DEFENDANT'S STATUS REPORT

Pursuant to the Court's April 1, 2024 order (ECF No. 28), defendant, the United States, respectfully submits this status report.

On March 28, 2024, the Government provided notice that the Department of Health and Human Services (HHS) intends to take corrective action in this case. Motion to Suspend Future Deadlines, ECF No. 27. Recently, HHS has revised its intended corrective action and will no longer cancel Request for Proposals No. 75A50322R00008. HHS now intends to reconsider its competitive range determination within the next thirty days, issue an amendment to the solicitation revising the current requirements, engage in discussions as needed, and solicit revised final proposals. Thereafter, HHS will make a new award decision.

The parties are finalizing their discussions concerning how judicial proceedings should proceed in this case. Accordingly, the Government, plaintiff, AirBoss Defense Group, LLC, and defendant-intervenor, New York Embroidery Studio, Inc., respectfully propose filing a joint status report on April 17, 2024, to apprise the Court of the parties' positions.[1]
