Section 3. Section 1. Paragraphs (g) and (h) are added to subsection (7) of section 553.73, Florida Statutes, to read:

553.73 Florida Building Code.—

(7)

(g) The commission shall modify the Florida Building Code to state that sealed drawings by a design professional are not required for the replacement of windows, doors, or garage doors in an existing one- or two-family dwelling or townhouse if all of the following conditions are met:

1. The replacement windows, doors, or garage doors are installed in accordance with the manufacturer's instructions for the appropriate wind zone.

2. The replacement windows, doors, or garage doors meet the design pressure requirements in the most recent version of the Florida Building Code, Residential.

3. A copy of the manufacturer's instructions is submitted with the permit application in a printed or digital format.

4. The replacement windows, doors, or garage doors are the same existing size and installed in the same existing opening.

(h) The term "windborne debris region" has the same meaning as in the Florida Building Code, 7th Edition (2020) Residential, until the adoption of the 9th Edition of the Florida Building Code.

Section 4. Subsection (16) of section 553.79, Florida Statutes, is amended to read:

553.79 Permits; applications; issuance; inspections.—

~~(16) Except as provided in paragraph (c), a building permit for a single-family residential dwelling must be issued within 30 business days after receiving the permit application unless the permit application fails to satisfy the Florida Building Code or the enforcing agency's laws or ordinances.~~

~~(a) If a local enforcement agency fails to issue a building permit for a single-family residential dwelling within 30 business days after receiving the permit application, it must reduce the building permit fee by 10 percent for each business day that it fails to meet the deadline. Each 10-percent reduction shall be based on the original amount of the building permit fee.~~

~~(b) A local enforcement agency does not have to reduce the building permit fee if it provides written notice to the applicant, by e-mail or United States Postal Service, within 30 business days after receiving the permit application, that~~

~~specifically states the reasons the permit application fails to satisfy the Florida Building Code or the enforcing agency's laws or ordinances. The written notice must also state that the applicant has 10 business days after receiving the written notice to submit revisions to correct the permit application and that failure to correct the application within 10 business days will result in a denial of the application.~~

~~(c) The applicant has 10 business days after receiving the written notice to address the reasons specified by the local enforcement agency and submit revisions to correct the permit application. If the applicant submits revisions within 10 business days after receiving the written notice, the local enforcement agency has 10 business days after receiving such revisions to approve or deny the building permit unless the applicant agrees to a longer period in writing. If the local enforcement agency fails to issue or deny the building permit within 10 business days after receiving the revisions, it must reduce the building permit fee by 20 percent for the first business day that it fails to meet the deadline unless the applicant agrees to a longer period in writing. For each additional business day, but not to exceed 5 business days, that the local enforcement agency fails to meet the deadline, the building permit fee must be reduced by an additional 10 percent. Each reduction shall be based on the original amount of the building permit fee.~~

~~(d) If any building permit fees are refunded under this subsection, the surcharges provided in s. 468.631 or s. 553.721 must be recalculated based on the amount of the building permit fees after the refund.~~

~~(e) A building permit for a single-family residential dwelling applied for by a contractor licensed in this state on behalf of a property owner who participates in a Community Development Block Grant-Disaster Recovery program administered by the Department of Economic Opportunity must be issued within 15 working days after receipt of the application unless the permit application fails to satisfy the Florida Building Code or the enforcing agency's laws or ordinances.~~

Section 5. Paragraphs (a), (b) and (c) of subsection (7) of section 553.791, Florida Statutes, are amended to read:

553.791 Alternative plans review and inspection.—

(7)(a)1. No more than 20 business days after receipt of a permit application and the affidavit from the private provider required pursuant to subsection (6), the local building official shall issue the requested permit or provide a written notice to the permit applicant identifying the specific plan features that do not comply with the applicable codes, as well as the specific code chapters and sections. If the local building official does not provide a written notice of the plan deficiencies within the prescribed 20-day period, the permit application shall be deemed

approved as a matter of law, and the permit shall be issued by the local building official on the next business day.

2. Where the private provider is a person licensed as a professional engineer under Chapter 471 or as an architect under chapter 481 and affixes his or her industry seal to the affidavit required under subsection (6), the local building official must issue the requested permit or provide a written notice to the permit applicant identifying the specific plan features that do not comply with the applicable codes, as well as the specific code chapters and sections, within 10 business days after receipt of the permit application and affidavit. The local building official must provide with specificity the plan's deficiencies, the reasons the permit application failed, and the applicable codes being violated in such written notice. If the local building official does not provide specific written notice to the permit applicant within the prescribed 10-day period, the permit application is deemed approved as a matter of law, and the permit must be issued by the local building official on the next business day.

(b) If the local building official provides a written notice of plan deficiencies to the permit applicant within the prescribed time period in paragraph (a) ~~20-day period~~, the time ~~20-day~~ period shall be tolled pending resolution of the matter. To resolve the plan deficiencies, the permit applicant may elect

to dispute the deficiencies pursuant to subsection (14) or to submit revisions to correct the deficiencies.

(c) If the permit applicant submits revisions, the local building official has the remainder of the tolled time ~~20-day~~ period plus 5 business days from the date of resubmittal to issue the requested permit or to provide a second written notice to the permit applicant stating which of the previously identified plan features remain in noncompliance with the applicable codes, with specific reference to the relevant code chapters and sections. Any subsequent review by the local building official is limited to the deficiencies cited in the written notice. If the local building official does not provide the second written notice within the prescribed time period, the permit shall be deemed approved as a matter of law, and the local building official must issue the permit on the next business day.

Section 6. Subsections (1) and (2) of section 553.792, Florida Statutes, are amended and subsection (4) is added to that section, to read:

553.792 Building permit application to local government.—

(1)(a) A local government must approve, approve with conditions, or deny a building permit application after receipt of a completed and sufficient application within the following timeframes, unless the applicant waives such timeframes in writing:

1. For an applicant using a local government plans reviewer to obtain a building permit, within 30 business days after receiving a complete and sufficient application.

2. For an applicant using a private provider consistent with s. 553.791 to obtain a building permit, within 15 business days after receiving a complete and sufficient application.

3. For an applicant for a master plan permit, within 10 business days after receiving a complete and sufficient application.

4. For an applicant for a single-family residential dwelling applied for by a contractor licensed in this state on behalf of a property owner who participates in a Community Development Block Grant-Disaster Recovery program administered by the Department of Commerce, within 10 business days after receipt of the application unless the permit application fails to satisfy the Florida Building Code or the enforcing agency's laws or ordinances.

5. For an applicant for a multifamily residential unit, within 60 business days after receiving a complete and sufficient application.

If the local government does not approve, approve with conditions, or deny the completed and sufficient application within the required timeframes in this paragraph, the application is deemed or determined to be approved. A local

government may not require a waiver of the timeframes as a condition to review an application for a building permit.

Representative Tramont offered the following:

Amendment (with title amendment)

Remove lines 90-317 and insert:

product is terminated, the entity shall refund to the buyer all ~~any~~ unearned portions of the purchase price of ~~fees paid for~~ the contract unless the contract provides otherwise. A refund is not due to a consumer who receives a benefit under such product. In order to receive a refund, the buyer must notify the entity of the event terminating the contract and request a refund within 90 days after the occurrence of the event terminating the contract. An entity may offer a buyer a contract that does not provide for a refund only if the entity also offers that buyer a bona fide option to purchase a comparable contract that provides

for a refund. An entity may not deduct more than $75 in administrative fees from a refund made under this subsection.

(h) Guaranteed asset protection products may be cancelable or noncancelable after a free-look period as defined in s. 520.152.

(i) If the termination of the guaranteed asset protection product occurs because of a default under the retail installment contract or contract for a loan, the repossession of the motor vehicle associated with the retail installment contract or contract for a loan, or any other termination of the retail installment contract or contract for a loan, the entity may pay any refund due directly to the holder or administrator and apply the refund as a reduction of the amount owed under the retail installment contract or contract for a loan, unless the buyer can show that the retail installment contract has been paid in full.

Section 3. Section 520.151, Florida Statutes, is created to read:

520.151 Florida Vehicle Value Protection Agreements Act.—Sections 520.151-520.156 may be cited as the "Florida Vehicle Value Protection Agreements Act."

Section 4. Section 520.152, Florida Statutes, is created to read:

520.152 Definitions.—As used in ss. 520.151-520.156, unless the context or subject matter otherwise requires, the term:

(1) "Administrator" means the person who is responsible for the administrative or operational function of managing vehicle value protection agreements, including, but not limited to, the adjudication of claims or benefit requests by contract holders.

(2) "Commercial transaction" means a transaction in which the motor vehicle subject to the transaction is used primarily for business or commercial purposes.

(3) "Contract holder" means a person who is the purchaser or holder of a vehicle value protection agreement.

(4) "Finance agreement" means a loan, retail installment sales contract, or lease for the purchase, refinancing, or lease of a motor vehicle.

(5) "Free-look period" means the period of time, commencing on the effective date of the contract, during which the buyer may cancel the contract for a full refund of the purchase price. This period may not be shorter than 30 days.

(6) "Motor vehicle" has the same meaning as provided in s. 520.02.

(7) "Provider" means a person that is obligated to provide a benefit under a vehicle value protection agreement. A provider

may function as an administrator or retain the services of a third-party administrator.

(8) "Vehicle value protection agreement" includes a contractual agreement that provides a benefit toward either the reduction of some or all of the contract holder's current finance agreement deficiency balance or the purchase or lease of a replacement motor vehicle or motor vehicle services upon the occurrence of an adverse event to the motor vehicle, including, but not limited to, loss, theft, damage, obsolescence, diminished value, or depreciation. The term does not include guaranteed asset protection products as defined in s. 520.02. Such a product is not insurance for purposes of the Florida Insurance Code.

Section 5. Section 520.153, Florida Statutes, is created to read:

520.153 Requirements and prohibitions as to vehicle value protection agreements.—

(1) Vehicle value protection agreements may be offered, sold, or given to consumers in this state in compliance with this act.

(2) Notwithstanding any other law, any amount charged or financed for a vehicle value protection agreement is not considered a finance charge or interest and must be separately stated in the finance agreement and in the vehicle value protection agreement.

(3) The extension of credit, the terms of credit, or the terms of the related motor vehicle sale or lease may not be conditioned upon the consumer's payment for or financing of any charge for a vehicle value protection agreement. However, a vehicle value protection agreement may be discounted or given at no charge in connection with the purchase of other noncredit related goods or services.

(4) A provider may use an administrator or other designee to administer a vehicle value protection agreement.

(5) A vehicle value protection agreement may not be sold or given to any person unless he or she has been or will be provided access to a copy of such vehicle value protection agreement at a reasonable time after such vehicle value protection agreement is sold or given.

(6) A vehicle value protection agreement may not be sold or given if coverage is duplicative of another vehicle value protection agreement sold or given to a person or duplicative of a guaranteed asset protection product.

(7) Each provider shall do one of the following:

(a) Insure all of its vehicle value protection agreements under a policy that pays or reimburses the contract holder in the event the provider fails to perform its obligations under the vehicle value protection agreement. The insurer must be licensed or otherwise authorized or eligible to do business in this state.

(b) Maintain a funded reserve account for its obligations under its contracts issued and outstanding in this state. The reserves may not be less than 40 percent of gross consideration received, less claims paid, on the sale of the vehicle value protection agreement for all in-force contracts in this state. The reserve must be placed in trust with the office and have a financial security deposit valued at not less than 5 percent of the gross consideration received, less claims paid, on the sale of the vehicle value protection agreements for all vehicle value protection agreements issued and in force in this state, but at least $25,000. The reserve account must consist of one of the following:

1. A surety bond issued by an authorized surety.

2. Securities of the type eligible for deposit by insurers as provided in s. 625.52.

3. Cash.

4. A letter of credit issued by a qualified financial institution.

(c) Maintain, or together with its parent corporation maintain, a net worth or stockholders' equity of $100 million and, upon request, provide the office with a copy of the provider's or the provider's parent company's Form 10-K or Form 20-F filed with the Securities and Exchange Commission within the last calendar year, or if the company does not file with the Securities and Exchange Commission, a copy of the company's

audited financial statements, which must show a net worth of the provider or its parent company of at least $100 million. If the provider's parent company's Form 10-K, Form 20-F, or financial statements are filed to meet the provider's financial security requirement, the parent company must agree to guarantee the obligations of the provider relating to vehicle value protection agreements sold by the provider in this state.

(8) A financial security requirement other than those imposed in subsection (7) may not be imposed on vehicle value protection agreement providers.

Section 6. Section 520.154, Florida Statutes, is created to read:

520.154 Disclosures.—

(1) A vehicle value protection agreement must disclose in writing, in clear, understandable language, all of the following:

(a) The name and address of the provider, contract holder, and administrator, if any.

(b) The terms of the vehicle value protection agreement, including, but not limited to, the purchase price to be paid by the contract holder, if any, the requirements for eligibility and conditions of coverage, and any exclusions.

(c) Whether the vehicle value protection agreement may be canceled by the contract holder during a free-look period as defined in s. 520.152, and that, in the event of cancellation,

the contract holder is entitled to a full refund of the purchase price, if any, so long as no benefits have been provided.

(d) The procedure the contract holder must follow, if any, to obtain a benefit under the terms and conditions of the vehicle value protection agreement, including, if applicable, a telephone number, website, or mailing address where the contract holder may apply for a benefit.

(e) Whether the vehicle value protection agreement is cancelable after the free-look period and the conditions under which it may be canceled, including the procedures for requesting any refund of the unearned purchase price paid by the contract holder. In the event that the agreement is cancelable, it must include the methodology for calculating any refund due of the unearned purchase price of the vehicle value protection agreement.

(f) That the extension of credit, the terms of the credit, or the terms of the related motor vehicle sale or lease may not be conditioned upon the purchase of the vehicle value protection agreement.

(2) A vehicle value protection agreement must state the terms, restrictions, or conditions governing cancellation of the vehicle value protection agreement before the termination or expiration date of the vehicle value protection agreement by either the provider or the contract holder. The provider of the vehicle value protection agreement shall mail a written notice

to the contract holder at the last known address of the contract holder contained in the records of the provider at least 5 days before cancellation by the provider, which notice must state the effective date of the cancellation and the reason for the cancellation. However, such prior notice is not required if the reason for cancellation is nonpayment of the provider fee, a material misrepresentation by the contract holder to the provider or administrator, or a substantial breach of duties by the contract holder relating to the covered motor vehicle or its use. If a vehicle value protection agreement is canceled by the provider for a reason other than nonpayment of the provider fee, the provider must refund to the contract holder 100 percent of the unearned pro rata provider fee paid by the contract holder, if any. If coverage under the vehicle value protection agreement continues after a claim, any refund may reflect a deduction for claims paid and, at the discretion of the provider, an administrative fee of not more than $75.

Section 7. Section 520.155, Florida Statutes, is created to read:

520.155 Commercial transactions exempt.—Sections 520.154 and 520.156 do not apply to vehicle value protection agreements offered in connection with a commercial transaction.

For purposes of this section, the term "violations of a similar nature" means violations that consist of the same or similar course of conduct, action, or practice, irrespective of the number of times the action, conduct, or practice determined to be a violation of ss. 520.151-520.155 occurred.

Section 9. Section 520.157, Florida Statutes, is created to read:

520.157 Excess wear and use waiver.—

(1) For purposes of this section, the term "excess wear and use waiver" means a contractual agreement wherein a lessor agrees, regardless of whether subject to a separate fee, to cancel or waive all or part of amounts that may become due under a lease agreement as a result of excess wear and use of a motor vehicle, which agreement must be part of, or a separate addendum to, the lease agreement. Such waivers may also cancel or waive amounts due for excess mileage.

(2) A retail lessee may contract with a retail lessor for an excess wear and use waiver in connection with a lease agreement.

(3) The terms of the related motor vehicle lease may not be conditioned upon the consumer's payment for any excess wear and use waiver. However, excess wear and use waivers may be discounted or given at no charge in connection with the purchase of other noncredit-related goods.

(4) A lease agreement that includes an excess wear and use waiver must disclose all of the following:

(a) The total charge for the excess wear and use waiver.

(b) Any exclusions or limitations on the amount of excess wear and use which may be waived under the excess wear and use waiver.

(c) The terms, restrictions, or conditions governing cancellation of the excess wear and use waiver before the termination or expiration of the excess wear and use waiver, which may include an administrative fee of not more than $75.

(5) An excess wear and use waiver is not insurance for purposes of the Florida Insurance Code.

Amendment

Remove lines 79-321 and insert:

coverage for accidents and for illnesses of pets. Property insurance may contain a provision for accidental death or injury as part of a multiple peril homeowner's policy. Such insurance, which is incidental to the property insurance, is not subject to the provisions of this code applicable to life or health insurance. Property insurance does not include title insurance, as defined in s. 624.608.

Section 2. Paragraph (hh) is added to subsection (1) of section 626.9541, Florida Statutes, to read:

626.9541 Unfair methods of competition and unfair or deceptive acts or practices defined.—

(1) UNFAIR METHODS OF COMPETITION AND UNFAIR OR DECEPTIVE ACTS.—The following are defined as unfair methods of competition and unfair or deceptive acts or practices:

(hh) Sales practices for pet wellness programs.—

1. A pet insurance agent may not market a wellness program as pet insurance.

2. If a wellness program is sold by a pet insurance agent:

a. The purchase of the wellness program may not be a prerequisite to the purchase of pet insurance;

b. The costs of the wellness program must be separate and identifiable from any pet insurance policy sold by the pet insurance agent;

c. The terms and conditions of the wellness program must be separate from any pet insurance policy sold by the agent;

d. The products or coverages available through the wellness program may not duplicate the products or coverages available through the pet insurance policy; and

e. The advertising of the wellness program must not be misleading.

Section 3. Section 627.71545, Florida Statutes, is created to read:

627.71545 Pet insurance; noninsurance wellness programs.—

(1) This section may be cited as the "Pet Insurance Act."

(2) The purpose of this section is to promote the public welfare by creating a comprehensive regulatory framework within which pet insurance may be sold in this state.

(3) This section applies to all of the following:

(a) Pet insurance policies that are issued to any resident of this state or that are sold, solicited, negotiated, or offered in this state.

(b) Pet insurance policies or certificates that are delivered or issued for delivery in this state.

(4)(a) This section may not be construed to prohibit or limit the types of exclusions pet insurers may use in their policies or to require pet insurers to include in such policies any of the limitations or exclusions specified in subsection (9).

(b) All other applicable provisions of the Florida Insurance Code apply to pet insurance, except that this section supersedes any general provisions of the Florida Insurance Code which otherwise apply to pet insurance.

(5)(a) As used in this section, the term:

1. "Chronic condition" means a condition that can be treated or managed, but not cured.

2. "Congenital anomaly or disorder" means a condition that is present from birth, whether inherited or caused by the environment, and that may cause or contribute to illness or disease.

3. "Hereditary disorder" means an abnormality that is genetically transmitted from parent to offspring and may cause illness or disease.

4. "Orthopedic" refers to a condition that affects the bones, skeletal muscle, cartilage, tendons, ligaments, or joints. Orthopedic conditions include, but are not limited to, elbow dysplasia, hip dysplasia, intervertebral disc degeneration, patellar luxation, and cranial cruciate ligament rupture but do not include any cancer or any metabolic, hematopoietic, or autoimmune disease.

5. "Pet insurance" means an insurance policy that provides coverage for accidents and for illnesses and diseases of pets. Such insurance reimburses a policyholder for expenses associated with medical advice, diagnosis, care, or treatment provided by a veterinarian, including, but not limited to, the cost of drugs prescribed by the veterinarian.

6. "Pet insurance policy" or "policy" includes pet insurance certificates.

7. "Preexisting condition" means a condition for which any of the following is true before the effective date of or during a waiting period applicable to a pet insurance policy:

a. A veterinarian provided medical advice.

b. The pet received previous treatment.

c. Based on information from verifiable sources, the pet had signs or symptoms directly related to the condition for which a claim is being made.

A condition for which coverage is afforded on a policy is not deemed to be a preexisting condition on any renewal of the policy.

8. "Renewal" means the issuance and delivery at the end of an insurance policy period of a policy that supersedes the policy previously issued and delivered by the same pet insurer or affiliated pet insurer and that provides types and limits of coverage substantially similar to those contained in the policy being superseded.

9. "Veterinarian" means a health care practitioner who is licensed to engage in the practice of veterinary medicine in this state under chapter 474.

10. "Waiting period" means the period of time specified in a pet insurance policy which is required to run before some or all of the coverage in the policy may begin. This period may not be applied to renewals of existing coverage.

11. "Wellness program" means a subscription or reimbursement-based program that is separate from an insurance policy and that provides goods and services to promote the general health, safety, or well-being of the covered pet. If the subscription or program includes language such as "undertakes to

indemnify another," "pays a specified amount upon determinable contingencies," or "provides coverage for a fortuitous event," the subscription or program is transacting in the business of insurance and is subject to the Florida Insurance Code. This definition is not intended to classify a contract directly between a service provider and a pet owner which involves only the two parties as being the business of insurance, unless other indications of insurance also exist.

(b) If a pet insurer uses any of the terms defined in paragraph (a) in a pet insurance policy, the pet insurer must use the definition of each term as provided in paragraph (a) and must include each such definition in the policy. The pet insurer must also make such definitions available through a clear and conspicuous link on the main page of the website of the pet insurer or the pet insurer's program administrator.

(6)(a) A pet insurer transacting pet insurance must disclose the following to pet insurance applicants and policyholders:

1. Whether the policy excludes coverage due to any of the following:

a. A chronic condition;

b. A congenital anomaly or disorder;

c. A hereditary disorder; or

d. A preexisting condition.

2. If the policy includes any other exclusions not listed in subparagraph 1., the pet insurer must state the following in the disclosure: "Other exclusions may apply. Please refer to the exclusions section of the policy for more information."

3. Any policy provision that limits coverage through a waiting period, a deductible, a coinsurance payment, or an annual or lifetime policy limit. Waiting periods and applicable requirements must be clearly and prominently disclosed to applicants before the policy purchase.

4. Whether the pet insurer reduces coverage or increases premium based on the policyholder's claims history, the age of the covered pet, or a change in the geographic location of the policyholder.

5. Whether the underwriting company differs from the brand name used to market and sell the pet insurance.

(b) Before issuing a pet insurance policy, a pet insurer shall, through a clear and conspicuous link on the main page of the pet insurer's or the pet insurer's program administrator's website, provide a summary description of the basis or formula for the pet insurer's determination of claim payments under the policy.

1. A pet insurer that uses a benefit schedule to determine claim payments under a pet insurance policy must clearly disclose both of the following:

a. The applicable benefit schedule in the policy.

b. All benefit schedules used by the pet insurer under its pet insurance policies through a clear and conspicuous link on the main page of the pet insurer's or pet insurer's program administrator's website.

2. A pet insurer that determines claim payments under a pet insurance policy based on usual and customary fees, or any other reimbursement limitation based on prevailing veterinary service provider charges, shall do both of the following:

a. Include a usual and customary fee limitation provision in the policy which clearly describes the pet insurer's basis or formula for determining usual and customary fees and the manner in which that basis or formula is applied in calculating claim payments.

b. Disclose the pet insurer's basis for determining usual and customary fees through a clear and conspicuous link on the main page of the pet insurer's or pet insurer's program administrator's website.

(c) If any medical examination of the pet by a veterinarian is required to effectuate coverage, the pet insurer must clearly and conspicuously disclose any requirement for the examination before the policy is purchased and must disclose that examination documentation may result in a preexisting condition exclusion.

(d) A pet insurer shall create a summary of all policy disclosures required in paragraphs (a), (b), and (c) in a

separate document titled "Insurer Disclosure of Important Policy Provisions." The pet insurer shall post the document through a clear and conspicuous link on the main page of the pet insurer's or pet insurer's program administrator's website.

(e) At the time a pet insurance policy is issued or delivered to a policyholder, the pet insurer shall provide the policyholder with a copy of the Insurer Disclosure of Important Policy Provisions document required under paragraph (d), in at least 12-point type. At such time, the pet insurer shall also include a written disclosure with all of the following:

1. Contact information for the Division of Consumer Services of the department, including a link and toll-free telephone number, for consumers to submit inquiries and complaints relating to pet insurance products regulated by the department or office.

2. The address and customer service telephone number of the pet insurance agent.

(f) The disclosures required in this subsection are in addition to any other disclosures required by the insurance code or rules prescribed by the commission.

(7) Unless the policyholder has filed a claim under the pet insurance policy, a pet insurance applicant or policyholder may examine and return the policy or rider to the pet insurer or pet insurance agent or broker within 30 days after the applicant or policyholder obtains the receipt and is entitled to the

premium refunded if, after examining the policy or rider, he or she is not satisfied for any reason.

(8) A pet insurance policy and rider must have a notice prominently printed on or attached to the first page which includes specific instructions to accomplish a return, in type at least as large as any type appearing on the policy or rider contract and in substantially the following language:

> You have 30 days after the date you receive this policy, certificate, or rider to review and return it to the company if you decide not to keep it. You do not have to tell the company why you are returning it. If you decide not to keep policy, certificate, or rider, simply return it to the company at the company's administrative office, or to the insurance agent or broker from whom you bought it, as long as you have not filed a claim. You must return the policy, certificate, or rider within 30 days after the day you first receive it in order to receive a refund. The company must refund the full amount of any premium paid within 30 days after it receives the returned policy, certificate, or rider. The premium refund will be sent directly to the person who paid it. The policy, certificate, or rider will be void as if it had never been issued.

(9)(a) A pet insurer may issue a policy that excludes coverage on the basis of one or more preexisting conditions with appropriate written disclosure to the applicant or policyholder. The pet insurer has the burden of proving that the preexisting condition exclusion applies to the condition for which a claim is being made.

(b)1. A pet insurer may issue a new policy imposing a waiting period, which does not exceed 30 days from effectuation of coverage, for illnesses or diseases or for orthopedic conditions not resulting from an accident. A pet insurer may not issue a policy imposing a waiting period for accidents.

For purposes of this paragraph, the term "repeatedly" means two or more violations within a 12-month period.

(e) Any person who knowingly and intentionally defaces or destroys accounting records during the period in which such records are required to be maintained, or who knowingly or intentionally fails to create or maintain accounting records that are required to be created or maintained, with the intent of causing harm to the association or one or more of its members, commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(f) Any person who willfully and knowingly refuses to release or otherwise produce association records with the intent to avoid or escape detection, arrest, trial, or punishment for the commission of a crime, or to assist another person with such avoidance or escape, commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(g) ~~(c)~~ The association may adopt reasonable written rules governing the frequency, time, location, notice, records to be inspected, and manner of inspections, but may not require a parcel owner to demonstrate any proper purpose for the inspection, state any reason for the inspection, or limit a parcel owner's right to inspect records to less than one 8-hour business day per month. The association may impose fees to cover the costs of providing copies of the official records, including the costs of copying and the costs required for personnel to retrieve and copy the records if the time spent retrieving and copying the records exceeds one-half hour and if the personnel costs do not exceed $20 per hour. Personnel costs may not be charged for records requests that result in the copying of 25 or fewer pages. The association may charge up to 25 cents per page for copies made on the association's photocopier. If the association does not have a photocopy machine available where the records are kept, or if the records requested to be copied exceed 25 pages in length, the association may have copies made by an outside duplicating service and may charge the actual cost of copying, as supported by the vendor invoice. The association shall maintain an adequate number of copies of the recorded governing documents, to ensure their availability to members and prospective members. Notwithstanding this subsection ~~paragraph~~, the following records are not accessible to members or parcel owners:

1. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-product privilege, including, but not limited to, a record prepared by an association attorney or prepared at the attorney's express direction which reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the association and which was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings or which was prepared in anticipation of such litigation or proceedings until the conclusion of the litigation or proceedings.

2. Information obtained by an association in connection with the approval of the lease, sale, or other transfer of a parcel.

3. Information an association obtains in a gated community in connection with guests' visits to parcel owners or community residents.

4. Personnel records of association or management company employees, including, but not limited to, disciplinary, payroll, health, and insurance records. For purposes of this subparagraph, the term "personnel records" does not include written employment agreements with an association or management company employee or budgetary or financial records that indicate the compensation paid to an association or management company employee.

5. Medical records of parcel owners or community residents.

6. Social security numbers, driver license numbers, credit card numbers, electronic mailing addresses, telephone numbers, facsimile numbers, emergency contact information, any addresses for a parcel owner other than as provided for association notice requirements, and other personal identifying information of any person, excluding the person's name, parcel designation, mailing address, and property address. Notwithstanding the restrictions in this subparagraph, an association may print and distribute to parcel owners a directory containing the name, parcel address, and all telephone numbers of each parcel owner. However, an owner may exclude his or her telephone numbers from the directory by so requesting in writing to the association. An owner may consent in writing to the disclosure of other contact information described in this subparagraph. The association is not liable for the disclosure of information that is protected under this subparagraph if the information is included in an official record of the association and is voluntarily provided by an owner and not requested by the association.

7. Any electronic security measure that is used by the association to safeguard data, including passwords.

8. The software and operating system used by the association which allows the manipulation of data, even if the

owner owns a copy of the same software used by the association. The data is part of the official records of the association.

9. All affirmative acknowledgments made pursuant to s. 720.3085(3)(c)3.

(h) ~~(d)~~ The association or its authorized agent is not required to provide a prospective purchaser or lienholder with information about the residential subdivision or the association other than information or documents required by this chapter to be made available or disclosed. The association or its authorized agent may charge a reasonable fee to the prospective purchaser or lienholder or the current parcel owner or member for providing good faith responses to requests for information by or on behalf of a prospective purchaser or lienholder, other than that required by law, if the fee does not exceed $150 plus the reasonable cost of photocopying and any attorney fees incurred by the association in connection with the response.

(i) If an association receives a subpoena for records from a law enforcement agency, the association must provide a copy of such records or otherwise make the records available for inspection and copying to a law enforcement agency within 5 business days after receipt of the subpoena, unless otherwise specified by the law enforcement agency or subpoena. An association must assist a law enforcement agency in its investigation to the extent permissible by law.

(6) BUDGETS.—

(f) After one or more reserve accounts are established, the membership of the association, upon a majority vote at a meeting at which a quorum is present, may provide for no reserves or less reserves than required by this section. If a meeting of the parcel ~~unit~~ owners has been called to determine whether to waive or reduce the funding of reserves and such result is not achieved or a quorum is not present, the reserves as included in the budget go into effect. After the turnover, the developer may vote its voting interest to waive or reduce the funding of reserves. Any vote taken pursuant to this subsection to waive or reduce reserves is applicable only to one budget year.

(7) FINANCIAL REPORTING.—Within 90 days after the end of the fiscal year, or annually on the date provided in the bylaws, the association shall prepare and complete, or contract with a third party for the preparation and completion of, a financial report for the preceding fiscal year. Within 21 days after the final financial report is completed by the association or received from the third party, but not later than 120 days after the end of the fiscal year or other date as provided in the bylaws, the association shall, within the time limits set forth in subsection (5), provide each member with a copy of the annual financial report or a written notice that a copy of the financial report is available upon request at no charge to the member. Financial reports shall be prepared as follows:

(a) An association that meets the criteria of this paragraph shall prepare or cause to be prepared a complete set of financial statements in accordance with generally accepted accounting principles as adopted by the Board of Accountancy. The financial statements shall be based upon the association's total annual revenues, as follows:

1. An association with total annual revenues of $150,000 or more, but less than $300,000, shall prepare compiled financial statements.

2. An association with total annual revenues of at least $300,000, but less than $500,000, shall prepare reviewed financial statements.

3. An association with total annual revenues of $500,000 or more shall prepare audited financial statements.

4. An association with 1,000 parcels or more shall prepare audited financial statements, notwithstanding the association's total annual revenues.

(d) If approved by a majority of the voting interests present at a properly called meeting of the association, an association may prepare or cause to be prepared:

1. A report of cash receipts and expenditures in lieu of a compiled, reviewed, or audited financial statement;

2. A report of cash receipts and expenditures or a compiled financial statement in lieu of a reviewed or audited financial statement; or

3. A report of cash receipts and expenditures, a compiled financial statement, or a reviewed financial statement in lieu of an audited financial statement.

An association may not prepare a financial statement pursuant to this paragraph for consecutive fiscal years.

(13) DEBIT CARDS.—

(a) An association and its officers, directors, employees, and agents may not use a debit card issued in the name of the association, or billed directly to the association, for the payment of any association expenses.

(b) A person who uses a debit card issued in the name of the association, or billed directly to the association, for any expense that is not a lawful obligation of the association commits theft as provided under s. 812.014.

For the purposes of this subsection, the term "lawful obligation of the association" means an obligation that has been properly preapproved by the board and is reflected in the meeting minutes or the written budget.

1. The newly elected or appointed director must complete the department-approved education for newly elected or appointed directors within 90 days after being elected or appointed.

2. The certificate of completion is valid for a maximum of 4 years.

3. At least every 4 years, a director must complete the education specific to newly elected or appointed directors.

(b) ~~The written certification or educational certificate is valid for the uninterrupted tenure of the director on the board.~~ A director who does not timely file the ~~written certification or~~ educational certificate is ~~shall be~~ suspended from the board until he or she complies with the requirement. The board may temporarily fill the vacancy during the period of suspension.

(c) The association shall retain each director's ~~written certification or~~ educational certificate for inspection by the members for 5 years after the director's election. However, the failure to have the written certification or educational certificate on file does not affect the validity of any board action.

(d) The department shall adopt rules to implement and administer the educational curriculum and continuing education requirements under this subsection.

(3) An officer, a director, or a manager may not solicit, offer to accept, or accept a kickback. As used in this subsection, the term "kickback" means any thing or service of value for which consideration has not been provided for an officer's, a director's, or a manager's ~~his or her~~ benefit or for the benefit of a member of his or her immediate family from any person providing or proposing to provide goods or services

to the association. An officer, a director, or a manager who knowingly solicits, offers to accept, or accepts a ~~any thing or service of value or~~ kickback commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, and ~~for which consideration has not been provided for his or her own benefit or that of his or her immediate family from any person providing or proposing to provide goods or services to the association~~ is subject to monetary damages under s. 617.0834. 2. Theft or embezzlement involving the association's funds or property as provided in s. 812.014.

3. Destruction of or the refusal to allow inspection or copying of an official record of a homeowners' association which

is accessible to parcel owners within the time periods required by general law, in furtherance of any crime. Such act constitutes tampering with physical evidence as provided in s. 918.13.

720.311 Dispute resolution.—

(1) The Legislature finds that alternative dispute resolution has made progress in reducing court dockets and trials and in offering a more efficient, cost-effective option to litigation. The filing of any petition for arbitration or the serving of a demand for presuit mediation as provided for in this section shall toll the applicable statute of limitations. Any recall dispute filed with the department under s. 720.303(10) shall be conducted by the department in accordance

with the provisions of ss. 718.112(2)(l) and 718.1255 and the rules adopted by the division. In addition, the department shall conduct binding arbitration of election disputes; disputes between an association and a parcel owner regarding use of or changes to the parcel or the common areas and other covenant enforcement; disputes regarding amendments to the association documents; disputes regarding meetings of the board and committees appointed by the board; disputes regarding membership meetings not including election meetings, and disputes regarding access to the official records of the association between a member and an association in accordance with s. 718.1255 and rules adopted by the division. Election disputes and recall disputes are not eligible for presuit mediation; these disputes must be arbitrated by the department or filed in a court of competent jurisdiction. At the conclusion of an arbitration proceeding, the department shall charge the parties a fee in an amount adequate to cover all costs and expenses incurred by the department in conducting the proceeding. Initially, the petitioner shall remit a filing fee of at least $200 to the department. The fees paid to the department shall become a recoverable cost in the arbitration proceeding, and the prevailing party in an arbitration proceeding shall recover its reasonable costs and attorney fees in an amount found reasonable by the arbitrator. The department shall adopt rules to effectuate the purposes of this section.
