that question of intelligence, actions taken of those being accused, judgment in satisfactory monetary amounts of the total awards "in issue damages" and who is liable for causing the delay, and who is to be found "liable for culpable negligence factually caused" and held accountable for the remaining amounts of any awarded damages arising and continuing until a satisfactory amount is offered and accepted for early resolution during negotiations where mediation may be ordered.

16. Amongst these determining factors Plaintiff is fully aware of the Court's entire scope of this action being **"am, is, are, was, were, be, being, been, have, has, had, do, does, did, may, might, must, can, could, will, would, shall, and should** the Court find and determining the Plaintiff's request and seeking an appropriate amount for a just judgment within the Plaintiff's Complaint(s) when, not if, due process according to the rules of evidence are admitted.

17. An amount that is incontestable and justified! Not for any form of pressuring those making their determination nor is any attempt made to cause a public outrage by the Plaintiff who seeks only a fair and just accounting and will determine its satisfaction to resolve any attempts by any of the Parties who may seek an appeal by either sides in interest. And those who might be held to repay those amounts.

18. Plaintiff wishes those reviewing to consider an adage Plaintiff's Grandmother had relayed amongst the many stories shared before her passing and thus questioning the Plaintiff's intelligence and if researched properly would find Plaintiff's lineage is quite vast!

19. Extending through out many Published Articles and Books as fiction and non fiction stories located on uncountable shelves within the archives of literature including those of Law, and genealogy

20. A fact after any investigation. Thus when final analysis is performed the Court will make their determination with a fair amount while basing that amount by today's standards of economic finalizing.

21. After a short tale shall be comprehended from the highest of those in society to the vast outnumbering and common form of status which I personally am induced to reside in this most unfortunate moment in history.

22. One who is trying to stay warm yet by far not illiterate to say the least, nor do I wish to pass judgment to those as to how one perceives their own knowledge in any social setting and the language and vocabulary being thus used. So All the world may "understand"!

Plaintiff's **Intendment:**

There are 3 forms of branches that make up a government and always at debate. Where each branch currently sits in form of this debate is who is, and always be in charge of running the entire body and are always seeking praise and recognition:

1. The 1st is the Brain, the 2nd the Heart, and 3rd is the Stomach. Always arguing who pray tell is running the body?
2. Where those readers may place one another within this tale is not up to the Plaintiff nor does the Plaintiff wish any reader be contemptuous upon his person in making their determination.
3. Only that the one reader put themselves as one of the three forming a single body in perspective. As an individual in whole. So that any reader may immerse themselves while reading.
4. The brain argues: "If not for me one could not think and therefore how would the heart know to pump blood or to even eat? Therefore I should be in charge!"

5. The heart then replies "If not for my pumping blood through out the body the brain would not receive oxygen nor the sustaining nutrients to survive and how would the stomach be even able to digest food? So I should be in charge!
6. The stomach laughs and says gentlemen please if I may? If I did not break up the food and distribute it through the body how could the blood even carry what both of you need to survive! Therefore it is I the stomach who is the true leader and that is why I should be running the Body!
7. Now as these 3 continue for days on end one day the brain says I cannot think it is to hot I cannot regulate the temperature properly I don't know what to do? The heart says it's not my fault I cannot beat steadily and cannot slow my pace? The stomach somebody do something I'm going to vomit and if something is not done quick the Body is going to perish help!!
8. That is when the three above hear a trumpet sounding while breaking the wind and In comes a foul smell the 3 have been ignoring! All earlier cries to enter the debate have been silenced!
9. The Colon loudly and directly stopping all! Now in demand of the attention thus received!
10. "You see" the colon gently barks out as the gust of wind glides effortless through the doors and fills the air! Deafening the halls being used and now breeched the doors kept closed for reasons of debate!
11. "While you three continue arguing I the Colon have shut down! Where I will no longer listen to the three of you until all three of your worthless mouths stop arguing and finally work together! Being the only incontestable fact that if not for me the Colon all three of you and this entire body would whither away and die!

12. Base this tale while you still ponder your discussions as to the intelligence of the Plaintiff' and the evidence that is contained and indexed properly in review. While deciding an award that is fair and just.

13. Index of Exhibits are attached and categorized for review

This is the final decision by the Appeals Board. The Appeals Board has no authority to reconsider this decision. If you disagree with the decision, please refer to the information attachment which outlines your rights.

LANCE D ALVARADO
5719 MAYO CT
SUN VALLEY, NV 89433-7036

Date Mailed: 9/21/2022

Case No.: **AO-460751**
Claimant: **LANCE D ALVARADO**

The claimant appealed from the decision of the administrative law judge that held the claimant was not eligible for Pandemic Unemployment Assistance under the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(ii) (March 27, 2020) and Code of Federal Regulations, title 22, section 625.5(c).

ISSUE STATEMENT

We adopt the administrative law judge's issue statement.

FINDINGS OF FACT

We adopt the administrative law judge's findings of fact, with the exception of the words "but no compensation." We add the following.

In addition to room and board, the claimant's employer agreed to pay for tuition for the claimant to attend paralegal courses.

When the claimant returned to his place of work after the stay-at-home order was lifted in California, he was locked out of his place of work, which was also the place where he lived. The claimant's possessions were outside the door, and there was a notice on the door stating that there was no entry due to Covid-19. The person for whom the claimant provided caregiving services was high risk for Covid-19.

The person for whom the claimant provided caregiving services had paid part, but not all of the claimant's tuition for paralegal courses.

REASONS FOR DECISION

We adopt the paragraphs one, two, five, and six of the administrative law judge's reasons for decision and add the following in reversing the appealed decision.

Section 1336 of the Unemployment Insurance Code provides, in part, that the Appeals Board may affirm, reverse, modify, or set aside the decision of the administrative law judge.

For purposes of sections 1252 and 1279, "wages" includes any and all compensation for personal services, including work as an independent contractor. (Unemployment Insurance Code, section 1252(c) and 1279(c).)

In this case, the claimant received compensation for personal services in the form of room and board, as well as payment of tuition. This constitutes wages. Assuming the claimant was an employee, his place of employment closed as the direct result of Covid-19 in that he was locked out due to the Covid-19 public health emergency. (Section 2102 (a)(3)(A)(ii)(I)(jj).) Assuming the claimant was an independent contractor, the claimant also stopped working due to the pandemic. (Section 2102 (a)(3)(A)(ii)(I)(kk).) Accordingly, the claimant is eligible for benefits under sections 2102(a)(3)(A)(ii)(I)(jj) and Section 2102 (a)(3)(A)(ii)(I)(kk).

On appeal, the claimant argues that his claim should be backdated. This issue is not before us and must be addressed by the Employment Development Department (EDD). The California Unemployment Insurance Appeals Board is separate from the EDD. Should the claimant wish to backdate his claim, he must contact the EDD. The EDD may be reached by telephone at 1-800-300-5616, online at www.edd.ca.gov/unemployment, or by mail at EDD, P.O. Box 826880-UIPCD MIC40, Sacramento, CA, 94280-0001.

The claimant also argues on appeal that the record is incomplete and requests additional documents. We decline the claimant's request in that there are sufficient documents on which to base this decision on the record as it stands.

The claimant also asserts arguments based on various contractual theories (unjust enrichment, color of law, impossibility, unconscionability, excuse of performance, error in judgement, anticipatory repudiation or breach, detrimental reliance), and also on res ipsa loquitur. We do not find these arguments to be applicable to the issue before us.

The claimant also argues on appeal that he was not paid all the monies due to him by the person for whom the claimant provided caregiving services. The claimant's work was performed in Nevada. For information on collecting unpaid wages, the claimant can look at the Nevada Labor Commissioner website located at https://labor.nv.gov/About/Forms/FORMS_FOR_EMPLOYEES/ or call (775) 684-1890.

The claimant makes substantially the same contentions as those made during the hearing. These arguments were considered by the administrative law judge and treated adequately. After carefully studying the record, we cannot say that the administrative law judge's findings are against the weight of the evidence.

Therefore, the findings will not be disturbed on appeal. (Precedent Decisions P-B-10 and P-T-13.)

The claimant has submitted additional evidence and requests that we consider it. The additional evidence is the claimant's June 23, 2022 Social Security Statement, a Stratford Career Institute bill dated January 20, 2020, an August 21, 2021 letter from the EDD regarding the claimant's online account, and an undated notice from the EDD to the claimant regarding the end of the Federal Pandemic Unemployment Assistance and Pandemic Additional Compensation Programs. In these adjudicative proceedings, any relevant evidence may be admitted if it is the sort of evidence on which responsible persons are accustomed to relying on in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. (Cal. Code Regs., tit. 22, § 5062(e).) We decline to admit the additional evidence as the documents are not relevant to the issue before us.

DECISION

The decision of the administrative law judge is reversed. The claimant is eligible for Pandemic Unemployment Assistance under the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(ii) (March 27, 2020) and Code of Federal Regulations, title 22, section 625.5(c). Benefits are payable provided the claimant is otherwise eligible.

FURTHER APPEAL INFORMATION

The Appeals Board's decision is final and can be changed only by action of a judicial court. (Unemployment Insurance Code section 410.) The Appeals Board cannot reconsider or set aside the enclosed decision. (37 Ops.Cal.Atty.Gen.133.)

If you wish to appeal the enclosed decision, you may seek review in Superior Court by filing a **Petition for Writ of Mandate** against the California Unemployment Insurance Appeals Board (Appeals Board) pursuant to section 1094.5 of the Code of Civil Procedure.

The Appeals Board does not process petitions for court review. **You must file such petitions directly with the Superior Court not later than six (6) months after the date of the decision of the Appeals Board. You must also serve a copy of the Petition for Writ of Mandate on the Appeals Board** at its headquarters, 2400 Venture Oaks Way, Suite 100, Sacramento, California 95833. Service of the Petition must comply with legal requirements set forth in the Code of Civil Procedure, sections 414 to 415.95.

The Appeals Board does not pay benefits, handle claims or claim forms, or collect overpayments. Date Mailed: 6/27/2023

Case No.: AO-471295
Claimant: LANCE D ALVARADO

The claimant appealed from the decision of the administrative law judge that held the claimant not eligible for unemployment insurance benefits under section 602 of the Unemployment Insurance Code beginning August 22, 2021.

We have carefully and independently reviewed the record in this case, and have considered the contentions raised on appeal. We find no material errors in the issue statement or in the findings of fact. As modified, the reasons for decision properly apply the law to the facts. Therefore, we adopt the issue statement, the findings of fact and the modified reasons for decision as our own.

We modify the reasons for decision by changing the word "ranges" to "wages" at page five, paragraph 4, line one.

On appeal, the claimant makes general due process objections. Under section 1334(a) of the Unemployment Insurance Code, the parties shall be afforded "a reasonable opportunity for a fair hearing." A fundamental requisite of due process of law is the opportunity to be heard. At a minimum this requires that a party have timely and adequate notice of the proposed action and the issues to be discussed at the hearing, as well as an effective opportunity to present one's own evidence, confront or cross-examine adverse witnesses and make final arguments. (*Goldberg v. Kelly* (1970) 397 U.S. 254.) After a careful review of the record, we have found no due process violations which would necessitate a new hearing.

On appeal, the claimant contends that the administrative law judge did not apply the law correctly. The claimant asserts that we should adopt his interpretation of the law that because he was present in California from March to May of 2020, he should be eligible for benefits in California. Based on our review of the record, we find that the administrative law judge correctly applied the law to the facts in this matter. We concur with the conclusions reached.

On appeal, the claimant argues that the administrative law judge incorrectly interpreted the facts. In reviewing appeals from decisions of administrative law judges, this Board follows the principle that the findings of the trier of fact who heard the testimony and observed the witnesses in the proceedings below will not be disturbed unless they are against the weight of the evidence. Since we find no material error in this case, we will not substitute our judgment for that of the administrative law judge. (Precedent Decision P-B-10.)

The claimant makes substantially the same contentions as those made during the hearing. These arguments were considered by the administrative law judge and treated adequately. After carefully studying the record, we cannot say that the administrative law judge's findings are against the weight of the evidence. Therefore, the findings will not be disturbed on appeal. (Precedent Decisions P-B-10 and P-T-13.)

It is unclear why the claimant has not opened a claim for unemployment insurance benefits or pandemic unemployment assistance in Nevada. A claim for benefits in Nevada may be opened through the on-line portal at https://ui.nv.gov/css.html or via telephone at (775) 684-0350 or via facsimile at (775) 684-0338 or in person at Nevada Department of Employment, Training and Rehabilitation (DETR) 500 East Third Street, Carson City, NV 89713.

We acknowledge that the claimant's circumstances have caused significant hardship. However, eligibility for benefits is not based on need but rather upon specific requirements set forth in the law. As we are bound to follow the law, the decision of the administrative law judge will be affirmed.

The claimant testified that he was homeless for a time. In that the claimant is currently located in Nevada, he may access social services through https://idcnv.dwss.nv.gov/nidp/idff/sso?id=13&sid=0&option=credential&sid=0&target=https%3A%2F%2Faccessnevada.dwss.nv.gov%2FACNVServices%2Fapi%2Faccount%2Fauthenticate%3FtargetURL%3D%2Faccess%2Fdashboard%2Fdashboard-launch or by dialing 311 or by dialing (775) 684-7200.

Any further questions should be directed to the Employment Development Department (EDD). The claimant can contact EDD by phone, Monday through Friday 8 a.m. to 5 p.m., at 1-800-300-5616 (English), or 1-800-326-8937 (Spanish), or by addressing mail to EDD, P.O. Box 826880 - UIPCD, MIC 40, Sacramento, CA 94280-0001. Information and further guidance may also be found through EDD's website www.edd.ca.gov/unemployment.

The decision of the administrative law judge is affirmed. The claimant is not eligible for benefits under code section 602. Benefits are denied as provided in the appealed decision.

FURTHER APPEAL INFORMATION

The Appeals Board's decision is final and can be changed only by action of a judicial court. (Unemployment Insurance Code section 410.) The Appeals Board cannot reconsider or set aside the enclosed decision. (37 Ops.Cal.Atty.Gen.133.)

ISSUE STATEMENT

The claimant appealed from a determination that held the claimant not eligible for benefits under Unemployment Insurance Code section 602. The issue in this case is whether the claimant performed services in California covered employment and whether the claimant's employment was localized in California.

FINDINGS OF FACT

The claimant filed a PUA claim with the EDD in California effective 8-22-21. The claim information states that the EDD found base period wages in Nevada.

Before the claimant filed his claim he lived in California in March 2020 and left in May 2020. He was living with his mother in California. He left to go back to Nevada where he had been living and working since 1997.

He had been a live in caretaker for a veteran named George Paine in Nevada for 2 years from 2018 through 2020. He last worked 3-15-20. He went to go see his mother in Wheatland, California near Marysville and Yuba City to take time off work. He got paid room and board at George Paine's home and George Paine paid his tuition for the Stratford Online University. George Paine gave him funding once or twice a month to help Mr. Paine gamble at the Casino. He applied to get paid wages but the annual budget was not finalized in 2018 and 2019 which was pending and does not know if they were approved.

The EDD found wages in the base period of his claim from his Nevada employment. He did not file a claim in Nevada because he helped his friend move in Oklahoma in June 2020 and flew back to Nevada in July 2020. The last time he filed a claim in Nevada was in 2008.

He filed a PUA claim in California because his interpretation was that he could file in the state he was affected by covid, and he was affected with the travel ban in California when he was at his mothers' home from March 2020 until May 2020.

While he was in California he applied to be a Google guide on the internet, to show where he traveled and to rate businesses where he traveled in 2021 in Northern California. He is not a Google employee; he is an independent contractor.

He asked his Cecilia Bredesen is his mother's caretaker to do repairs at her home for payment but as an independent contractor work but he has not done any work and has not been paid because she has financial problems.

In 2021 he worked in Nevada for Sani-Hut for one week in September. He could not work more because he had a gallbladder surgery. He received a 1099 from that work for about $200.

He has not filed a PUA claim in Nevada because he was hoping the California EDD approve his claim because he read that the EDD has to pay PUA claims.

The claimant's mother was a witness at the hearing and confirmed that the claimant was living with her in 2020. She confirmed he had documents that researched to do a business and tried to find out the start up costs and food products prices. He has a tablet of about 20 pages with this information. He applied with Smart Foods but did not finish the application for credit for the proposal he was going to pitch. He left her residence because he had been there for more than 3 months from the end of April through the beginning of May 2022 and the landlord notified her that she was only allowed guests for 2 weeks. He stayed with her because he lost his employment in Nevada and there was a travel ban during the onset of the covid pandemic.

The claimant's mother's care giver Cecilia testified that she has been her caregiver for about 3 or 4 years through present, paid through the IHSS platform. She confirmed that when the claimant was in California in May 2020 off and on at his mother's she saw him working on the computer on his appeal. She confirmed that he told her he had worked in the past as a restoration specialist and he asked if he could work for her. He came to her home to see the work to be performed but she could not hire him due to financial problems. She still needs the work done. She is still waiting for him to perform the work.

The claimant contends that section 602 applies to his case on the basis that the California governor had control over his location in California when the governor ordered a travel ban in 2020 during the covid pandemic which kept the claimant in California when he was affected by the covid pandemic.

REASONS FOR DECISION

California Unemployment Insurance Code Section 602 provides:

"Employment" includes an individual's entire service performed within, or both within and without, this State if:

(a) The service is localized in this State; or

(b) The service is not localized in any state but some of the service is performed in this State and (1) the base of operations, or, if there is no base of operations, then the place from which such service is directed or controlled, is in this State; or (2) the base of operations or place from which such service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State.

Except as otherwise provided by law, the burden of proof requires proof by a preponderance of the evidence. (Evidence Code, section 115.) Preponderance of the evidence simply requires proof that a matter in question is more likely to be true than not true. (Precedent Decision P-T-493.)

Unemployment insurance benefits are based on wages paid in the base period of a claim. The standard base period of a claim with a benefit year beginning in July, August, or September is the four consecutive quarters which ended the preceding March. (Unemployment Insurance Code, section 1275(a).)

Board, lodging, or any other payment in kind, received by an employee in addition or in lieu of cash wages, is wages on the basis of a reasonably estimated cash value to the employee which shall not be less than the bona fide value stipulated in a union agreement or employment contract, or, the value established as the basis of the employer's compliance with minimum wage law. (California Code of Regulations, title 22, section 926-3(a)(1).)

To be eligible for Pandemic Unemployment Assistance, an individual must not be eligible for regular unemployment compensation or extended benefits under State or Federal law or for Pandemic Emergency Unemployment Compensation (PEUC) under section 2107 of the CARES Act, including an individual who has exhausted all rights to regular unemployment compensation or extended benefits under State or Federal law and for PEUC under section 2107 of the CARES Act. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(i) (March 27, 2020) 15 United States Code section 9021(a)(3)(A)(i).)

In the present matter, there is no dispute that the claimant was temporarily residing in California in 2020 from about March or April 2020 through about May 2020. Also, the evidence shows that the claimant was researching how to start a business when he was in California but did not finish the application. The evidence shows that he became an internet travel host on the Google platform while he was in California however he has not been paid and is not an employee. The claimant offers the legal argument that since he was living in California when he was affected by the pandemic, he meets the "service" elements in section 602. These facts and arguments were considered.

However, since the claimant did not work as a W2 employee in California during the four consecutive quarters which ended the preceding March, he does not have California wages in the base period of his claim. (Unemployment Insurance Code, section 1275(a).) .

Therefore, the claimant does not meet the "service" element in the state of California under section 602, therefore, section 602 does not apply. Google does have locations in most states including California, which meet the "base of operation" element of section 602, however, since he did not perform employment "services" for Google, he does not meet the "service" element in section 602 and section 602 does not apply.

However, although the evidence shows that he was residing and searching for work in California when the pandemic began in 2020, and although this would usually be sufficient to establish a California footprint and attachment to its labor market, since the evidence shows that he performed services and had registered wages in the state of Nevada from his employment with George Paine during the four consecutive quarters which ended the preceding March, he meets eligibility to file a claim in Nevada and therefore does not meet the eligibility criteria for a PUA claim in California. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(i) (March 27, 2020) 15 United States Code section 9021(a)(3)(A)(i).)

Finally, the EDD did find registered ranges in the Nevada system; the claimant was compensated by room and board, and board, lodging, or any other payment in kind, received by an employee in addition or in lieu of cash wages, is wages on the basis of a reasonably estimated cash value to the employee which shall not be less than the bona fide value stipulated in a union agreement or employment contract, or, the value established as the basis of the employer's compliance with minimum wage law. (California Code of Regulations, title 22, section 926-3(a)(1).)

Therefore, unfortunately the PUA claim is not covered by the EDD in California under section 602.

DECISION

The notice of determination is affirmed. The claimant is not eligible for PUA benefits under California Unemployment Insurance code section 602. PUA benefits are denied.

The claimant is referred to file a claim in Nevada. He can present his filing documents for a PUA claim in California to see if he can use it to establish a retroactive claim filing date in Nevada. LOA:scm2/6

vs.

Lance Delon Alvarado,
Adverse Party.

Case No. FV11-04096

Dept. No. DM

EX PARTE MOTION AND AFFIDAVIT

The above-named Applicant/Adverse Party, hereby moves the Court to grant the following relief:

_____ Extension of Order for Protection

_____ Modification of Order for Protection

✓ Dissolve the Order for Protection

_____ Order to Show Cause

_____ Other: _____

This motion is made for the following reasons:

Thank you for this opportunity to respond to the following TPO that has been placed upon me Mr Lance Alvarado.

I have been living out of a suitcase for the past 5 months after

being illegally evicted from our home of 10 yrs 1408 Shady Oak dr Sparks NV 89434. For taking a break from a heated dispute over personal and financial obligations that started affecting our children and extended family. Numerous calls to the police have been recorded. I would keep the peace by taking breaks and leave to be a guest of a friend until we would be able to talk rationally about our situation From Sep 6 2011 thru Oct 26 2011 I have been in the state of Wisconsin working. Upon my return my wife blocked all access to our financial records and blocked contact between my children and myself, Then Filed a TPO instead of facing reality of our families current situation Thank you for helping

This document does not contain the Social Security Number of any Person.

our family thru this crisis. I would like to have this court explain to my wife her actions are confusing to all involved. I would like to work things out as to keep the peace in our home. Thru counseling if need be or file a joint petition for divorse, where I may be in our home to gather information and assess our current situation and work together for a resolution both of us may agree upon. Finally I will have no choice but to file a Divorce complaint packet. I am in no way a perfect man, husband or father. I make mistakes like all persons, Spouces, and parents everywhere. I am not a wife beating child abuser as claimed. I have been seeing my therapist Dr Huggins in hope to control my depression these events have caused. In no way do I wish to break this TPO order that has been placed. I in no way wish to harrass or harm my wife or children in any way. Her avoiding these issue privetly I wrongfully turned to numerous calls to her employment in an effort to discuss and form a plan to help our family move forward For the benefit of all of us. It is the holidays, what a better time to come together than now. Please abolish this order so I may return home to my wonderful family and work together rather than be seperated causing, fear, doubt, and anger by the both of us Jacqueline and myself. Thank you.

II. Basis for Jurisdiction

Federal Courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in Federal Court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state or nation and the amount at stake is more than $75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same state as any plaintiff.

What is the basis for Federal Court jurisdiction? *(check all that apply)*

I believe this Order should issue because:

Explain why you believe the order should be granted.

CAPERTON *et al.* v. A. T. MASSEY COAL CO., INC., *et al.*
certiorari to the supreme court of appeals of west virginia
No. 08-22. Argued March 3, 2009--Decided June 8, 2009
(a) The Due Process Clause incorporated the common-law rule requiring recusal when a judge has "a direct, personal, substantial, pecuniary interest" in a case, *Tumey* v. *Ohio*, , but this Court has also identified additional instances which, as an objective matter, require recusal where "the probability of actual bias on the part of the judge or decisionmaker is too high to be constitutionally tolerable," *Withrow* v. *Larkin*, . Two such instances place the present case in proper context. Pp. 6-11.

(1) The first involved local tribunals in which a judge had a financial

interest in a case's outcome that was less than what would have been considered personal or direct at common law. In *Tumey*, a village mayor with authority to try those accused of violating a law prohibiting the possession of alcoholic beverages faced two potential conflicts: Because he received a salary supplement for performing judicial duties that was funded from the fines assessed, he received a supplement only upon a conviction; and sums from the fines were deposited to the village's general treasury fund for village improvements and repairs. Disqualification was required under the principle that "[e]very procedure which would offer a possible temptation to the average man as a judge to forget the burden of proof required to convict the defendant, or which might lead him not to hold the balance nice, clear and true between the State and the accused, denies the latter due process of law." 273 U. S., at 532. In *Ward* v. *Monroeville*, , a conviction in another mayor's court was invalidated even though the fines assessed went only to the town's general fisc, because the mayor faced a " ' possible temptation' " created by his "executive responsibilities for village finances." *Id.*, at 60. Recusal was also required where an Alabama Supreme Court justice cast the deciding vote upholding a punitive damages award while he was the lead plaintiff in a nearly identical suit pending in Alabama's lower courts. *Aetna Life Ins. Co.* v. *Lavoie*, . The proper constitutional inquiry was not "whether in fact [the justice] was influenced," *id.*, at 825, but "whether sitting on [that] case ... ' "would offer a possible temptation to the average ... judge to ... lead him not to hold the balance nice, clear and true," ' " *ibid.* While the "degree or kind of interest ... sufficient to disqualify a judge ... '[could not] be defined with precision, ' " *id.*, at 822, the test did have an objective component. Pp. 7-9.

ADVERSE PARTY ASKS READER TO SUBSTITUTE THE WORD "DEFENDANT" WITH "APPLICANT" IN REGARDS TO THIS CASE IN CONTEXT TO POINTS ARGUED

(2) The second instance emerged in the criminal contempt context, where a judge had no pecuniary interest in the case but had determined in an earlier proceeding whether criminal charges should be brought and then proceeded to try and convict the petitioners. *In re Murchison,* . Finding that "no man can be a judge in his own case," and "no man is permitted to try cases where he has an interest in the outcome," *id.*, at 136, the Court noted that the circumstances of the case and the prior relationship required recusal. The judge's prior relationship with the defendant, as well as the information acquired from the prior proceeding, was critical. In reiterating that the rule that "a defendant in criminal contempt proceedings should be [tried] before a judge other than the one reviled by the contemnor," *Mayberry* v. *Pennsylvania,* , rests on the relationship between the judge and the defendant, *id.*, at 465, the Court noted that the objective inquiry is not whether the judge is actually biased, but whether the average judge in his position is likely to be neutral or there is an unconstitutional " 'potential for bias,' " *id.*, at 466. Pp. 9-11

(b) Because the objective standards implementing the Due Process Clause do not require proof of actual bias, this Court does not question Justice Benjamin's subjective findings of impartiality and propriety and need not determine whether there was actual bias. Rather, the question is whether, "under a realistic appraisal of psychological tendencies and human weakness," the interest "poses such a risk of actual bias or prejudgment that the practice must be forbidden if the guarantee of due process is to be adequately implemented." *Withrow,* .

Explain specifically why you oppose or why you agree with the Motion or Request. If you agree with one part but disagree with another part of the Motion or Request, explain that also.

Adverse Party named above Lance Delon Alvarado opposes the Motion to Show Cause Filed by Applicants Attorney of record Caryn R Sternlicht Esq, of Washoe Legal Services, filed July 23 2012 as follows, Order for Protection issued December 8 2012 allows Adverse Party to text Applicant regarding children stated in Section 12 paragraph D Line 16, Adverse Part's text clearly regarding Applicant

attempt to revoke visitation of CHILDREN IN COMMON and stating ACTION THAT HAS BEEN TAKEN, objection to Masters recommendation regarding visitation of CHILDREN IN COMMON, Adverse Party filing said objection July 23 2012, Master's modified Order For Protection CLEARLY STATING on Lines 18 thru 20, all prior orders remain in effect, Adverse Party also opposing fees to be granted to Washoe Legal Services after Masters comment that Attorneys are not required for civil matters during hearing July 17, 2012, after Adverse Party asking for same relief not granted. OBJECTION TO ORDER AFTER HEARING DENYING OBJECTION TO MASTERS RECOMMENDATIONS

ADVERSE PARTY ABOVE NAMED LANCE DELON ALVARADO OBJECTS TO THE ORDER DENYING OBJECTION FILED AUGUST 29 2012.

THAT THE ABUSE OF DISCRETION BY HONERABLE BRIDGETT ROBB PECK PERTAINING TO ANY BIAS THE COURT HAS PREVIOUSLY SHOWN ALONG WITH HER DEFANITION REGARDING CSN ARTICLE 1 SEC 9 FREEDOM OF SPEECH IS IN ERROR.

THAT THE COURTS CONTINUES TO AIDE AND ABED APPLICANT BY AWARDING MOTIONS, ALIENATING CHIDREN, ABATEMENT OF ADVERSE PARTY, MALICIOUS PROCECUTION WITH CONVICTION, WHILE DENYING ALL MOTIONS SUBMITTED BY ADVERSE PARTY AND ALLOWING LOWER COURTS TO PROSECUTE AND CONVICT ADVERSE PARTY FOR USING NOT ABUSING THE EXCEPTIONS WITHIN THE EXTENDED ORDER FOR PROTECTION ISSUED DEC 8 2011

ADVERSE PARTY MOVES TO STRIKE THE ORDER FOR SUPERVISED VISITATION

ADVERSE PARTY MOVES TO STRIKE THE EXTENDED ORDER FOR PROTECTION ENTIRELY FOR THE FAILURE TO PROVIDE DEFINATIVE PROOF THAT AN ACT OF DOMESTIC VIOLENCE IN THE PAST HAS EVEN OR EVER OCCURRED, FOR THE FACT THAT IT HAS NOT.

ADVERSE PARTY AFFIRMS THAT THERE ARE MANY FORMS OF ABUSE AND WISHES TO

CONVEY TO THE COURT THE ONLY ACTS OF DOMESTC VIOLENCE OCCURING ARE THOSE THAT THIS COURT CONTINUES TO COMMIT AGAINST THE ADVERSE PARTY NAMED ABOVE LANCE DELON ALVARADO

CSN ARTICLE 1 SEC 9 CLEARLY STATES THE RIGHT OF FREEDOM OF SPEECH IS GRANTED ON ALL SUBJECTS BEING REASONABLE FOR THE ABUSE OF THAT RIGHT AND NO LAW SHALL BE PASSED TO ABRIDGE THAT RIGHT.

ADVERSE PARTY ARGUES THAT THE EXTENDED ORDER FOR PROTECTION VIOLATES HIS INELIABLE RIGHTS GRANTED UNDER CSN ARTICLE 1 SECTION 9 PREVENTING THE DISCUSSION OF ADULT ISSUES WITH HIS CHILDREN VIOLATING ANOTHER INELIABLE RIGHT UNDER CSN ARTICLE 1 SECTION 4 AND ADVERSE PARTIES RELIGIOUS BELIEF AND OBLIGATION TO TEACH HIS CHILDREN THAT AUDULTRY, THEFT, SLANDER, AND LYING ARE WRONGFUL ACTS

TO CONVEY TO HIS CHILDREN HIS BELIEF THAT THE ABUSE OF LAW THAT IS MEANT FOR VICTIMS OF DOMESTIC VIOLENCE. AN ACT THAT THIS COURT HAS FAILED TO PROVE DEFINATIVLY REGARDING APPLICANT'S INITIAL COMPLAINT FILED NOVEMBER 8 2011, IGNORING THE MULTIPAL FALSE STATEMENTS WITHIN AND ALLOWING PERJURY TO BE COMMITED WHILE FAILING TO RECOGNIZE ADVERSE PARTIES RESPONSE FILE NOVEMBER 28 2011 AND THE ACTS OF DOMESTIC VIOLENCE COMMITED AGAINST ADVERSE PARTY DENYING ADVERSE PARTY DUE PROCESS AND CONDEMMING HIS USE OF CSN ARTICLE 1 SECTION 9 IN HIS DEFENCE OF CSN ARTICLE 1 SECTION 1, THAT EVERY PERSON HAS INELIABLE RIGHTS UNDER THE CONSTITUTION AND HOLDS THE RIGHT TO DEFEND ALL RIGHTS HELD WITHIN.

THAT CHILDREN ARE OLD ENOUPH TO REPORT ANY ABUSE TO AUTHORITIES, USING NUMEROUS MEANS AT ANY TIME THEY SEE FIT. NOT THRU COORESION OF AUTHORITY.

IF APPLICANT WISHES TO FILE A TORT IN ANOTHER FORUM FOR SLANDER OR DEFAMATION OF CHARACTER IT IS WELL WITHIN HER RIGHTS TO DO SO FOR ISSUES ADVERSE PARTY DISCUSSES WITH CHILDREN PRIVATLY.

THE COURT HAS NO AUTHORITY TO DENY ADVERSE PARTY'S USE OF HIS INELIABLE RIGHTS UNDER CSN ARTICLE 1 SECTION 9 OR ORDER SUPERVISED VISITATIONS, WHEN NO THREATS OF VIOLENCE ARE CONVEYED.

THAT APPLICANT'S PLACE OF EMPLOYMENT GRANTING ITS AFFILIATES DISCOUNTS FOR SERVICES PROVIDED AND POSSIBLE PRIVATE CONTRIBUTIONS, AND AFFILIATES APPLYING FOR FEDERAL GRANTS SOUGHT TO FUND PROGRAMS REQUIRING PROGRESS REPORTS FOR ACTIONS TAKEN TO RECEIVE SAID GRANTS, 112 CONGESS 125 STAT. 370 PUBLIC LAW 112-34-SEPT. 30, 2011 IS SUFFICIANT EVIDENCE TO SUSTAIN OBJECTION TO MASTERS RECOMMENDATION AND ACKNOWLEDGE RESPONSE TO APPLICANTS SUPPLIMENT FOR ORDER TO SHOW CAUSE FILED AUGUST 6 2012 GRANTING CERTIORARI

CAPERTON *et al.* v. A. T. MASSEY COAL CO., INC., *et al.*
certiorari to the supreme court of appeals of west virginia
No. 08-22. Argued March 3, 2009--Decided June 8, 2009
(a) The Due Process Clause incorporated the common-law rule requiring recusal when a judge has "a direct, personal, substantial, pecuniary interest" in a case, *Tumey* v. *Ohio*, 273 U. S. 510, 523, but this Court has also identified additional instances which, as an objective matter, require recusal where "the probability of actual bias on the part of the judge or decisionmaker is too high to be constitutionally tolerable," *Withrow* v. *Larkin*, 421 U. S. 35, 47. Two such instances place the present case in proper context. Pp. 6-11.

(1) The first involved local tribunals in which a judge had a financial interest in a case's outcome that was less than what would have been considered personal or direct at common law. In *Tumey*, a village mayor with authority to try those accused of violating a law prohibiting the possession of alcoholic beverages faced two potential conflicts: Because he received a salary supplement for performing judicial duties that was funded from the fines assessed, he received a supplement only upon a conviction; and sums from the fines were deposited to the village's general treasury fund for village improvements and repairs. Disqualification was required under the principle that "[e]very procedure which would offer a possible temptation to the average man as a judge to forget the burden of proof required to convict the defendant, or which might lead him not to hold the balance nice, clear and true between the State and the accused, denies the latter due process of law." 273 U. S., at 532. In *Ward* v. *Monroeville*, 409 U. S. 57, a conviction in another mayor's court was invalidated even though the fines assessed went only to the town's general fisc, because the mayor faced a " ' possible temptation' " created by his "executive responsibilities for village finances." *Id.*, at 60. Recusal was also required where an Alabama Supreme Court justice cast the deciding vote upholding a punitive damages award while he was the lead plaintiff in a nearly identical suit pending in Alabama's lower courts. *Aetna Life Ins: Co.* v. *Lavoie*, 475 U. S. 813. The proper constitutional inquiry was not "whether in fact [the justice] was influenced," *id.*, at 825, but "whether sitting on [that] case ... ' "would offer a possible temptation to the average ... judge to ... lead him not to hold the balance nice, clear and true," ' " *ibid.* While the "degree or kind of interest ... sufficient to disqualify a judge ... '[could not] be defined with precision, ' " *id.*, at 822, the test did have an objective component. Pp. 7-9.

ADVERSE PARTY ASKS READER TO SUBSTITUTE THE WORD "DEFENDANT" WITH "APPLICANT" IN REGARDS TO THIS CASE IN CONTEXT TO POINTS ARGUED

(2) The second instance emerged in the criminal contempt context, where a judge had no pecuniary interest in the case but had determined in an earlier proceeding whether criminal charges should be brought and then proceeded to try and convict the petitioners. *In re Murchison*, 349 U. S. 133. Finding that "no man can be a judge in his own case," and "no man is permitted to try cases where he has an interest in the outcome," *id.*, at 136, the Court noted that the circumstances of the case and the prior relationship required recusal. The judge's prior relationship with the defendant, as well as the information acquired from the prior proceeding, was critical. In reiterating that the rule that "a defendant in criminal contempt proceedings should be [tried] before a judge other than the one reviled by the contemnor," *Mayberry* v. *Pennsylvania*, 400 U. S. 455, 466, rests on the relationship between the judge and the defendant, *id.*, at 465, the Court noted that the objective inquiry is not whether the judge is actually biased, but whether the average judge in his position is likely to be neutral or there is an unconstitutional " 'potential for bias,' " *id.*, at 466. Pp. 9-11

(b) Because the objective standards implementing the Due Process Clause do not require proof of actual bias, this Court does not question Justice Benjamin's subjective findings of impartiality and propriety and need not determine whether there was actual bias. Rather, the question is whether, "under a realistic appraisal of psychological tendencies and human weakness," the interest "poses such a risk of actual bias or prejudgment that the practice must be forbidden if the guarantee of due process is to be adequately implemented." *Withrow*, 421 U. S., at 47.

ADVERSE PARTY RESPECTS AND IS THANKFUL FOR THE HARD WORK AND COMMITMENT THIS COURT STRIVES TO PROVIDE THE CITIZENS OF THE STATE OF NEVADA REGARDING PROTECTIONS AGAINST DOMESTIC VIOLENCE. ITS NEGLECT OF CSN ARTICLE 1 SECTION 20 IN IMPLEMENTING AND UNBALANCING THE SCALES OF JUSTICE IS OF GREAT CONCERN. THIS DEBATE MUST BE RECOGNISED AND DEALT WITH FAIRLY, EQUALLY, IMPARTIALLY AND WITHOUT PREJEDUCE NO MATTER IF YOU ARE THE APPLICANT OR THE ADVERSE PARTY. WITHIN THE JURISTICTION ANY COURT OF LAW.

DUE TO THE ACTIONS, NEGLECT, PURSUIT, MALICIOUS PROSECUTION WITH CONVICTION OF ALL INVOLVED WHO CONTINUE TO SLANDER, POSTPONE, COMPILE, AND PROMOTE SAID ACTIONS LEADING TO THE DEFACATION OF CHARACTER OF THE ADVERSE PARTY HAS CAUSED NUMEROUS DAMAGES.

IN RE: Complaint as to the CONDUCT OF Bruce E. HUFFMAN, Accused.

(OSB 94-187; SC S43743)

Argued and Submitted Jan. 5, 1998. -- May 27, 1999

The Bar alleged that the accused's conduct, described in the first cause of complaint, violated Code of Professional Responsibility Disciplinary Rule (DR) 1-102(A)(4) (prohibiting conduct prejudicial to the administration of justice), DR 7-102(A)(1) (prohibiting a lawyer from taking legal action if the lawyer knows or when it is obvious that such action merely would serve to harass or maliciously injure another), and DR 7-102(A)(2) (prohibiting a lawyer from knowingly advancing an unwarranted claim or defense).

Fair v. Tampa Electric Co., 158 Fla. 15, 18, 27 So.2d 514, 515 (1946). See Black's Law Dictionary 595 (rev. 5th ed.1979). In other words, extrinsic fraud occurs where a defendant has somehow been prevented from participating in a cause.

Intrinsic fraud, on the other hand, applies to fraudulent conduct that arises within a proceeding and pertains to the issues in the case that have been tried or could have been tried. This Court . has expressly held that false testimony given in a proceeding is intrinsic fraud.
We have stated that [i]f a judgment was obtained upon false testimony or a fraudulent instrument and the parties were heard, the evidence submitted to and received consideration by the court, then it may be said that the matter has been actually tried, or was so in issue that it might have been tried and the parties are estopped to set up an intrinsic or direct fraud to vitiate the judgment, because the judgment is the highest evidence and cannot be contradicted by the parties to it.

IN RE: Complaint as to the CONDUCT OF Bruce E. HUFFMAN

IN RE: Complaint as to the CONDUCT OF Bruce E. HUFFMAN, Accused.

(OSB 94-187; SC S43743)

Argued and Submitted Jan. 5, 1998. -- May 27, 1999

The Bar alleged that the accused's conduct, described in the first cause of complaint, violated Code of Professional Responsibility Disciplinary Rule (DR) 1-102(A)(4) (prohibiting conduct prejudicial to the administration of justice), DR 7-102(A)(1) (prohibiting a lawyer from taking legal action if the lawyer knows or when it is obvious that such action merely would serve to harass or maliciously injure another), and DR 7-102(A)(2) (prohibiting a lawyer from knowingly advancing an unwarranted claim or defense).

Fair v. Tampa Electric Co., 158 Fla. 15, 18, 27 So.2d 514, 515 (1946). See Black's Law Dictionary 595 (rev. 5th ed.1979). In other words, extrinsic fraud occurs where a defendant has somehow been prevented from participating in a cause.

Intrinsic fraud, on the other hand, applies to fraudulent conduct that arises within a proceeding and pertains to the issues in the case that have been tried or could have been tried. This Court . has expressly held that false testimony given in a proceeding is intrinsic fraud.
We have stated that [i]f a judgment was obtained upon false testimony or a fraudulent instrument and the parties were heard, the evidence submitted to and received consideration by the court, then it may be said that the matter has been actually tried, or was so in issue that it might have been tried and the parties are estopped to set up an intrinsic or direct fraud to vitiate the judgment, because the judgment is the highest evidence and cannot be contradicted by the parties to it.

United States District Court For The Eastern District of California

Case #_____

Plaintiff's Ex-Parte Declaration

4 pages

This Declaration is meant for every single person, citizen, soldier, or worker worldwide who are currently performing and or judging others. To remember All!
Who either gave their life voluntarily or were forced into service for their individual part now being used for or against any individual who is under no obligation or contract seeking no approval or wealth for their own personal gain In Stature
Who are Under duress and pressured by Peers for Approval and in saying that then are Played, Used, or Given While In Performance for themselves performing and acting out of commitment to their family and neighbors no matter the Government, Corporation, and or Religion while in that Service and doing their individual Duty in their everyday life for the good of their Country, and Family whether or not they believed in the cause they volunteered for or were forced in argument or fighting, or the individual who gave all While Alive and sacrificed the only thing left being their own end
To know that they are Not and Never Will Be Forgotten!

Only the End Seeking That Very Knowledge that Benefits All Life while leaders seek answers while in service within their own trials. Answers of Origin in this known Universe, extending and encompassing All Universes numbering in Infinity seemingly now awaiting and on the **verge of Collapse**
Thus The End of Time and Existence as GOD KNOWS it is Forever coming near and will be over just as fast as another life is started!

The Plaintiff is very aware and very knowledgeable voicing a feeling of concern as why to merit a **coerced filing** of **complaint** out of the very need of the promised **financial freedom** and cause

by those whom obviously fumbled distribution and being tardy in its accounting nor apologetic to those affected by their mishandling and appropriating out of greed and now being easily usurped and taken away after the Plaintiff's legal leap frog over the Superior Court of California whom eagerly joined in the illegal "insider corporate trading" of "trust funds" and now again being taken by corrupt greedy lawyers! Who advertise their help to assist and hurry aid efforts of Disaster relief funding to those wronged and still await! Is there no conscious left amongst State Employed Servants while they continue robbing and Intercepting Federal Funds while raising taxes on those they lie to while in service?

Wondering if the Plaintiff's sacrifices have closed any chance of his enjoyment of the **fruits of his labor only in seeking peace and harmony moving forward** or will it give rise to his **ability and clear the path? Opening new experiences including a comfortable retirement that was usurped and lost long ago?**

Through and by way of the **Plaintiff's own actions when eyes remained shut and bodies openly continue to deceive the American people and the** cultures it welcomes with open arms and then enslaved every day while in service!

By the **Plaintiff's own hands and without worry and doubt now questions honesty of his Government in its offer to compensate for its intrusion and honor his claim only to once again be handcuffed and fearing further jail and the slavery within after crying out for help that was ignored and used in the past to limit** the Plaintiff's **own ability to create wealth** and the **pride generated** from a **justly earned income** that **provides for his family** and again landing in another now **unfamiliar Courtroom**

Where Plaintiff has **lost all faith** of giving any such **credibility to any Court** after the Plaintiff's **abrogation** in former relations within the **state judicial courtroom** walls and their **version** of **justice** being only to **inflict cruelty** to **those whom are aware** of Judicial **abuses of discretion** and made known to All within those **past Records of Cases** when or **if ever reviewed** leaving no question of their **deceitful attempts to hide** their true intent to grab power! When in reality the Judicial Branch's only purpose is to **balance power** given to the **Executive and Legislative** branches of Government **not over throw** them

The **Plaintiff's own pursuit of happiness again stopped** after securing and **protecting** his own interests while being goaded into yet another **fight in a Courtroom** where Plaintiff's **own financial freedom was promised and is yet again dangled in front of him like meat to a starving dog while others around laugh and cheer!**

Plaintiff Demanding the intent of this Court be given or its prejudice made known to the Plaintiff while awaiting the responses of unknown Parties after being served notice of the Plaintiff's Complaint?

Plaintiff's honesty, in a venue full of legal fictions, barricading any chance in his **moving forward** in that Pursuit **of happiness, proving that such relief is only a fairy tale written to deceive and not promised in truth!**

Promises again at risk of their deceitful nature being unveiled. What will the scholars keep or cast aside to hide the truths written in this Declaration?

Plaintiff **does not seek** an open **blank check**
nor will any such
satisfaction be obtained with the **mere insignificant amount promised** within the Plaintiff's PUA Unemployment Insurance Complaint in **record** now **before the Court** after so long a wait with not even a penny given by the Unemployment Insurance or EDD to date!

Insurance Corporate Power that was used to rip apart the Plaintiff's family after **Plaintiff gave notice in an effort of protection and was indeed recorded. Plaintiff's intent to take legal action if the abuses to his wife continued in Nevada many years ago.** Where Insurance began to shower his wife and the Judicial Branch with riches and private investigations were hired and reigned upon the Plaintiff within State of Nevada and abroad!

Nevada State Government and employees throughout cities, townships, departments, including affiliates only growing stronger in their absolutism over their citizens now extending through out every state in the Union!

Why should the Plaintiff **"accredit" this Court** with this knowledge of Plaintiff's **in issue complaint over culpable negligence factually caused?**

Plaintiff is fully aware of this **Complaints full value** to All and does hereby pledge his **unwavering support** for his **Country** yet **will voice his concerns without hesitation.**

Plaintiff will not be played a fool any longer **nor will The Plaintiff sit and stand aside** while awaiting the Courts decision and arrival of much needed disaster relief

How is Plaintiff going to continue without funds and pay for his intrusion into the place the Plaintiff is located, while this Complaint can conform to the proper standards this Court expects. Plaintiff is only studying and not in practice and is merely a guest!

Praying for the needed disaster relief be released while debates over liability and the costs in issue or "guilt of crime or sin" go on and continue to be argued while so many still suffer financially and while Plaintiff awaits a just offer be made for early resolution having Judicial Economy in mind

For every individual reader including the Court while in review and reality that if indeed "SIN" did smell like smoke!

Every individual, every building block, element, natural or produced, artificial or giving birth to its culture and living and believing in themselves during their own free individual life and currently living
WOULD INDEED STINK!

Sincerely
Lance Delon Alvarado

BOARD APPEAL APPLICATION AND BRIEF

CUIAB

LANCE DELON ALVARADO IN PROPER PERSON vs. CAIFORNIA UNEMOYMENT INSURANCE BOARD (EDD)	Case No. 7471886 BOARD APPEAL

LOS ANGELES
OFFICE OF APPEALS
2023 MAR 14 AM 10: 14

This appeal is filed March 14th 2023, prior to the 30 day deadline to file. Mar 16th 2023.

Appellant above named LANCE DELON ALVARADO Objects to the indefinite failure of issue and in performance appeals the decision dated Feb 14th 2023 in case # 7471886 affirming the notice of determination dated Nov 16th 2022.

The determination found the Appellant ineligible for Federal PUA benefits under California unemployment insurance code (CUIC) section 602.

The Appellant petitions the Board to award a Bill of Exception Pro Interresse Suo Ab Initio with regard to all records relied upon either public and private, while affecting all incumbrancer for the benefit of both parties in anticipation of all future actions arising in rem including the record held CUIAB Appeal # AO-460751 as relied upon CUIC section 410, (37 Ops. Cal. Attny. Gen. 133)

Appellant objecting to the findings of facts within the decision rendered by the ALJ and mailed Feb 14, 2023. Appellant was unaware that the ALJ conducting the hearing held February 3rd 2023 was unable to reference Appellant's entire PUA CLAIM ab initio including the Appellant's prior filings and Board Appeal. Decisions

Terms underlined have the writer's meaning given them for reference in the Revised Fourth Edition Black's Law Dictionary

The ALJ's February 14th 2023 decision which Infer Informal Information that creates SPEAKINFG DEMURRERS as evidenced on numerous occasions within the ALJ Finding of fact could be misinterpreted. Appellant needs the ALJ to clarify within the decision's Reason For Decision section page 5 paragraph 4 line one "ranges"? Appellant asking the ALJ if an honest clerical mistake having occurred and to edit the word to "wages" or is the Appellant to prepare an actual legal argument in defense of the definition reflecting a right to a row or tier of townships in a division of a state?

Appellant requests that the Board run the ABC and Borello tests to determine Appellants status employee or an Independent Contractor for the purpose of wages to be determined. (reliance on AO-460751 CA 410, (37 Ops. Cal. Attny. Gen. 133)

The Appellant is open to new ideas and remedies as to the ALJ's offer and referral however, according to 20 CFR section 625.12 defining applicable state as well as consequences of 20CFR 625.14(i) overpayments and fraud. Appellant wishes legal review before any such action would be considered or pursued by the Appellant and 410, (37 Ops. Cal. Attny. Gen. 133)

The ALJ referral is interpreted as an induced obreption for the Appellant to commit fraud where the Appellant DENOUNCES within his NEW WORK. Where INFERENTIAL FACTS decreed by the ALJ may be mistaken and interpreted as an acquisition of escheats under 20 CFR 625.14(i) for causing a fictitious DUA claim for retroactive benefits in Nevada. A state where Appellants unemployment was not the direct result of a disaster?

Unemployment Insurance places undue hardship upon claimants by finding claims ineligible of federal allotted funding for disaster relief using California unemployment insurance codes meant to estop and not open the doors of impediment resulting in second deliverance action after the misappropriation of PUA funding began in 2020 and still boiling over into 2023 while displaced claiments under duress continue to suffer.

Terms underlined have the writer's meaning given them for reference in the Revised Fourth Edition Black's Law Dictionary

Appellant moves to remand back to the ALJ for editing or reverse the decision from the hearing held February 3rd 2023, and dated March 14th 2023. Finding the Appellant eligible for PUA benefits payable.

of pleading here.

ISSUE STATEMENT

The claimant appealed from a determination that held the claimant not eligible for benefits under Unemployment Insurance Code section 602. The issue in this case is whether the claimant performed services in California covered employment and whether the claimant's employment was localized in California.

FINDINGS OF FACT

The claimant filed a PUA claim with the EDD in California effective 8-22-21. The claim information states that the EDD found base period wages in Nevada.

Before the claimant filed his claim he lived in California in March 2020 and left in May 2020. He was living with his mother in California. He left to go back to Nevada where he had been living and working since 1997.

He had been a live in caretaker for a veteran named George Paine in Nevada for 2 years from 2018 through 2020. He last worked 3-15-20. He went to go see his mother in Wheatland, California near Marysville and Yuba City to take time off work. He got paid room and board at George Paine's home and George Paine paid his tuition for the Stratford Online University. George Paine gave him funding once or twice a month to help Mr. Paine gamble at the Casino. He applied to get paid wages but the annual budget was not finalized in 2018 and 2019 which was pending and does not know if they were approved.

The EDD found wages in the base period of his claim from his Nevada employment. He did not file a claim in Nevada because he helped his friend move in Oklahoma in June 2020 and flew back to Nevada in July 2020. The last time he filed a claim in Nevada was in 2008.

He filed a PUA claim in California because his interpretation was that he could file in the state he was affected by covid, and he was affected with the travel ban in California when he was at his mothers' home from March 2020 until May 2020.

While he was in California he applied to be a Google guide on the internet, to show where he traveled and to rate businesses where he traveled in 2021 in Northern California. He is not a Google employee; he is an independent contractor.

He asked his Cecilia Bredesen is his mother's caretaker to do repairs at her home for payment but as an independent contractor work but he has not done any work and has not been paid because she has financial problems.

In 2021 he worked in Nevada for Sani-Hut for one week in September. He could not work more because he had a gallbladder surgery. He received a 1099 from that work for about $200.

He has not filed a PUA claim in Nevada because he was hoping the California EDD approve his claim because he read that the EDD has to pay PUA claims.

The claimant's mother was a witness at the hearing and confirmed that the claimant was living with her in 2020. She confirmed he had documents that researched to do a business and tried to find out the start up costs and food products prices. He has a tablet of about 20 pages with this information. He applied with Smart Foods but did not finish the application for credit for the proposal he was going to pitch. He left her residence because he had been there for more than 3 months from the end of April through the beginning of May 2022 and the landlord notified her that she was only allowed guests for 2 weeks. He stayed with her because he lost his employment in Nevada and there was a travel ban during the onset of the covid pandemic.

The claimant's mother's care giver Cecilia testified that she has been her caregiver for about 3 or 4 years through present, paid through the IHSS platform. She confirmed that when the claimant was in California in May 2020 off and on at his mother's she saw him working on the computer on his appeal. She confirmed that he told her he had worked in the past as a restoration specialist and he asked if he could work for her. He came to her home to see the work to be performed but she could not hire him due to financial problems. She still needs the work done. She is still waiting for him to perform the work.

The claimant contends that section 602 applies to his case on the basis that the California governor had control over his location in California when the governor ordered a travel ban in 2020 during the covid pandemic which kept the claimant in California when he was affected by the covid pandemic.

REASONS FOR DECISION

California Unemployment Insurance Code Section 602 provides:

"Employment" includes an individual's entire service performed within, or both within and without, this State if:
(a) The service is localized in this State; or

(b) The service is not localized in any state but some of the service is performed in this State and (1) the base of operations, or, if there is no base of operations, then the place from which such service is directed or controlled, is in this State; or (2) the base of operations or place from which such service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State.

Except as otherwise provided by law, the burden of proof requires proof by a preponderance of the evidence. (Evidence Code, section 115.) Preponderance of the evidence simply requires proof that a matter in question is more likely to be true than not true. (Precedent Decision P-T-493.)

Unemployment insurance benefits are based on wages paid in the base period of a claim. The standard base period of a claim with a benefit year beginning in July, August, or September is the four consecutive quarters which ended the preceding March. (Unemployment Insurance Code, section 1275(a).)

Board, lodging, or any other payment in kind, received by an employee in addition or in lieu of cash wages, is wages on the basis of a reasonably estimated cash value to the employee which shall not be less than the bona fide value stipulated in a union agreement or employment contract, or, the value established as the basis of the employer's compliance with minimum wage law. (California Code of Regulations, title 22, section 926-3(a)(1).)

To be eligible for Pandemic Unemployment Assistance, an individual must not be eligible for regular unemployment compensation or extended benefits under State or Federal law or for Pandemic Emergency Unemployment Compensation (PEUC) under section 2107 of the CARES Act, including an individual who has exhausted all rights to regular unemployment compensation or extended benefits under State or Federal law and for PEUC under section 2107 of the CARES Act. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(i) (March 27, 2020) 15 United States Code section 9021(a)(3)(A)(i).)

In the present matter, there is no dispute that the claimant was temporarily residing in California in 2020 from about March or April 2020 through about May 2020. Also, the evidence shows that the claimant was researching how to start a business when he was in California but did not finish the application. The evidence shows that he became an internet travel host on the Google platform while he was in California however he has not been paid and is not an employee. The claimant offers the legal argument that since he was living in California when he was affected by the pandemic, he meets the "service" elements in section 602. These facts and arguments were considered.

However, since the claimant did not work as a W2 employee in California during the four consecutive quarters which ended the preceding March, he does not have California wages in the base period of his claim. (Unemployment Insurance Code, section 1275(a).) .

Therefore, the claimant does not meet the "service" element in the state of California under section 602, therefore, section 602 does not apply. Google does have locations in most states including California, which meet the "base of operation" element of section 602, however, since he did not perform employment "services" for Google, he does not meet the "service" element in section 602 and section 602 does not apply.

However, although the evidence shows that he was residing and searching for work in California when the pandemic began in 2020, and although this would usually be sufficient to establish a California footprint and attachment to its labor market, since the evidence shows that he performed services and had registered wages in the state of Nevada from his employment with George Paine during the four consecutive quarters which ended the preceding March, he meets eligibility to file a claim in Nevada and therefore does not meet the eligibility criteria for a PUA claim in California. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(i) (March 27, 2020) 15 United States Code section 9021(a)(3)(A)(i).)

Finally, the EDD did find registered ranges in the Nevada system; the claimant was compensated by room and board, and board, lodging, or any other payment in kind, received by an employee in addition or in lieu of cash wages, is wages on the basis of a reasonably estimated cash value to the employee which shall not be less than the bona fide value stipulated in a union agreement or employment contract, or, the value established as the basis of the employer's compliance with minimum wage law. (California Code of Regulations, title 22, section 926-3(a)(1).)

Therefore, unfortunately the PUA claim is not covered by the EDD in California under section 602.

DECISION

The notice of determination is affirmed. The claimant is not eligible for PUA benefits under California Unemployment Insurance code section 602. PUA benefits are denied.

The claimant is referred to file a claim in Nevada. He can present his filing documents for a PUA claim in California to see if he can use it to establish a retroactive claim filing date in Nevada. LOA:scm2/6

Appellant has not filed for PUA relief in any other state or under any other form other than the PUA program the **Board found Appellant eligible in case # AO-460751.**

Page 5 of the Appeals Board decision **case#AO-460751.** titled **FURTHER APPEAL INFORMATION.** Clearly states "The Appeals Board decision is final and can be changed only by action of a judicial court **(California Unemployment Insurance Code section 410)** I The Appeals Board cannot reconsider or set aside the enclosed decision **(37.Cal.Attny.Gen.133).** Appellant applied and was found eligible for PUA benefits the EDD is still refusing to acknowledge the Boards decision and has not properly adjusted the Appellants claim regarding wages accordingly. The Board's decision AO460751 page 3 paragraph 1.

EDD's poor judgment and obvious abuse of discretion by finding the Appellant ineligible for pandemic assistance under the same issues the Board found the Appellant eligible.

Appellant has not received any pandemic assistance **ab initio to date** following an Appeals Board decision case #AO460751 finding Appellant eligible and Benefits Payable.

Is the EDD making Appellant an offer within the Notice Of Determination For Pandemic Unemployment Assistance dated 11/16/22?

7.2

Appellant's filing of this response would show performance even under California unemployment insurance code 602

Appellant asking the Board to not only expedite this appeal but this appeal also raises an issue of a possible discrimination matter regarding California Unemployment Insurance Code Sec. 602 within a federal disaster relief contract (PUA)

Mr. Alvarado has interpreted this determination letter dated 11/16/22 mailed to the Appellant as discriminating in nature regarding Ca UI Code 602 and it's issue on residency within a federally funded disaster assistance program.

Appellant's legal argument as follows:.

34 CFR section 77.1 defines State: *State* means any of the 50 States, the Commonwealth of Puerto Rico, the District of Columbia, Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

Appellant was found eligible for benefits by the Appeals Board in case # AO-460751 on every issue the Notice Of Pandemic Unemployment Assistance dated 11/16/22 found the Appellant ineligible for. All but one issue is res judicata CUIAB decision# AO-460751 except California Unemployment Insurance Code 602 (or CUIC 602). A code that is discriminating as to it's restriction to claimant's and every other American citizen not residing within California including immigrants and foreign nationals who would not qualify for any federal funding or assistance in any way including insurance claims regarding accidents and at fault claims. CUIC 602 has no authority to render Appellant ineligible for federally funded disaster assistance. Appellant holds California liable for Appellants damages after being directed to stay within the State of California per Executive order N-33-20 put into effect by Ca Governor Gavin Newsom 03/19/20.

Page 88 of the record in this claim stemming from Case # AO460751 clearly shows Appellants whereabouts within California.

Appellant's claim is for Federal PUA relief not regular unemployment insurance nor extended benefits simply because no benefits have ever been sent! So how can the Appellant be ineligible when found eligible by the Board with no assistance ever received? Has the EDD gone mad??? This Appeal is a waste of time and money!

7·3

The Appeals Board found Appellant eligible for benefits CUIAB #AO-460751 where this Notice of Pandemic Unemployment Assistance dated 11/16/22 interpretation is as follows:

That the Executive process is a complete waste of time meant to delay claimants in order for EDD's unjust enrichment! That the EDD has power above the CUIAB by reversing the Board's decision regarding eligibility utilizing issues of eligibility has already been determined by the Board. By adding a single insignificant issue under the CUIC regarding a residency issue within a federally funded program for PUA against an American citizen born in Sacramento the Appellant of Latino decent is discriminating to say the least!

Appellant hereby changes the Board decision case AO-470751 as Appellant does not adopt the Findings of Fact where it adopts the administrative law judges findings of fact. And Appellant adds the following Appellant certified for Benefits with an effective date March 19th 2020. Appellant now has the power over the Board and over the EDD since Appellant says so!!!

Are the above statements erroneous? If EDD can change the Appeals Board decision why not Appellant? to deny any claimant to ignore the Board would be discrimination if the EDD can?

"NO" assistance has ever been issued! After the Board decision AO-460751 all the issues regarding eligibility amount of wages and residency should have been decided.

- **Angstman* v. Dep't of Labor *See, e.g., In re Burlington Bagel Bakery, Inc.*, 150 Vt. 20, 21 (1988) ("To be final and appealable an order must end litigation on the merits or conclusively determine the rights of the parties, leaving nothing for the court to do but execute the judgment.**
- CUIC 602 -Employment? includes an individual's entire service, performed within, or both within and without, this State if:
- (a)?The service is localized in this State; ?or
- (b)?The service is not localized in any state but some of the service is performed in this State and (1) the base of operations, or, if there is no base of operations, **then the place from which such service is directed or controlled, is in this State**
- Appellant's legal argument regarding California Unemployment Insurance Code Sec 602

7.4

Mr Alvarado was found ineligible for a Federal PUA claim in a Notice Of Pandemic Unemployment Assistance dated 11/16/22 finding appellant ineligible for PUA assistance where the record in an Appeals Board decision case# AO-460751 all these issues have already been decided.

Yet **NO payments** of any kind to date have been sent to Appellant.

An issue the Board surely considered prior to it's decision in case AO-460751.

Appellant's testimony of being **physically located** in California during a state of emergency and executive order **quarantine or travel ban that inadvertently stranded** Appellant within the State lines of California **BY ACCIDENT** is found on **page 88 of the record** on this claim.

Page 88 is a California hospital bill where the service date is March 31 2020 and is proof beyond a reasonable doubt of Appellants physical location within the state of California. A location that gives **California control over this issue. This means one single place which was the source**

from which there emanated a basic and general direction

and control which was exercised over all of the

individual's service. Claim of Mallia (1949), supra, 299 N.Y. 232 at pages 240 and 241, 86 N.E. 2d 577

(Governor of California Gavin Newsom **executive order N-33-20 exorcised control over** Appellants **ability to return** to Nevada and **is the direct cause of Appellants unemployment and Appellant being homeless! Appellant now charging a fee for each time Appellant has to remind EDD or any other entity besides the Board who clearly gets it, regarding this issue!**

257 Vgl. § 2 Uniform Motor Vehicle Accident Reparations Act (1972): (a) If the accident causing injury occurs in this State, every person suffering loss from injury arising out of maintenance or use of a motor vehicle has a right to basic reparation benefits."

California did have absolute direct control after issuing a state of emergency and ordering a quarantine and stay at home order affecting roadways and interstate travel across the state.

7.5

Appellant resided at 803 Evergreen apt A Wheatland CA 95692 his mother's address where he arrived just prior to the March 19 2020's N-33-20 executive order.

The Board clearly recognized this and rightfully reversed the ALJ decision finding Appellant eligible for PUA benefits. The Board making no changes to the record nor disturbing the findings other than wages to be determined.

(Which the Appellant changes as well how does $1000000.00 sound? Erroneous doesn't it! Sarcasm as to EDD and notice dated 11/16/2022 and every one able to decide whatever they wish)

Wages that have never been addressed by the EDD. Nor Appellants inability to continue his education.

Appellant whose ethnicity is Latino is appalled that EDD within the notice dated 11/16/22 and w/o authority to reverse a Board decision using California Unemployment Insurance Code Sec 602. Which implies In relevant part that Mr Alvarado is not a "resident" is interpreted by the Appellant as discriminatory in nature alongside the threats EDD keeps sending Appellant within every letter or notice regarding federal assistance and in EDD finding Appellant ineligible The EDD attempted to intimidate Appellant using issues like CFR 625.14 and it's reference to overpayments and fraud questioning Appellants Character! Being over a year and 4 months and almost 3 years since the disaster.

Appellant seeks an investigation into the EDD and it's decisions regarding other claims where travel was restricted due to the pandemic (ie passengers in airport and train departures or travel by sea were stranded) to determine if other claimants have been payed and if Appellants claim has been treated any differently.

The Board decision is res judicata in Case AO-460751 and can be changed only by action of a judicial court. California Unemployment Insurance Code section 410.

The appeals board cannot reconsider or set aside the enclosed decision (37 Ops.Cal.Atty.Gen.133.) (See decision Appeals Board case AO-460751 FURTHER APPEAL INFORMATION)

The EDD has acted negligently and irresponsibly using poor judgment in this matter even as far as abusing it's discretion by actually reversing a Board decision while sighting the same issues the Board found the

7.6

Appellant eligible under after the fact without rendering any assistance in the first place?? If the EDD wishes to appeal the Boards decision they may do so by seeking a review in Superior Court by filing a petition for WRIT OF MANDATE against the CUIAB pursuant to section 1094.5 of the Code of Civil Procedure.

But cannot deny PUA eligibility of benefits by breaking the CUIC rules and reversing a Board decision in any matter other than judicial review where this Notice dated 11/16/22 clearly tries to do? Appellant seeks damages.

The Federal Government may find that California has breeched it's contract by failing to disperse federal funds to those affected by way of pocketing those funds for unjust enrichment and funding un-needed and definantly poorly trained additional staff with little or no care for judicial economy by finding eligible claims ineligible. Forcing excessive claimants to file appeals and overworking the Board. Where the Board's need to hire new judges to handle it's new burden of appeals that flood the CUIAB. Where the Board should have power to assess EDD and it's abuse of process tactics render some sort of punishment upon EDD where that punishment would then bestow a benefit to the affected claimants and not to any department and let EDD seek superior court review if it disagrees with the board holding the claiment harmless and not a party to the superior court review if one was filed for excessive abuse of process on claims and causing undue hardship on California Avoiding needless reviews in future Appeals Board appeals and superior court filings. Where these negative actions by EDD are obvious within aa board appeal.

Appellant has "NOT" received one payment after filing his PUA claim over a year and 4 months ago. It is almost 3 years since the pandemic began.

Appellant is literally using hand sanitizer as a fuel to keep warm where he remains legally homeless since losing his live in caregiving position!

Appellant will send any undefinable pages of the record that Appellant submitted to the EDD if requested.

The EDD's microfiche Copies of the record bring many doubts of the true intentions for further review of any evidence in support of claimants claims. Are the unreadable copies purposely printed in an unlegable manner to sway the opinions for further review by the CUIAB?

20 CFR Section 625.7 disaster unemployment assistance Shall be payable to an eligible unemployed worker or eligible self employed individual for all weeks of unemployment which began during a disaster assistance period.

7.7

Section 3304(a)(8), of the Federal Unemployment Tax Act (FUTA), provides that a claimant in an approved training course be allowed to receive UI benefits and not be denied UI based on the claimant's availability for work, active search for work, or refusal of work. The intent of the federal statute is to enable claimants to participate in training programs while unemployed so that they may gain new job skills or upgrade existing job skills to be able to return to work quickly following training.

Federal law provides that each state is generally free to determine what training is appropriate and what criteria are established for the approval of training. However, states are required to apply "reasonable criteria" which have been established for the approval of training. Examples of such "reasonable criteria" include:

- The claimant's skills must be either obsolete or employment opportunities for the claimant in that labor market are minimal and not likely to improve.
- The claimant possesses aptitudes or skills which can be usefully supplemented within a short time by retraining.
- The training must be for an occupation for which there is a substantial and recurring demand.
- The claimant must produce evidence of continued attendance and satisfactory progress.

Furthermore, federal law provides that states may not refuse to approve training solely because the training is conducted in another state. To do so would inhibit a claimant's mobility because claimants cannot reasonably be expected to commute to training in a state in which they do not reside. **To do so would also be inconsistent with the expressed intent of Congress which was to "remove the impediments to training which remain in our unemployment insurance system."**

California Unemployment Insurance Code 602 therefore would also be deemed an impediment as well as discriminating in nature when Federal PUA claims are filed with the EDD over issues of eligibility when claimants for PUA assistance reside outside of California.

Has Appellant demonstrated he is capable of continued training within a legal forum demonstrated by his continued defense within this PUA claim?

Res Ipsa loquitur!

Appellant reserves any and all rights to issues and remedies in any and all civil action for damages beyond the amount of PUA benefits claiming that: Appellant may have received enough education to have applied for and passed the Bar Exam to date if not for the pandemic disaster. A direct cause of Appellant's expulsion from a paralegal course of study due to tuition requirements not being fulfilled after Appellant became unemployed. In conjunction with any further education and experience working within a new profession in which Appellant would have aquired after completion of the curriculum being studied prior to executive order N-33-20. Including but not

limited to attorneys fees and costs in any and all civil actions for remedies including any and all Federal Issues and remedies in Federal Court. Seeking damages and remuneration of losses sustained post March 19 2020.

mCUIAB-BOARD APPEAL
Case# 7172770
Decided: 06/30/22

LANCE DELON ALVARADO
Appellant in proper Person
5719 Mayo
Sun Valley Nv 89433
(775) 399-0045

CUIAB - BOARD APPEAL

Appellant Lance Delon ALvarado Hereby Files a timely Appeal Contesting the decision dated 06/30/22 case# 7172770 Affirming denial of PUA claim Finding the Appellant ineligible as determined under code section 2102 (a)(3)(A)(ii) Public Law 116-136

Appellant moves to STRIKE DECISION in entire. Informing the Board that the decision made 06/30/22 having been made from Findings of Fact that are in error

Whereas the effective date on record being August 22, 2021 is in question

That the true effective date for Appellant's PUA claim for relief is March 19th, 2020 and qualifies Appellant under code section 2102(a)(3)(A)9ii) public law 116-136

That the record before the BOARD is incomplete and Appellant request that New evidence to be admitted into the record for review in support of Appellants accusations of EDD's constant estoppel of Appellant's PUA relief including but not limited to fraud, evidence and document tampering, perjury, just naming a few.

EDD's testimony was not only deceptive and misleading in nature but was in fact successful in its manipulation and directly influenced the Executive Magistrates decision dated 08/30/22 after hearing held 08/23/22.

A decision that adversely affected Appellant's legal and just claim in equity for the purpose of EDD's unjust enrichment under color of law..

Kannavos v. Annino, 247 N.E. 2d 708 (Mass 1969)

EDD misrepresentation due to non disclosure of documents, and withholding of Appellant's true effective retroactive date for PUA assistance and qualifying under code 2102(a)(3)(A)(ii)

Subjective Impossibility scionable clause
Restatement (first) §454; UCC2-615

That Appellant's performance of retroactive date MARCH 19, 2020 could not be done within the EDD website certification page although retroactive timeframe allowed in performance from February 2020 thru SEPTEMBER 2021 for retroactive effective dates claiming PUA relief. Dates presumed and reflected in the writings within the COVID 19 Economic Relief Act and Pandemic Assistance Programs. Unavailable dates using EDD certification for weekly benefits and employment status update webpage

UNCONSCIONABILITY INCORPORATED BY REFERENCE
UCC 2-302(1b) Effective date gained by a required certification date not allowing retroaction may enforce remainder of contract without unconscionable clause
UCC 2-302 Substantive Procedural unconscionability of certification effective date using certification of weekly benefits on a PUA retroactive claim for PUA relief where retroactive dating was not an option. The Board's discretion in application of award.
Appellant seeking enforcement in total with damages.

Performance excused
Waldinger Corp v. CRS GROUP ENGINEERS, INC., 775 F.2d 781 (7th Cir. 1985)

In relevant part where performance is excused due to inability to meet contract specifications that are applied in a restrictive manner. Appellant unable to and restricted from applying retroactive March 19, 2020 as effective date for claimed PUA relief

Crenshaw County Hospital Board v. St. Paul Fire and Marine Insurance Co 412 F.2d 213 (5th Cir. 1969)

EDD error in judgment was fully aware of Appellant's requested retroactive effective date and instead applied Appellant's required 08/22/2021 date of certification for weekly benefits and employment status update as effective date on record

EDD ignoring Appellant's request to backdate claim submitted and took no action to correct or admit request into record before the Board, another EDD error in judgment

DUICK v. TOYOTA MOTORS SALES. USA INC 198 Cal. App. 4th 1316.131 Cal.Rptr. 3d 514 (2011)

Relevant in terms of electronic agreements where all the terms and conditions are not made available and understood by both parties and why Fraud in the Inception is a proper application over fraud in inducement.

Hochster v. De la Tour, 2 Ellis & Bl. (Q.B. 1853)
UCC 2-609
Anticipatory Repudiation of performance and Breach
Appellant requesting assurance of performance
Appellant seeking immediate damages.

Appellant reserving issues Including any and all provisional remedies not listed Appellant reserves any and all issues in action including but not limited to federal issues and actions including but not limited to federal court

That the true effective date of Appellant's claim is retroactive March 19, 2020 and is within the Federal dates allowing for retroaction being February 2020 thru September 2021 for PUA RELIEF.

Appellant having directly been affected on March 19th, 2020 and qualifies under section 2102(a)(3)(A)(ii) public law 316-136 becoming unemployed after complying with Executive Order N-33-20 put into effect by California Governor Gavin Newsom in response to the State of Emergency arising from COVID-19 and

not being able to reach his place of employment. And upon returning was locked out from his place of employment due to the employer being at a higher risk.

Appellant applied for PUA relief prior to the deadline to file for PUA relief and is well within PUA regulations allowing a backdated or retroactive effective date to be applied.

Appellant only becoming aware of the existence of PUA relief just prior to, and possible qualification for PUA relief while attending an in person interview to verify Appellant's identity at the IRS in July 2021.

Appellant filed for PUA relief Aug 2021. Seeking relief for having been directly affected on a retroactive date of March 19, 2020 as his effective date of claim.

NOT AUGUST 22, 2021 the date of Appellant's required certification for weekly notification of employment status and update.

UCC1-203

Legal value, detriment apparent

Appellant consent and in compliance to imposed weekly certification was in full belief of certification made was to notify EDD that APPELLANT was still unemployed as of August 22, 2021..

By failing to redirect Appellant to a retroactive PUA relief date webpage or enabling Appellant to enter a retroactive date to be applied to Appellant's claim and not making all the terms and conditions available on the certification webpage resulted in a fraudulent effective date applied.

Fraud in the inception.

Nowhere on EDD certification website informed Appellant that the dates Appellant submitted for certification were to be used as the dates under code section 2102 on record as having been directly affected and date unemployment began?

Appellant's answer of "NO" to a direct question during the hearing held 06/23/22 may have been in error.

Appellant requests a copy of the record including all recordings and transcripts be sent.

Appellant requests the following 3 documents be admitted as new evidence

1. NOTICE OF ONLINE ACCOUNT REGISTRATION

2. REQUEST TO BACKDATE CLAIM

3. END OF THE FEDERAL PANDEMIC UNEMPLOYMENT ASSISTANCE AND PANDEMIC ADDITIONAL COMPENSATION

1. Titled: Notice of Online Account Registration

Appellant finding this notice FOLLOWING HEARING HELD 06/23/22 where Appellant's answer of "NO" to a direct question during hearing held WAS IN ERROR.

Notice in relevance as to EDD having true address 08/21/22 on file in preclusion to any notices of determination as having been mailed and returned by USPS to EDD.

2. Request to Backdate claim

Appellant DEMANDS that Appellant's REQUEST TO BACKDATE CLAIM be produced by EDD and admitted into the RECORD before THE BOARD.

That the above request was submitted following Appellant certification of benefits. 08/22/2021 and has not been made part of the record before The Board

During the Appellant's Eligibility interview, held 11/29/22 the Appellant questioned the Interviewer conducting the interview regarding the request

Where the Interviewer affirmed the request as having been submitted.

Appellant taking immediate action to remind EDD that Appellant was not only informing EDD that he was still unemployed as of the date of certification but also that the effective date of March 19th 2020 was to be applied as being the date Appellant was directly affected and qualified under code section 2102 (a)(3)(A)(ii) public law 116-136.

3. End of the Federal Pandemic Unemployment Assistance and Pandemic Additional Compensation Programs

Appellant submitting 1 of 4 letters above titled. 1 alongside Decision made after hearing held dated 8/30/2022. A week after Appellant received the decision 3 duplicate letters arrived on same day a week after arrival of decision

The relevance to the number of duplicated letters Appellant received being 4 total letters after decision made 08/30/22 and to its final sentence located on bottom line of letter reading ``This notice cannot be appealed and there is no need to contact us."

Letter misleading Appellant as to legal remedies within Appellant's rights in claim for PUA relief still being made and evidenced making this APPEAL BEFORE THE BOARD

RES IPSA LOQUITUR.

ESTIMATED DAMAGES INCURRED BY APPELLANT AFTER BEING DIRECTLY AFFECTED BY THE PANDEMIC

1. Room and Board 2020 CAL STATE STUDENT average costs $36000.00 Appellant Application for PUA relief under salary while employed being room and board and a paralegal student enrolled in an online paralegal course to be determined by The Board

Earnings Not Covered by Social Security

You may also have earnings from work not covered by Social Security, where you did not pay Social Security taxes. This work might have been for federal, state, or local government or in a foreign country. If you participate in a retirement plan or receive a pension based on work for which you did not pay Social Security tax, it could lower your benefits. To find out more, visit *ssa.gov/gpo-wep* .

Important Things to Know about Your Social Security Benefits

- Social Security benefits are not intended to be your only source of retirement income. You may need other savings, investments, pensions, or retirement accounts to make sure you have enough money when you retire.
- You need at least 10 years of work (40 credits) to qualify for retirement benefits. The amount of your benefit is based on your highest 35 years of earnings. If you have fewer than 35 years of earnings, years without work count as 0 and may reduce your benefit amount.
- To keep up with inflation, benefits are adjusted through "cost of living adjustments."
- If you get retirement or disability benefits, your spouse and children may qualify for benefits.
- When you apply for either retirement or spousal benefits, you may be required to apply for both benefits at the same time.
- The age you claim benefits will affect your surviving spouse's benefit amount. For example, claiming benefits after your full retirement age may increase the *Spouse, if benefits start at full retirement age* amount on page 1; claiming early may reduce it.
- If you and your spouse both work, use the *my* Social Security Retirement Calculator to estimate spousal benefits.
- If you are divorced and were married for 10 years, you may be able to claim benefits on your ex-spouse's record. If your ex-spouse receives benefits on your record, that does not affect your or your current spouse's benefit amounts.

End of the Federal Pandemic Unemployment Assistance and Pandemic Additional Compensation Programs

According to the CARES Act of 2020, these federal unemployment programs ended September 4, 2021:

- Pandemic Unemployment Assistance (PUA)
- Pandemic Additional Compensation (PAC), also known as Federal Pandemic Unemployment Compensation (FPUC)

How Does This Affect You?

You currently have a PUA claim with a balance remaining. Federal law does not allow PUA benefits to be paid for weeks of unemployment after September 4, 2021, even if there is a balance remaining on your claim and you remain unemployed.

In addition, the $300 PAC payments are no longer payable for any weeks after September 4, 2021.

Case No.: 7172770 **Los Angeles Office of Appeals**
CLT/PET: Lance D. Alvarado ALJ: Faith I. Mitchell
Parties Appearing: Claimant
Parties Appearing by Written Statement: None

ISSUE STATEMENT

The claimant appealed from a determination that held the claimant was not eligible for Pandemic Unemployment Assistance under the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(ii) (March 27, 2020), 15 United States Code section 9021(a)(3)(A)(ii). The issue in this case is whether the claimant is unemployed, partially unemployed, or unable to or unavailable for work as a direct result of at least one of the Covid-19 criteria specified in federal law.

FINDINGS OF FACT

The claimant certified for benefits on this claim with an effective date of August 22, 2021, and a weekly benefit of $167.

The claimant was staying with an elderly vet in Sun Valley, Nevada and providing caregiving in exchange for room and board, but no compensation. He went to visit his mother in California the first week that stay-at-home orders were in effect, and when he returned to Sun Valley at some unknown time later, he was unable to continue his previous arrangement with the gentleman and became homeless.

REASONS FOR DECISION

The term Covid-19 means the 2019 Novel Coronavirus or 2019-nCov. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(1) (March 27, 2020), 15 United States Code section 9021(a)(1).)

The term Covid-19 public health emergency means the public health emergency declared by the Secretary of Health and Human Services on January 27, 2020, with respect to the 2019 Novel Coronavirus. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(2) (March 27, 2020), 15 United States Code section 9021(a)(2).)

To be eligible for Pandemic Unemployment Assistance, an individual must not be eligible for regular unemployment compensation or extended benefits under State or Federal law or for Pandemic Emergency Unemployment Compensation (PEUC) under section 2107 of the CARES Act, including an individual who has

exhausted all rights to regular unemployment compensation or extended benefits under State or Federal law and for PEUC under section 2107 of the CARES Act. (Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, section 2102(a)(3)(A)(i) (March 27, 2020) 15 United States Code section 9021(a)(3)(A)(i).)

Section 2102(a)(3)(A)(ii) of the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136 (March 27, 2020), 15 United States Code section 9021(a)(3)(A)(ii), provides that an individual shall provide a self-certification that either: (1) he or she is otherwise able to work and available for work, except that the individual is unemployed, partially unemployed, or unable to or unavailable for work because of the Covid-19 public health emergency, or that (2) he or she is self-employed, is seeking part-time employment, does not have sufficient work history, or otherwise would not qualify for regular unemployment or extended benefits under State or Federal law and meets the criteria specified under the CARES Act.

Section 2102(a)(3)(A)(ii) of the Coronavirus Aid, Relief, and Economic Security Act (March 27, 2020), Public Law 116-136, 15 United States Code section 9021(a)(3)(A)(ii), provides that to be eligible for PUA, an individual must be unemployed, partially unemployed, or unable to or unavailable for work as a direct result of one of the following:

aa. the individual has been diagnosed with Covid-19 or is experiencing symptoms of Covid-19 and seeking a medical diagnosis;

bb. a member of the individual's household has been diagnosed with Covid-19;

cc. the individual is providing care for a family member or a member of the individual's household who has been diagnosed with Covid-19;

dd. a child or other person in the household for which the claimant has primary caregiving responsibility is unable to attend school or another facility that is closed as a direct result of the Covid-19 public health emergency and such school or facility is required for the individual to work;

ee. the individual is unable to reach the place of employment because of a quarantine imposed as a direct result of the Covid-19 public health emergency;

ff. the individual is unable to reach the place of employment because the individual has been advised by a health care provider to self-quarantine due to concerns related to Covid-19;

gg. the individual was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the Covid-19 public health emergency;

hh. the individual has become the breadwinner or major support for a household because the head of household has died as a direct result of Covid-19;

ii. the individual has to quit his or her job as a direct result of Covid-19;

jj. the individual's place of employment is closed as a direct result of the Covid-19 public health emergency; or

kk. the individual meets any additional criteria established by the Secretary of the Department of Labor for unemployment assistance under this section.

Individuals who are self-employed (including independent contractors and gig workers) with reportable income may qualify for benefits under section 2102(a)(3)(A)(ii)(I)(kk) of the Coronavirus Aid, Relief, and Economic Security Act (March 27, 2020), Public Law 116-136, 15 United States Code section 9021(a)(3)(A)(ii)(I)(kk), if they are unemployed, partially employed, or unable to or unavailable for work because the Covid-19 public health emergency severely limited their ability to continue performing their customary work activities and they were either forced to suspend such activities or they experienced a significant diminution in their customary or usual services, even absent a suspension of services. (Unemployment Insurance Program Letter 16-20 (April 5, 2020); Unemployment Insurance Program Letter 16-20, Change 2 (July 21, 2020); Unemployment Insurance Program Letter 16-20, Change 4 (January 8, 2021).)

In this instance, the claimant's unemployment is not due to any of criteria specified in federal law for payment of benefits. The claimant is ineligible as determined under code section 2102(a)(3)(A)(ii), Public Law 116-136, and benefits are denied.

DECISION

The department's determination is affirmed. The claimant is ineligible as determined under code section 2102(a)(3)(A)(ii), Public Law 116-136, and benefits are denied.

ISSUE STATEMENT

The claimant appealed from a department determination holding the claimant ineligible for benefits under California Unemployment Insurance Code section 1253(a) beginning August 22, 2021. The issue in this case is whether the claimant has provided sufficient documentation to verify the claimant's identity.

An additional issue is whether the appeal was timely filed, and, if not, whether there is good cause to extend the filing deadline.

FINDINGS OF FACT

The claimant certified for benefits on this claim with an effective date of August 22, 2021, and a weekly benefit of $167.

The department requested that the claimant provide documentation sufficient to establish the claimant's identity as the individual who filed the claim and earned the wage credits on which it was based. The claimant failed to comply with that request within a reasonable period, and the department issued the adverse determination.

The claimant has submitted to the office of appeals a valid photo identification document consisting of a Nevada Identification Card, and at least one other supporting document, consisting of a birth certificate. Each of these meets the identity verification requirements of the California Code of Regulations.

The department mailed the claimant an adverse notice of determination to his address of record on September 3, 2021. The address was incorrect, and the claimant did not receive the notice as it was returned by the U.S. Postal Service as indicated in the claim note date November 3, 2021. On November 29, 2021, a call was made to the claimant about the determination and the claimant gave information about his birth certificate and a California Driver License number. stated that he did not get the letter. On December 24, 2021, a work item shows that the claimant had sent an email and said he did not receive the determination on his identity. A letter was printed and mailed on January 8, 2020. On January 19, 2022, the claim notes indicate that the identification document were review and a copy of the determination and appeal form were sent to the claimant. He

sent a letter to the department dated January 20, 2022 which was treated as his appeal.

REASONS FOR DECISION

The issue of timeliness of appeal is jurisdictional. Unless an appeal is filed timely, or unless it is found that there is "good cause" under the statute for a late filing, an administrative law judge has no jurisdiction to decide the case on the merits and must dismiss the appeal. (Precedent Decision P-B-348.)

An appeal from a determination must be filed within 30 days of mailing or personal service of the notice. The time to appeal may be extended for good cause, which includes, but is not limited to, mistake, inadvertence, surprise, or excusable neglect. (Unemployment Insurance Code, section 1328.)

An appeal is deemed filed on the date it is sent in writing to the applicable office of the appeals board or department branch office. It may be mailed, shipped by express service common carrier, electronically transmitted or physically delivered. (California Code of Regulations, title 22, sections 5000(gg) and (zz).)

In Precedent Decision P-T-35 the appeals board held that the postmark date, rather than an earlier postal meter date, was the date of filing of the petitioner's petition as there was not substantial evidence to support the postal meter date as the filing date.

In determining whether good cause exists for the late appeal, all factors should be considered, including: (1) the length of delay; (2) the reason for the delay; (3) the diligence of the appellant in acting to protect his or her rights; and (4) what prejudice, if any, may result for the other parties or the department if relief is granted. (Precedent Decision P-B-348.)

The more substantial the delay, the more substantial must be the reason demonstrated for the delay. (Precedent Decision P-B-348.)

In this instance, the claimant has good cause for his untimely appeal due to excusable neglect as he never received the letter that was sent to an incorrect address and returned by the Post Office. The time for filing the appeal is extended.

The department may require a claimant to submit information to establish the identity of the claimant and to verify the wages reported under the social security number provided by the claimant. (California Code of Regulations, title 22, section 1326-3(a).)

The claimant shall have a reasonable opportunity to provide the information requested pursuant to section 1326-3(b)(1). The claimant shall have the right to request additional time to provide the requested information to the department. (California Code of Regulations, title 22, section 1326-3(d).)

If, within ten days from the mailing date of the request, the claimant has not supplied the requested information, and has not contacted the department to request additional time to provide the requested information, the department shall grant or deny benefits based on the information available to the department pursuant to section 1253(a) of the code. (California Code of Regulations, title 22, section 1326-3(e).)

California Code of Regulations, title 22, section 1326-3(b)(1) provides that if the information provided to the department by the claimant does not sufficiently establish the identity of the claimant, or if the department cannot verify that the wages reported under the Social Security number provided belong to the claimant, the department shall require the claimant to verify his or her identity by presenting a photo identification and one of the following documents:

(A) Social Security number verification.

(B) Date of birth verification.

(C) Address verification.

(D) Employment data.

"Photo identification" means an official document issued by a local, state, or federal agency, or a foreign government, which contains the individual's photograph, first and last name, and date of birth. (California Code of Regulations, title 22, section 1251-1(l).)

"Social Security Number Verification" means verification of the social security number, received by the department from the claimant, by either submission of a copy of the claimant's annual statement issued to him or her by the Social Security Administration, or by verification of that individual's social security number submitted to the department directly from the Social Security Administration. (California Code of Regulations, title 22, section 1251-1(k).)

"Date of Birth Verification" means a birth certificate issued by a local, state, or federal agency, or a foreign government, or other official certification of that individual's birth. (California Code of Regulations, title 22, section 1251-1(m).)

"Address Verification" means an original utility bill, bill for cable TV, telephone bill, insurance document or other correspondence from a bank or similar institution, a current statement, provided the document shows the individual's name and residence. If the individual does not have a residential address but does have a Post Office Box or a Personal Mailbox, address verification will be satisfied by providing proof he or she is the renter or authorized user of the box. (California Code of Regulations, title 22, section 1251-1(n))

"Employment Data" means a copy of that individual's Wage and Tax Statement, issued with the last 12 months, or a check stub or pay statement issued by that individual's employer within one year prior to the date that individual first filed a claim for unemployment compensation. The check stub or pay statement must contain the individual's first name or initial, last name, social security number, the name of the employer, and the date issued or the pay period for which the check stub or pay statement was issued. (California Code of Regulations, title 22, section 1251-1(o))

In this instance, the documents submitted sufficiently establish that the claimant is the individual who filed the claim at issue and earned the wage credits on which the claim is based. The claimant is not ineligible as determined under code section 1253(a) and benefits are payable, provided the claimant is otherwise eligible.

DECISION

The time for filing the appeal is extended.

The department's determination is reversed. The claimant is not ineligible as determined under code section 1253(a) and benefits are payable, provided the claimant is otherwise eligible.

To Faith Mitchell. Regarding cases 7172770, 7172771.

Upon reviewing the record of Appeal sent to Appellant. The Appellant wishes to review the following issues written within this response at the hearing to be held on the 23rd day of June 2022 @ 1pm.
1. the benefit amount on record sent to Appellant notifying him of the upcoming hearing seems to be in error and conflicts the amount given within the Appellant's UI online account.
1. That UI's intentional malum in se actiions toward the Appellant can be shown within the record and its obvious delay in reviewing his claim has caused Appellant to suffer and Appellant ask the Court to consider awarding the following.
2 Appellant argues his termination being a caregiver and the ammount Appellant submitted with his Benefit Application (room and board) should equal to or around $36,000 annually.
(Figure procured from average CA student room and board costs in 2020 from Cal State website)
That his expulsion from his paralegal studies caused by the pandemic and travel ban issued by Govoner Newsom regarding health concerns would be w/o a doubt working in that profession under an Attorney or firm today. And prays for the court to award a further review before the final benefit amount if awarded.

That since.his termination Mar 2020 the Appellant has in fact suffered undue
hardship in the following area's
medical bills, past due rent as well as small loans granted by friends and family need to be paid and Appellants education furthered to re enter the workforce in the profession the Appellant was studying pre pandemic.

That the Appellant can prove beyond a reasonable doubt that the UI intentionally has caused this delay. That record received by the Appellant notifying him of the above.mentioned hearing has acted with malicious behavior and has acted in such a manner as to warrant his request.

That the claim again be backdated to Mar 2020 when the Appellant was unable to return home. through and/or exceeding the date UI received the Appellant's claim for benefits. Not the date beginning Aug 2021 as the claim continues to reflect.

That the Court remind the UI that they are here to serve the public not there to rob the public. That the public trusts .their public servants the UI Deparrment. Yet actions such as these bring that public trust to question in a negative way. The funds that UI distribute are not their own to make decisions based on speculation and feelings and then have the audacity to call it factual when their findings contradicts the facts all together! (Fraud called fact)

Not to put claims on low priority and delaying the claimant but to address in the order they are received.
(Discrimination and bias)

That when a possible fraud investigation is started that it is expedited to save the public funds.not drag it out it out until the last possible date!
(Purposeful delay in claim being processed causing undue hardship)

ALVARADO VS THE STATE OF CALIFORNIA UNEMPLOYMENT INSURANCE

- Appeal to the California Unemployment Appeals Board arising from a Notice of Determination received by Appellant via US postal service February 2022 denying benefits for **BACKDATED PUA CLAIM** filed **August 2021** Requesting unemployment benefits and tuition costs beginning **Mar 2020**

1. HISTORY

2017 Appellant accepted employment as a full-time live-in caregiver to George Paine, a disabled United States Veteran.

Mr Paine had recently terminated a caregiver who worked for a licensed provider and came to Mr. Paine's home twice a week. Mr. Paine, in charge of his own finances, had never discussed how his previous caregiver was compensated to Appellant.

In 2017 Mr. Paine scheduled an appointment to attend a meeting with the Appellant at the Veterans Regional Office located at 5460 Reno Corporate Drive in Reno Nevada. The purpose of this meeting was to secure compensation for the Appellants' services.

During the meeting the VA Representative informed Mr. Paine and Appellant the following information:

The VA had approved all disabled veterans who qualified for in-home care to be able to choose their own caregivers. Mr. Paine currently is qualified for in-home care. The policy currently funded post-gulf war veteran caregivers while pre-gulf war veteran funding was approved and in the process of being drafted within the VA's annual budget. The VA advised they would notify Mr. Paine once the funding became available. The Appellant, believing compensation was due to arrive and now being the approved caregiver for Mr. Paine, continued to provide services for Mr. Paine. Which included but not limited to, accompanying him to and from all VA appointments, doctor appointments, basic checkups, and nutrition appointments.

As time passed the Appellant and Mr. Paine had numerous discussions regarding the continued delay in receiving back compensation for the Appellants completed services. These discussions brought no resolution, and would at times become negative and adversely affect Mr Paine's health, so Appellent would discontinue the subject matter until a later date.

The Appellant then proposed taking an online paralegal course whose curriculum would not interfere with Appellants daily duties and Appellant would prepare to reenter the workforce in a new career once Appellants service was no longer needed.

10K

Mr. Paine accepted the Appellants proposal and paid $200 out of the $500 total cost of tuition. Promising the remainder of the cost when the Appellant showed progress in the course. Appellant enrolled and became an online student (distanced learning) at Stratford University.

Appellant requested time off by giving proper notice and arranged for Mr. Paine's cousin, who visited Mr. Paine's home frequently, to fill in for Appellant while away. Time off is required through the VA caregiver program and is highly recommended for the mental health of both veterans and live-in caregivers who had to be available 24/7. Appellant had to reschedule this time off twice to accommodate Mr Paine. The Appellant was finally able to arrange time off in March 2020 to travel to visit Appellant's elderly mother who resides in Wheatland California. The California State Governor, Gavin Newsom, issued a stay-at-home order March 19, 2020.

Due to the coronavirus pandemic starting just after the Appellant arrived at his mother's residence, the pandemic's quarantine or stay at home order and travel ban placed by California's governor on recommendations issued by the CDC for public health concerns to help slow the spread of the disease and is the direct cause of Appellants delayed return to care for Mr. Paine who maintains that the Appellant had abandoned him and quit.

The Appellant was unable to return to Nevada until May 2020.

Upon return to Nevada the Appellant found his belongings outside of Mr. Paine's residence along with a posted notice of no entry (lock out) over concerns of the coronavirus. Mr. Paine is at higher risk due to having medical issues. Appellant, now homeless and unemployed, resided in his vehicle and volunteered at Hands for Hope Food Bank to be able to feed himself as well as serve his impacted community.

In June, Appellant had an opportunity to make a new start in Oklahoma, while helping a friend move. Due to the COVID-19 restrictions, lightened yet still in place, Appellants work opportunities were still limited. Appellant returned to Nevada July 2020.

Appellant completing first phase of circulume, grew concerned by not obtaining second phase of circulume from Stratford University via United States Postal Service.

Appellant telephoned Stratford University regarding the second phase of circulume and was advised that tuition payments were not being paid. Appellant pleaded that his current inability to pay was due to the pandemic. The University offered no deferred payments.T he Appellant was then expelled from the program.

The Appellant continued to donate time to the Food Bank until the doors closed due to restrictions concerning Covid 19 still being in effect.

Appellant, having to prove his identity to receive his 2020 tax return, attended a July 2021 appointment at the IRS Federal building in Reno Nevada, at which point he learned that he could qualify for the PUA relief having been directly affected by the pandemic. The Appellant therefore applied for PUA relief through the California EDD August 2021 and requested the benefit be backdated to March 2020 due to the Appellant being physically located in California at the time his unemployment began and due to the quarantine the pandemic restrictions put in place.

November 29, 2021 Appellant had an eligibility interview and mentioned his backdated benefits request and interviewer confirmed the request as having been submitted.

On November 30, 2021 Appellant received a letter of an interview to be held on November 29, 2021 between 8 AM and 10 AM one day after Appellant attended the above stated eligibility interview.

EDD sent notice of determination February 2, 2022, denying benefits beginning August 22, 2021, finding that none of the federally approved covid 19 reasons apply under The Cares Act.

Appellant now appeals that finding and has no doubt that he would have graduated and been employed and working as a paralegal for an attorney or firm by now if not for the pandemic restrictions being put in place.

2. APPELLANT'S ADVERSE ARGUMENT

The Appellant argues he **IS** partially unemployed or **WAS** unavailable to work due to more than one of the reasons related to Covid 19 as stated on the Notice of Determination. Therefore Appellant **DOES MEET** the legal requirements for payments beginning **March 22, 2020 NOT August 22, 2021** as the notice of determination states. The notice of determination is an error regarding dates of benefits requested. The EDD failed to apply the backdated request submitted by the Appellant and was confirmed during the eligibility interview held November 29, 2021 by the interviewer.

If the EDD correctly applied the backdated request for benefits March 2020, the Appellant meets numerus legal requirements to receive PUA benefits and this issue would not be pleaded before you.

Appellant argues who "wasn't affected by the pandemic?" that the Corona and Covid 19 viruses kept the entire nation in a state of emergency since the outbreak. Many businesses in California, including all government buildings in and surrounding Wheatland were closed. Restrictions regarding wearing masks just recently have been lifted. To claim that none of the federal reasons applied to the appellant is as

17

preposterous as claiming the "Ebola" virus is harmless to humans.

3. LEGAL RATIONALE

Rule: Families First CoronaVirus Response Act or
FFCRA, an employee-based states "where a provider of healthcare, (appellant) who has a direct result of a quarantine (stay at home order/travel ban) was not allowed to care for someone (Mr. Paine) who expects care to be provided and whose relationship creates that expectation and who resides at the place of care is covered under the act for POAD family leave. The appellant's legal address listed on his current state of Nevada issued Identification Card is Mr. Paine's address in Nevada.

Appellant accepted employment under Mr. Paine until his termination appellant was an "employee" unable to fulfill Mr. Paine's expectation of having his caregiver present even through the coronavirus pandemic restrictions and concerns of Mr. Paine being at a higher risk.

Whom after termination would be considered an out of work self-employed or sub contractor under The Cares Act and focused on employer-based relief where the appellant whom was seeking other professional remedies prior to the pandemic while employed under Mr. Paine was enrolled as a paralegal student looking to change his profession and could not maintain the cost of tuition post-employment is also granted relief under the cares act due to his inability financially to pay for cost of tuition at any university and the collective bargaining agreement held between the two parties.

Why is the Appellant not receiving benefits on his PUA claim?

Appellant argues that The Cares Act is meant to help all citizens affected by the pandemic, not just a few.

The Appellant being obviously affected by the pandemic is well within his rights to receive the PUA benefits being physically located in California at the time of the quarantine and is established in the timeline and that can be proven beyond reasonable doubt.

EDD needs to correct the benefit dates on Appellants claim and their failure to do so, has caused this delay and is the issue before the appeal board that under UICA code 1259 no work or employment shall be deemed suitable and benefits **"shall not be denied"** for refusing new work under the following conditions:
a. lockout
b. pre-available wages and no license
c. no workers compensation paid
d. no trust or contributions nor transmission of disability as required

Appellant is questioning why benefits have not been received under UICA code 1259 while this issue is being resolved.

Appellant prays for an immediate writ of mandate for benefits to be paid retroactive to **March 2020**. Appellant is in hardship and is fully in need of money to enroll back into a legal program to further his education and get back into the workforce as soon as possible.

Appellant cites including but not limited to the following, as reasons that he qualifies and the reason why the Appeal board should issue an immediate writ of mandate that remands his claim back to unemployment. The Appeal board reverse and remand the unemployment denial benefits from August 22, 2021 immediately and retroactively reinstate benefits beginning March 2020.

Subject: Contested Benefit Amounts in record received by Appellant

To Faith Mitchell. Regarding cases 7172770, 7172771.

Upon reviewing the record of Appeal sent to Appellant. The Appellant wishes to review the following issues written within this response at the hearing to be held on the 23rd day of March 2022 @ 1pm.
1. the benefit amount on record sent to Appellant notifying him of the upcoming hearing seems to be in error and conflicts the amount given within the Appellant's UI online account.
1. That UI's intentional malum in se actiions toward the Appellant can be shown within the record and its obvious delay in reviewing his claim has caused Appellant to suffer and Appellant ask the Court to consider awarding the following.
2 Appellant argues his termination being a caregiver and the ammount Appellant submitted with his Benefit Application (room and board) should equal to or around $36,000 annually.
(Figure procured from average CA student room and board costs in 2020 from Cal State website)
That his expulsion from his paralegal studies caused by the pandemic and travel ban issued by Govoner Newsom regarding health concerns would be w/o a doubt working in that profession under an Attorney or firm todayi. And prays for the court to award a further review before the final benefit amount if awarded.

That since.his termination Mar 2020 the Appellant has in fact suffered undue
hardship in the following area's
medical bills, past due rent as well as small loans granted by friends and family need to be paid and Appellants education furthered to re enter the workforce in the profession the Appellant was studying pre pandemic.

That the Appellant can prove beyond a reasonable doubt that the UI intentionally has caused this delay. That record received by the Appellant notifying him of the above.mentioned hearing has acted with malicious behavior and has acted in such a manner as to warrant his request.

That the claim again be backdated to Mar 2020 when the Appellant was unable to return home. through and/or exceeding the date UI received the Appellant's claim for benefits. Not the date beginning Aug 2021 as the claim continues to reflect.

That the Court remind the UI that they are here to serve the public not there to rob the public. That the public trusts .their public servants the UI Deparrment. Yet actions such as these bring that public trust to question in a negative way. The funds that UI distribute are not their own to make decisions based on speculation and feelings and then have the audacity to call it factual when their findings contradicts the facts all together! (Fraud called fact)

Not to put claims on low priority and delaying the claimant but to address in the order they are received. (Discrimination and bias)

That when a possible fraud investigation is started that it is expedited to save the public funds.not drag it out it out until the last possible date!
(Purposeful delay in claim being processed causing undue hardship)

The UI had two physical addresses given by the Appellant a mailing and a physical.address. the Appellent asks for excused neglect of the misprinted mailing address. Appellant being under duress at that time after losing his job and residence and had filled out his application in his vehicle typing on his phone. And forgive this error for it did not cause

this delay. But that UI had failed to notify the Appellant of this error and in fact had a second address to Mail any paperwork that had been returned. As well as a phone number to call the Appellant and finally The Appellant's attempts at contacting the Ui were ignored. The UI having the options and yet doing nothing to resolve their speculation are the real cause of this claim.

UI showing no envelopes with any postage stamped dates to verify their returned letters only alleged contents. where letters containing dates may of been altered! One letter of determination not even having a header or footer with the UI letter head not being present at all and anybody not working for the UI could have typed up and submitted?

The Appellant can and will bring up further issues in his defense at the upcoming hearing to be held on the 23rd day of March 2022 at 1pm if required. And reserves the.right to be heard concerning possible illegal activity being practiced by the UA department if needs be.

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER N-33-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS in a short period of time, COVID-19 has rapidly spread throughout California, necessitating updated and more stringent guidance from federal, state, and local public health officials; and

WHEREAS for the preservation of public health and safety throughout the entire State of California, I find it necessary for all Californians to heed the State public health directives from the Department of Public Health.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8627, and 8665 do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1) To preserve the public health and safety, and to ensure the healthcare delivery system is capable of serving all, and prioritizing those at the highest risk and vulnerability, all residents are directed to immediately heed the current State public health directives, which I ordered the Department of Public Health to develop for the current statewide status of COVID-19. Those directives are consistent with the March 19, 2020, Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, found at: https://covid19.ca.gov/. Those directives follow:

ORDER OF THE STATE PUBLIC HEALTH OFFICER
March 19, 2020

To protect public health, I as State Public Health Officer and Director of the California Department of Public Health order all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19. In addition, and in consultation with the Director of the Governor's Office of Emergency Services, I may designate additional sectors as critical in order to protect the health and well-being of all Californians.

Pursuant to the authority under the Health and Safety Code 120125, 120140, 131080, 120130(c), 120135, 120145, 120175 and 120150, this order is to go into effect immediately and shall stay in effect until further notice.

The federal government has identified 16 critical infrastructure sectors whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or

destruction would have a debilitating effect on security, economic security, public health or safety, or any combination thereof. I order that Californians working in these 16 critical infrastructure sectors may continue their work because of the importance of these sectors to Californians' health and well-being.

This Order is being issued to protect the public health of Californians. The California Department of Public Health looks to establish consistency across the state in order to ensure that we mitigate the impact of COVID-19. Our goal is simple, we want to bend the curve, and disrupt the spread of the virus.

The supply chain must continue, and Californians must have access to such necessities as food, prescriptions, and health care. When people need to leave their homes or places of residence, whether to obtain or perform the functions above, or to otherwise facilitate authorized necessary activities, they should at all times practice social distancing.

2) The healthcare delivery system shall prioritize services to serving those who are the sickest and shall prioritize resources, including personal protective equipment, for the providers providing direct care to them.

3) The Office of Emergency Services is directed to take necessary steps to ensure compliance with this Order.

4) This Order shall be enforceable pursuant to California law, including, but not limited to, Government Code section 8665.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 19th day of March 2020.

The Taxpayer Advocate Service (TAS) is an independent organization within the IRS that helps taxpayers and protects taxpayers' rights. TAS can offer you help if your tax problem is causing a financial difficulty, you've tried but been unable to resolve your issue with the IRS, or you believe an IRS system, process, or procedure isn't working as it should. If you qualify for TAS assistance, which is always free, TAS will do everything possible to help you. To learn more, visit www.taxpayeradvocate.irs.gov or call 877-777-4778.

Tax professionals who are independent from the IRS may be able to help you.

Low Income Taxpayer Clinics (LITCs) can represent low-income persons before the IRS or in court. LITCs can also help persons who speak English as a second language. Any services provided by an LITC must be for free or a small fee. To find an LITC near you:

Important Information

Your Activation code will expire on October 12, 2021. If the code expires or is lost, the registration process will need to be completed again at www.socialsecurity.gov/myaccount

If you did not request an online account with Social Security, please contact us immediately at 1-800-772-1213 or visit your local Social Security office. If you are deaf or hard of hearing, our toll-free TTY number is 1-800-325-0778.

Social Security may use an Identity Services Provider to help verify your identity and protect your privacy when you register to do business with us online. When we verify your account, our Identity Services Provider may use information from your credit report to help confirm your identity. As a result, you may see a "soft inquiry" entry with the Identity Services Provider on your credit report. This entry shows that we made an inquiry at your request, and the date of that request. This soft inquiry will not appear on a credit report from any other provider.

Soft inquiries are not reported to lenders and do not affect your credit score. You do not incur any charges related to them. Soft inquiries appear only on a credit report issued to you and are generally removed from your credit report within 12 months.

Once you have registered for an online account, you will not create new soft inquiries when you sign in to access our services.

For more information about our Identity Services Provider, please visit www.socialsecurity.gov/myaccount/verifyandprotectid.html online.

Notice of Determination for Pandemic Unemployment Assistance

You are receiving this notice because you applied for Pandemic Unemployment Assistance (PUA). This program is available under the federal CARES Act of 2020 due to the COVID-19 public health emergency.

You **do not** qualify for federal PUA benefits for the reason(s) listed below.

None of the Federally Approved COVID-19 Reasons Apply to You

You are not unemployed, partially unemployed, or unable or unavailable to work due to at least one of these COVID-19 reasons. Therefore, you do not meet the legal requirements for payment of PUA benefits beginning 08/22/2021 until one of the COVID-19 reasons apply to you, and you contact us to reopen your claim. (Public Law 116-136 § 2102[a][3][A][ii])

- You have been diagnosed with COVID-19 or are experiencing symptoms of COVID-19 and are seeking a medical diagnosis.
- A member of your household has been diagnosed with COVID-19.
- You are providing care for a family member or a member of your household who has been diagnosed with COVID-19.
- A child or other person in the household for whom you have primary caregiving responsibility is unable to attend school or another facility that is closed as a direct result of the COVID-19 public health emergency and the school or facility care is required for you to work.
- You are unable to reach the place of employment because of a quarantine imposed as a direct result of the COVID–19 public health emergency.
- You are unable to reach your place of employment because you have been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
- You were scheduled to start employment and do not have a job or are unable to reach the job as a direct result of the COVID-19 public health emergency.
- You have become the breadwinner or major financial support for your household because the head of your household has passed away as a direct result of COVID-19.
- You had to quit your job as a direct result of COVID-19.
- Your place of employment is closed as a direct result of COVID-19.
- You are self-employed and experienced a significant reduction of services because of COVID-19.
- You were denied continued unemployment benefits because you refused to return to work or accept an offer of work at a worksite that, in either instance, is not in compliance with local, state, or national health and safety standards directly related to COVID-19. This includes but is not limited to, those related to facial mask wearing, physical distancing measures, or the provision of personal protective equipment consistent with public health guidelines.
- You provided services to an educational institution or educational service agency and are unemployed or partially unemployed because of volatility in the work schedule that is directly caused by the COVID-19 public health emergency. This includes, but is not limited to, changes in schedules and partial closures.
- You are an employee and your hours have been reduced or you were laid off as a direct result of the COVID-19 public health emergency.

The Employment Development Department (EDD) requires your consent to receive certain documents in an electronic format. With your consent, you will also be able to electronically sign and authorize documents related to your application for Unemployment Insurance (UI) benefits.

It is important that you understand your rights and responsibilities. Please review the following, and if you agree with the e-Consent Agreement (agreement), follow the directions at the bottom of this page to certify your consent.

Your Consent

If you consent to this agreement, you agree to receive and sign documents and other disclosures electronically with the EDD and DocuSign, Inc. (DocuSign). If a document related to your claim is not available in electronic format, a paper copy will be mailed to you. It is your responsibility to ensure any items you sign or submit electronically are accurate and complete. Any incomplete submissions may cause processing delays or a denial of benefits.

If you do not consent to this agreement, you will not be able to submit electronically signed documents to the EDD and must use the provided paper copies related to your UI benefits claim.

Withdrawal of Your Consent

You have the right to withdraw your consent at any time.

To withdraw your consent:

1. Select Personal Profile from the main menu.
2. In the Personal Preferences section, select the Personal Preferences link.
3. Change your Correspondence Method to "Paper."

You will not be required to pay a fee to receive paper copies of your UI benefits claim documents.

System Requirements

In order to receive documents and other disclosures electronically, you must have a computer with internet access. Additionally, it is your responsibility to ensure your computer meets the minimum system requirements for DocuSign . These requirements may change over time, and it is your responsibility to maintain the hardware and software requirements while your UI benefits claim remains active or until you withdraw your consent to this agreement.

Obtaining Paper Copies

You can obtain a paper copy of any communication or document by printing it yourself or by contacting the EDD. There is no fee for requesting paper copies of items, but processing times may vary before paper copies are mailed to you. The EDD also maintains discretion to provide you with paper copies of any documents related to your claim at any time.

Acknowledgement

By consenting to this agreement, you acknowledge that:

- You have read and understood the terms and conditions previously described.
- You intend to transact electronically with the EDD.
- You will maintain current contact information with the EDD while your UI benefits claim remains active.
