1. LEASED VEHICLE(S), RENT PAYMENT AND TERM

a. In consideration of the rent and conditions herein required to be paid and performed by Lessee, Lessor hereby leases to Lessee the vehicle(s) and installed equipment described and set forth in any Vehicle Lease Agreement - Schedule A which may now or from and at any time hereafter be signed by Lessor and Lessee, which Schedule(s) (including their terms and conditions) are hereby expressly incorporated by reference and made a part hereof in the same manner and with the same legal effect as though they had been executed and attached hereto contemporaneously with the execution of this Agreement. The terms "Vehicle", "Vehicle(s)" or "Vehicles" when used in this Agreement shall mean a motor vehicle or vehicles leased hereunder by Lessee.

b. For each Vehicle, Lessee agrees to pay the total monthly rent set forth on the applicable Schedule A in advance without deduction, setoff or counterclaim, on the first day of each month during the term of this Lease. If the delivery date for a Vehicle is other than the first or the last day of a month, the monthly rent for that Vehicle shall be prorated for that month and the term of this Lease for said Vehicle shall commence on the first day of the following month.

c. The term of this Agreement with respect to each Vehicle shall be as specified in the Schedule A for the Vehicle and shall commence on the delivery date of the Vehicle or, in the event delivery is not made on the first day of a month, the term shall commence on the first day of the month following the month in which delivery is made to Lessee. Lessor is hereby authorized to insert the delivery date and the Vehicle identification number in the spaces provided on Schedule A for each Vehicle.

d. This Agreement is one of leasing only, and Lessee shall not have or acquire any right, title, or interest in or to any Vehicle except the right to use or operate it as provided herein. Lessee has no option to purchase any Vehicle.

e. If Lessee fails to return a Vehicle to Lessor at the expiration of its lease term, or any renewal term, then this Lease shall automatically be renewed and extended with respect to such Vehicle for one year at the stated rent and upon all of the other terms and conditions of this Lease.

f. If Lessee does not pay in full any rent or other charge due hereunder on or before its due date, Lessee shall pay Lessor a delinquency charge of 1½ percent of the delinquent amount per month until the delinquency is paid in full.

2. MAINTENANCE AND REPAIRS

a. Lessee shall keep and maintain the Vehicle(s) in good operating condition and working order, using as a guide the maintenance program prescribed in the Owner's Manual, and shall perform all preventive maintenance required to insure full validation of the manufacturer's warranty. Lessee will pay for all maintenance not covered by the manufacturer's warranty. Failure to do so shall, at Lessor's option, result either in a default by Lessee under the provisions of Section 6 hereof, or a claim for indemnity, at any time, as provided in Section 8.

b. Lessee shall be responsible for the cost of all gasoline, oil, and all washing, polishing, and storage, to the extent necessary to maintain the Vehicle(s) in good operating condition and repair. Lessee shall maintain proper oil, battery and cooling levels and protection against freezing of radiator(s) and engine(s).

c. **LESSOR MAKES NO REPRESENTATIONS, PROMISES, STATEMENTS, OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF THE VEHICLE(S), OR OTHERWISE.** Lessee agrees that Lessor shall not be liable to lessee for any loss, claim, demand, liability, cost, damage or expense of any kind caused or alleged to be caused, directly or indirectly, by the Vehicle(s), or by any inadequacy thereof for any purpose, or by any defects therein or in the use or maintenance thereof, or by any repairs, servicing, or adjustments thereto, or by any delays in providing of, or any loss of business or any damage whatsoever or howsoever caused. Lessee agrees that its obligations hereunder to pay the rent provided herein shall not be affected in any way by any defect or failure of performance, and in no event shall Lessor be liable for any incidental or consequential damages.

3. INSURANCE

a. Insurance shall be procured for the Vehicle(s) by Lessee and shall be maintained during the term of this Lease. It must include for each Vehicle automobile liability insurance with minimum limits for bodily injury or death of **\$500,000** for any one person and **\$1,000,000** for any one accident and **\$100,000** for property damage, or **\$1,000,000** combined single limit. Lessee is self-insured for comprehensive, fire, theft, and collision coverage. Lessor shall be named as an insured on all insurance policies covering the Vehicle(s) and all such insurance policies shall be endorsed to protect Lessee, Lessor and any other person having an interest in the Vehicle(s), as their interests may appear. Any insurance policy carried by Lessee covering the Vehicle(s) shall afford primary coverage, and any insurance policy or policies carried by Lessor to protect its own interests shall provide only coverage secondary thereto unless such insurance was procured by Lessor for the specific purpose of affording primary coverage with respect to the Vehicle(s).

b. Prior to delivery of each Vehicle, Lessee shall provide Lessor with adequate proof of insurance in the manner required by Lessor. Lessor shall be under no duty to examine certificates furnished by Lessee or to advise Lessee in the event the insurance furnished by Lessee is not in compliance with this Agreement.

c. Lessee or insurer will provide Lessor 30 days prior written notice in the event the insurance should be materially altered or cancelled, and Lessor may (but shall not be obligated to) secure necessary insurance protection at Lessee's expense.

d. Lessee, Lessor, and their agents and employees shall comply with all the terms and conditions of said insurance, including the immediate reporting of all accidents to Lessor and the insurer, and doing all things necessary or proper to protect or preserve the other party's rights as a named insured in said insurance policies.

4. TAXES, LICENSING, REGISTRATION

Lessee shall pay the cost of all licensing and registration of the Vehicle(s) in Lessor's name, and any renewals thereof. Lessee shall pay all other taxes and governmental assessments, fees and charges imposed on or in connection with the Vehicle(s), including personal property taxes and any applicable sales or use tax. Lessor shall pay and bear all income taxes on the rent payable hereunder.

5. DELIVERY AND RETURN OF VEHICLE(S)

Delivery and return of the Vehicle(s) shall be at Lessor's place of business. Lessee agrees to return each Vehicle at the end of its lease term, or any extension thereof, or upon earlier termination of this Lease, in the same condition as when delivered, ordinary wear and tear accepted, and to pay as additional rent Lessor's cost of repairing or replacing any damage to a Vehicle not included in ordinary wear and tear. Damage and repairs not considered ordinary wear and tear shall include, but not be limited to, nicks, dents, tears, burns or discoloration in the upholstery, cracked glass, dented bumpers, engine or transmission damage, faulty or incomplete body repairs, and other damage which reduces a Vehicle's value. Lessee shall be liable to Lessor for any reduction in a Vehicle's value due to any of the foregoing conditions or items. Lessee and Lessor, or their agents, shall inspect each returned Vehicle and provide a jointly signed report on the condition of the Vehicle. Upon termination of this Lease with respect to a Vehicle, Lessee shall provide Lessor with an accurate written odometer statement for the Vehicle. Lessee shall be subject to fine or imprisonment for failing to complete the disclosure or for making a false statement.

6. DEFAULT AND EARLY TERMINATION

a. With respect to each Vehicle, Lessee may not terminate this Agreement prior to the expiration of the term hereof for said Vehicle without Lessor's express written consent. If this Agreement is terminated with respect to one or more Vehicles prior to the expiration of the stated lease term(s) for such Vehicle(s) for any reason, or if Lessee fails to pay in full when due any rent due hereunder, or defaults in the performance of any of the other terms, conditions or covenants contained herein, or if Lessee dies, ceases to exist, or becomes the subject of any bankruptcy, insolvency or receivership proceedings, or if any Vehicle is levied upon or encumbered by Lessee in any way, or if Lessor's rights in any Vehicle are prejudiced in any way, or if Lessor in good faith deems itself insecure, or if any guarantor of Lessee's obligations hereunder becomes the subject of any bankruptcy, insolvency, or receivership proceeding, then, in the case of any such event or events, Lessor shall have the right to take immediate possession of all of the Vehicles, wherever found, with or without process of law, and Lessee expressly authorizes Lessor and its agents to enter on any premises where the Vehicles may be found for the purpose of repossessing the Vehicles and expressly waives any further interest in the Vehicles and any right of action arising out of such entry and repossession. Upon repossession of the Vehicle(s) by Lessor, Lessee's right to possession and use of the Vehicle(s) shall terminate, but such repossession shall not constitute termination of this Agreement as to the Vehicle(s) unless Lessor expressly so notifies Lessee in writing.

b. Upon the occurrence of one or more of the events described in subparagraph 6(a), above, Lessor, in addition to any other remedies then available, shall have the right to recover from Lessee the following (the "Termination Value") with respect to each Vehicle returned to or recovered by Lessor: (i) the total of the unpaid monthly rent payments required under this Agreement, discounted to present value as of the date of early termination or default hereunder, utilizing as the discount factor the prime interest rate quoted on the delivery date for such Vehicle by BMO Harris Bank, N.A., or its successor, plus (ii)

the Estimated Residual Value as shown on the applicable Schedule A for the Vehicle, plus (iii) any collision damage, or damages for excess wear or use and other charges provided for in this Agreement, plus (iv) all costs of repossession, storing, repairing, and selling or leasing the Vehicle, including disposition fees and reasonable attorney's fees, plus (v) interest at 18% per annum on all of the foregoing from the date of early termination or default, less (vi) the net proceeds from the sale of the Vehicle, if sold, or if leased, the present value of the rent under such lease attributable to the unexpired term of this Agreement for the Vehicle, and less (vii) any payments received by Lessor under any insurance policy on the Vehicle that has not been applied to repair or replace the Vehicle. In the event of one or more of the events or occurrences described in subparagraph 6(a), above, Lessor shall be entitled to retain any amount realized on the sale or other disposition of the Vehicle(s) in excess of the Termination Value.

c. Upon the early termination of this Lease with respect to a Vehicle with Lessor's consent or at the end of the initial term or any extended term hereof with respect to a Vehicle, Lessor shall have the right to recover the Termination Value from Lessee (computed without regard to clause (vi) of subparagraph 6(b), above), and Lessee shall receive any gain and bear any loss incurred on the sale of the Vehicle. The gain or loss on the sale of the Vehicle shall be the surplus or deficiency realized in the computation of the Termination Value under subparagraph 6(b), above. Upon the return of the Vehicle to Lessor under this subparagraph, Lessor shall obtain a bona fide wholesale cash offer for the Vehicle and shall notify Lessee of the offer and the resulting gain or loss that would result from the acceptance of such offer. Lessee shall notify Lessor within 3 business days thereafter that it will either accept the sale of the Vehicle to the third party and accept the resulting gain (or bear the resulting loss, as the case may be), or will otherwise purchase the Vehicle from Lessor for the Termination Value (computed without regard to clause (vi) of subparagraph 6(b) above). If Lessee fails to make any election within 3 business days of such notice, or fails to purchase the Vehicle and pay Lessor the Termination Value for the Vehicle within that time, Lessor may accept such offer and charge or credit Lessee as appropriate. Any amount due to Lessor as a result of any termination shall be due as soon as the amount is determined.

d. If a Vehicle is lost, stolen or so damaged that it cannot, in Lessor's judgment, be economically repaired, this Lease shall terminate effective thirty (30) days from the date of notice by Lessee to Lessor of the loss, theft or damage, and Lessee shall pay Lessor the Termination Value on the effective date of termination, less the proceeds from any insurance settlement paid to Lessor.

e. Lessor's agreement to the early termination of this Lease with respect to a Vehicle or Lessor's acceptance or repossession of a Vehicle prior to the end of the lease term shall not be construed to be a waiver of this Section 6 unless Lessor expressly agrees to such waiver in writing.

f. If Lessee fails to accept delivery of the Vehicle(s), Lessee agrees to pay a restocking fee.

g. Upon the termination of this Lease for any reason, Lessor shall have the sole and exclusive right to determine whether the Vehicle(s) should, at Lessee's expense, be reconditioned, repaired and/or transported to another area prior to, or for the purpose of, being sold at wholesale or auctioned.

7. USE OF THE VEHICLE(S)

a. Lessee shall permit only safe, careful, licensed and authorized drivers to operate the Vehicle(s). Lessee agrees, upon written notice from Lessor specifying any excessive collision claims or any indication of any other incompetence by or of any driver, that Lessee will immediately take such action as is necessary to correct such conditions.

b. The Vehicle(s) shall not be used for hire or public transportation, and use of the Vehicle(s) shall be confined to the United States and Canada. Each Vehicle shall be garaged principally at the place set forth on Schedule A for such Vehicle and shall not be removed to any other area unless Lessee obtains the prior written consent of Lessor. Lessee shall not permit any Vehicle to be used in violation of any federal, state or municipal statutes, laws, ordinances, rules or regulations or contrary to the provisions of any applicable insurance policy, and Lessee shall indemnify and hold Lessor harmless from any and all fines, forfeitures, damages or penalties resulting from violation of such laws, ordinances, rules, regulations or policy.

c. Lessee shall not alter or tamper with a Vehicle's odometer or speedometer. If Lessor determines that the odometer or speedometer on a Vehicle has been tampered with or set back, it may arrange for the sale of the Vehicle in accord with all of the terms of Section 6 hereof as if this Lease had been prematurely terminated. Lessor may arrange for said sale at any time during or at the end of the lease term regardless of when said alteration or tampering is discovered by Lessor. If said alteration or tampering with the speedometer or odometer of the Vehicle(s) is discovered by Lessor or others subsequent to the return of the Vehicle(s) by Lessee to Lessor, Lessee shall, forthwith upon demand, indemnify hold harmless and pay Lessor such out-of-pocket losses and expenses as Lessor shall incur as a result thereof, including but not limited to attorney's fees and other cost of defending any action or claim which may be made against Lessor.

8. DAMAGES AND INDEMNIFICATION

a. Lessor shall not be responsible to Lessee, its agents, servants, employees, or others for any loss of business or other damage caused by any interruption of the service or use herein to be furnished by Lessor, or for time lost in repairing or replacing any Vehicle, nor for any loss, injury, or damage arising out of or relating to Lessor's failure to deliver any Vehicle by reason of strikes or other causes beyond Lessor's control, nor for any other losses or damages sustained by Lessee or others hereunder, except as specifically provided in Lessor's undertaking in this Agreement. It is expressly agreed that Lessor assumes no liability or responsibility for any acts or omissions of Lessee, its agents or employees, or for any property of Lessee, its agents or employees, or any other person's property damaged, lost or stolen in or from the Vehicle(s) or for damage to anyone's person or property caused by defects in the Vehicle(s), such liability to be borne by Lessee who expressly agrees to assume such liability and responsibility.

b. Lessee shall defend, indemnify and hold harmless Lessor and Lessor's officers, employees and agents from and against any damage, loss, theft, or destruction of the Vehicle(s), and against all losses, liabilities, damages, injuries, claims, demands, costs and expenses of every kind and nature, (whether or not covered by insurance or the manufacturer's warranty) including legal fees and disbursements, arising out of and in connection with the use, condition or operation of the Vehicle(s) during the lease term, regardless of whether the same arise or are discovered during or after the lease term.

9. GENERAL AND MISCELLANEOUS

a. This instrument constitutes the entire Agreement between the parties hereto and shall be binding on the parties hereto and their heirs, executors, administrators, legal representatives, successors and assigns. Lessor is authorized, but not required, to apply to the payment of any sums due Lessor hereunder as rent or otherwise, any security deposit or other sum of money belonging to Lessee which may come into Lessor's possession. This Agreement may not be amended or altered in any manner except in writing signed by both parties. No forbearance to exercise any rights or privileges under this Agreement or waiver of any breach of any of its terms shall be construed as a continuing waiver of any such terms, rights or privileges, but the same shall remain in full force and effect the same as if no such forbearance or waiver had occurred. Lessee shall pay all costs and attorney's fees incurred by Lessor in the enforcement of this Lease.

b. Neither this Agreement nor any interest herein may be assigned by Lessee nor may the right to use the Vehicle(s) be sublet, or leased to others. This Lease or any rent due or to become due may be assigned by Lessor without consent of Lessee, but subject to the rights of Lessee hereunder.

c. This Agreement shall be interpreted under and governed by the laws of the State of Wisconsin. If any provision hereof or the application of any provision to any person or circumstances is held invalid or unenforceable, the remainder hereof and the application of such provision to other persons or circumstances shall remain valid and enforceable.

d. Any notice given by one party to the other under this Agreement should be sent in writing addressed to the other party at his address as set out herein, or at such other address as may have been furnished in writing for such purpose. Any notice(s) sent by either party shall be considered effective (i) upon delivery if by hand or by overnight courier; or (ii) three days after mailing, if by certified or registered mail to the receiving party.

e. Time is the essence of this Agreement.

f. Interest will not be paid on any security deposit. Security deposits will not be segregated from Lessor's other funds.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the 13 day of FEBRUARY 2019
