an alternative mobility plan and fee ~~funding~~ system or an alternative system that is not mobility plan and fee based. The local government ~~that uses one or more of the tools and techniques identified in paragraph (f). Any alternative mobility funding system adopted~~ may not use an alternative system ~~be used~~ to deny, time, or phase an application for site plan approval, plat approval, final subdivision approval, building permits, or the functional equivalent of such approvals provided that the developer agrees to pay for the development's identified transportation impacts via the funding mechanism implemented by the local government. The revenue from the funding mechanism

used in the alternative system must be used to implement the needs of the local government's plan which serves as the basis for the fee imposed. An alternative ~~A mobility fee-based funding~~ system must comply with s. 163.31801 governing impact fees. An alternative system may not impose ~~that is not mobility fee-based shall not be applied in a manner that imposes~~ upon new development any responsibility for funding an existing transportation deficiency as defined in paragraph (h).

(j) Only the local government issuing the building permit may charge for transportation capacity impacts associated with new development or redevelopment that occurs within its jurisdiction. Such local government must collect and account for any extrajurisdictional impacts pursuant to s. 163.3177(6)(h), regardless of whether it implements a transportation concurrency system or an alternative system. A local government may not charge new development or redevelopment for the same transportation impacts.

Committee/Subcommittee hearing bill: Commerce Committee

Representative LaMarca offered the following:

Amendment (with title amendment)

Remove everything after the enacting clause and insert:

Section 1. Section 215.5587, Florida Statutes, is created to read:

215.5587 My Safe Florida Home Program; public records exemption.—

(1) All of the following information contained in applications and home inspection reports submitted by applicants as part of the My Safe Florida Home Program under s. 215.5586 is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution:

(a) The components of the applicant's mailing address other than the city, zip code, and the applicant's name.

(b) Any phone number or e-mail address provided by the applicant.

(c) Detailed descriptions and pictures of the inside and outside of applicant's homes.

(2) This exemption applies retroactively to applications and home inspection reports submitted before, on, or after the effective date of this exemption.

(3) This section is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2029, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. The Legislature finds that it is a public necessity that the following information contained in applications and home inspection reports submitted by applicants as part of the My Safe Florida Home Program be made exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution: an applicant's name, certain components of his or her mailing address, an applicant's phone number or e-mail address, as well as descriptions and pictures of the inside and outside of an applicant's home. The Legislature further finds that it is a public necessity that the public record exemption be applied retroactively. More than 99 percent of all home inspections and grant applications are completed electronically or by phone. Under current law, My Safe Florida Home Program applications and home inspection reports are public

records and can be obtained by anyone for any purpose. This information is unique to each individual and can be used for identity theft, consumer scams, unwanted solicitations, or other invasive contact. Additionally, My Safe Florida Home Program applications and home inspection reports contain detailed descriptions and pictures of the inside and outside of applicants' homes, including private areas, points of entry, and other vulnerabilities. The public availability of this information puts participants in the My Safe Florida Home Program at increased risk of home invasions and reduces privacy in their homes. These risks may be significantly limited by making such information contained in My Safe Florida Home Program applications and home inspection reports exempt from public record requirements.

Section 3. This act shall take effect upon becoming a law.

T I T L E A M E N D M E N T

Remove lines 3-10 and insert:

215.5587, F.S.; providing an exemption from public records requirements for certain information in applications and home inspection reports submitted by applicants to the Department of Financial Services as a part of the My Safe Florida Home Program; providing retroactive applicability; providing for

future legislative review and repeal of the exemption; providing a statement of public necessity; providing an effective date.
