WHEREAS, in the absence of Sellers acceptance of a superior bid made in accordance with the Bidding Procedures Order, Purchaser shall purchase the Acquired Assets and assume the Assumed Liabilities from Sellers, and Sellers shall sell, convey, assign, and transfer to Purchaser the Acquired Assets together with the Assumed Liabilities, in a sale authorized by the Bankruptcy Court pursuant to, *inter alia*, sections 105, 363 and 365 of the Bankruptcy Code, in accordance with the other applicable provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure and the local rules for the Bankruptcy Court, all on the terms and subject to the conditions set forth in this Agreement and subject to the entry and terms of the Sale Order; and

WHEREAS, Sellers have certain Subsidiaries and Affiliates that are not debtors-in-possession in the Bankruptcy Cases and not subject to the jurisdiction of the Bankruptcy Court, but which possess certain assets (including executory Contracts) that are necessary for the operation of the Business (collectively, the “Non-Debtors”).

The Sale Order shall provide that as of and conditioned on the occurrence of the Closing, the applicable Sellers shall assume and assign or cause to be assigned to the applicable Purchaser, as applicable, the Assigned Contracts, each of which shall be identified by the name or appropriate description and date of the Assigned Contract (if available), the other party to the Assigned Contract and the address of such party for notice purposes, all included in a notice filed with the Bankruptcy Court. Such notice shall also set forth Sellers’ good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as itemized on Schedule 1.5(a) and determined by Sellers based on their books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Sellers shall, pursuant to the Sale Order, and the Assignment and Assumption Agreement(s) assume and assign to Purchaser (the consideration for which is included in the Closing Consideration), all Assigned Contracts that may be assigned by any such Seller to Purchaser pursuant to sections 363 and 365 of the Bankruptcy Code, subject to adjustment pursuant to Section 1.1(a). At the Closing, Purchaser shall (i) pay all Cure Costs and (ii) assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to Section 365 of the Bankruptcy Code.

(b) Excluding or Adding Assigned Contracts Prior to Closing. The Purchaser shall have the right to notify Sellers in writing of any Assigned Contract (other than purchase orders) that it does not wish to assume or any previously considered Excluded Contract that is Related to the Business (other than any Mixed-Use Contract) to which any Seller is a party that the Purchaser wishes to add as an Assigned Contract up to two (2) Business Days prior to the Closing, and (i) any such previously considered Assigned Contract that the Purchaser no longer wish to assume shall be automatically deemed removed from the Schedules related to Assigned Contracts and automatically deemed added to the Schedules related to Excluded Contracts, in each case, without any adjustment to the Closing Consideration, and (ii) any such previously considered Excluded Contract that is Related to the Business (other than any Mixed-Use Contract) that the Purchaser wishes to assume as an Assigned Contract shall be automatically deemed added to the Schedules related to Assigned Contracts, automatically deemed removed from the Schedules related to Excluded Contracts, and assumed by the applicable Seller to sell and assign to the applicable Purchaser, in each case, without any adjustment to the Closing Consideration. The applicable Purchaser shall be solely responsible for the payment, performance and discharge when due of the Liabilities under the Assigned Contracts arising or that are otherwise payable from the time of and after the Closing.

(c) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement, a Contract shall not be assigned to, or assumed by, Purchaser to the extent that such Contract (A) is terminated by a Seller, its Affiliates; provided that, no Seller or its Affiliates shall terminate any Contract Related to the Business or concerning Leased Real Property unless Purchaser otherwise consents in writing (such consent not to be unreasonably withheld, conditioned or delayed), (B) is terminated by any other party (excluding any Seller or its Affiliates) thereto in accordance with its terms, or (C) terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to and determined after giving effect to any Order of the Bankruptcy Court, including the Sale Order) in order to permit the sale or transfer to Purchaser of the applicable Seller's right, title and interest in and to such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as such right, title and interest is to be transferred by Purchaser hereunder, such asset shall not be transferred to, or received by, Purchaser. If any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of (x) such time as such Consent or Governmental Authorization is obtained and (y) six months following the Closing (or the closing of the Bankruptcy Cases or dissolution of the applicable Seller(s), if earlier), Sellers and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or

sublicensing to Purchaser any or all of any Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs imposed on Sellers or their respective Affiliates or any direct costs associated with the retention and maintenance of such Acquired Asset incurred by any Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume and timely discharge any related burden and obligation with respect to such Acquired Asset. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, the applicable Seller's right, title and interest in and to such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement, the Sale Order and the Bankruptcy Code. Notwithstanding anything herein to the contrary, (x) the provisions of this Section 1.5(c) shall not apply to any Consent or approval required under the HSR Act and any other applicable antitrust, competition, foreign direct investment or "FDI", or merger control Laws promulgated by any Governmental Body ("Foreign Competition Laws"), which Consent or approval shall be governed by Section 6.4 and (y) no Seller will be obligated to pay any consideration therefor to any third party from whom Consent or Governmental Authorization is requested or to initiate any litigation to obtain any such Consent or Governmental Authorization.

Section 1.6 Certain Non-Debtors.

(a) At the Closing, subject to the terms and subject to the conditions set forth herein, Sellers shall cause each Non-Debtor set forth on Schedule 1.6 (which schedule shall be agreed upon by the Parties as promptly as practicable and in any event prior to the Closing Date) to sell, transfer, assign, convey, and deliver to Purchaser, and Purchaser shall purchase, acquire, and accept from such Non-Debtors, all of such Non-Debtor's right, title and interest in and to, as of the Closing, the assets set forth on Schedule 1.6 with respect to such Non-Debtor, free and clear of all Encumbrances other than Permitted Encumbrances.

(b) On the terms and subject to the conditions set forth herein, effective as of the Closing, Purchaser shall irrevocably assume from each Non-Debtor set forth on Schedule 1.6 (and after the Closing pay, perform, discharge, or otherwise satisfy in accordance with their respective terms), and such Non-Debtor shall irrevocably transfer, assign, convey, and deliver to Purchaser, the Liabilities of such Non-Debtor set forth on Schedule 1.6 with respect to such Non-Debtor.

(c) Where applicable, the assets set forth on Schedule 1.6 shall constitute Acquired Assets; provided that (i) no Non-Debtor is or shall in any event be a Debtor and (ii) as such, none of the provisions of this Agreement to the extent relating to or involving the Bankruptcy Code shall apply to the transactions contemplated by this Section 1.6.

(d) Except as otherwise provided in ~~Section 6.3(i)~~Section 6.3(i), Purchaser shall have the right to notify Sellers in writing of any asset or liability of any Non-Debtor included in Schedule 1.6 or previously set forth on Schedule 1.6 that it does not wish to

acquire or assume up to two (2) Business Days prior to the Closing, and any such asset or liability that the Purchaser no longer wishes to acquire or assume shall be automatically deemed removed from Schedule 1.61.6.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

Section 2.1 Consideration; Payment.

(a) The aggregate consideration to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) the assumption of Assumed Liabilities and (ii) the payment of the Closing Consideration in accordance with Section 2.6 and this Section 2.1. For purposes of this Agreement, “Closing Consideration” shall mean an amount equal to a cash payment of \$53,500,000 (the “Cash Payment”).

(b) Purchaser has deposited into escrow with Acquiom Clearinghouse LLC (the “Escrow Agent”) an amount equal to \$5,500,000 (such amount, together with all interest and other earnings accrued thereon, the “Deposit”), by wire transfer of immediately available funds pursuant to the terms of the Bidding Procedures Order. The Deposit shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of any Seller or Purchaser.

(c) At the Closing, Purchaser shall deliver, or cause to be delivered, to Sellers an aggregate amount equal to (i) the Cash Payment less (ii) the Deposit plusless (iii) the amount equal to \$1,169,665.25 paid by Purchaser for the insurance policy referenced in Section 7.2(l) plus (iv) the Closing Acquired Cash Amount less ~~(iv)~~ \$8,000,000 (the “Holdback Amount,” and collectively with (i), (ii), ~~and~~ (iii) and (iv), the “Closing Date Payment”). The Closing Date Payment and any payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Party to (or for the benefit of) whom such payment is to be made at least three (3) Business Days prior to the date such payment is to be made.

(d) The Holdback Amount shall be deposited with the Escrow Agent, pursuant to an escrow agreement to be entered into among Vyaire, Purchaser, and the Escrow Agent, in customary form and substance reasonably satisfactory to the Parties.

(e) “Closing Acquired Cash Amount” means \$2,648,472.

Section 2.2 Deposit Release. The Deposit shall be released by the Escrow Agent and delivered to either (x) Purchaser or (y) Sellers, as follows:

(a) If, prior to the Closing, this Agreement has been terminated by Sellers pursuant to Section 8.1(d) or 8.1(f) (or by Purchaser pursuant to Section 8.1(b) or 8.1(c)), in each case in circumstances where Sellers would be entitled to terminate this Agreement pursuant to Section 8.1(d) or 8.1(f)), then Sellers shall retain the Deposit together with all received investment income, if any.

(b) If, prior to the Closing, this Agreement has been terminated by any Party, other than as contemplated by Section 2.2(a), then the Deposit, together with all received investment income, if any, shall be returned to Purchaser within five (5) Business Days after such termination.

(c) The Parties agree that Sellers' right to retain the Deposit, as set forth in Section 2.2(a), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(d) If the Closing occurs, at the Closing, Sellers shall deliver instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Sellers.

Section 2.3 Holdback Amount.

(a) Subject to the terms and conditions of this Section 2.3, Purchaser shall have the right to reduce the Closing Consideration by deducting from the Holdback Amount an amount based upon certain Liabilities related to the Business, together with the calculation of the Acquired Cash Amount, and determined in accordance with Schedule 2.3 (the total amount of such deduction, the "Closing Consideration Reduction Amount"). In the event the Acquired Cash Amount is greater or lesser than the Closing Acquired Cash Amount, then (1) if greater, the amount in excess of the Closing Acquired Cash Amount shall be included in (and increase) the Holdback Payment released to Sellers pursuant to this Section 2.3, provided that, in the event such excess amount would result in a Holdback Payment in excess of the Holdback Amount, Purchaser shall promptly pay or cause to be paid to the Sellers the amount in excess of the Holdback Amount; and (2) if lesser, the amount of the Closing Acquired Cash Amount deficit shall be included in (and increase) the Closing Consideration Reduction Amount, and any Holdback Payment to be released to Sellers shall be reduced on a dollar-for-dollar basis by the amount of such deficit.

(b) No later than twenty (20) Business Days after the Closing Date, Purchaser shall in good faith prepare and deliver to the Sellers a statement (the "Closing Liabilities Statement") containing Purchaser's calculation, as of the Closing Date, of the Closing Consideration Reduction Amount and each of the components thereof and prepared in accordance using the accounting methods, practices, principles, policies and procedures, with consistent classifications, judgments and valuation and estimation methodologies used by Sellers and their Affiliates in the preparation of the Financial Statements.

(c) The Sellers shall have twenty (20) Business Days after receipt of the Closing Liabilities Statement to review and to notify Purchaser of any disputes regarding the Closing Liabilities Statement (the "Closing Liabilities Review Period"). During the Closing Liabilities Review Period, Sellers and their respective Advisors shall, upon reasonable prior notice to Purchaser and during regular business hours, have reasonable access to the books and

records and other documents and materials relevant to analyzing the accuracy of the Closing Liabilities Statement. Upon Purchaser's receipt of Sellers' written acceptance of the Closing Liabilities Statement and subject to the terms and conditions set forth in this Section 2.3, the Parties shall promptly provide joint written instructions to the Escrow Agent to pay to (i) Sellers by wire transfer of immediately available funds to the bank account(s) designated in writing by Sellers an amount equal to (A) the Holdback Amount, *less* (B) the Closing Consideration Reduction Amount (the result of (A) and (B), the "Holdback Payment"); provided that the Holdback Payment shall not be less than zero, and (ii) Purchaser the remaining amounts, if any, of the Holdback Payment.

(d) In the event that the Sellers dispute the calculation of the Closing Consideration Reduction Amount (or any component thereof) set forth in the Closing Liabilities Statement (each such item, a "Disputed Item"), Sellers shall notify Purchaser in writing of such dispute (the "Dispute Notice") prior to the end of the Closing Liabilities Review Period. Purchaser and Sellers shall work together in good faith to resolve any Disputed Items as soon as practicable after the delivery of a Dispute Notice. All discussions related thereto will be governed by Rule 408 of the Federal Rules of Evidence (as in effect as of the date of this Agreement) and any applicable similar state rule, unless otherwise agreed in writing by Sellers and Purchaser.

(e) If Purchaser and Sellers are unable to resolve in writing all Disputed Items within fifteen (15) Business Days from the date of Purchaser's receipt of the Dispute Notice, then Purchaser and Sellers shall jointly submit the dispute to Kroll, LLC (provided that Kroll, LLC shall have confirmed in writing to the Parties that it is impartial and independent with respect to the Parties at the time of such submission), or if such firm is not able or willing, such other nationally or regionally recognized independent public accounting, valuation or similar dispute resolution firm as shall be mutually agreed by Purchaser and Sellers (the "Accounting Expert") to make a binding determination, as an expert and not as an arbitrator, as to the disputed items in accordance with this Agreement; provided that the basis of the Accounting Expert's determination must be based solely on the definitions and other applicable provisions of this Agreement or correcting mathematical errors (and not with the use of or introduction of any other principles, practices, policies, procedures, conventions, classifications, estimation techniques, judgements or methodologies). The Accounting Expert will have exclusive jurisdiction over any disputes arising out of or relating to the adjustments pursuant to this Section 2.3, and resort to the process involving the Accounting Expert as provided in this Section 2.3 will be the only recourse and remedy of the Parties against one another with respect to any such dispute. The Parties agree that all adjustments shall be made without regard to materiality.

(f) All presentations and submissions by Purchaser and Sellers shall be made to the Accounting Expert no later than fifteen (15) days after the engagement of the Accounting Expert, and the Accounting Expert shall, under the terms of its engagement, have no more than fifteen (15) Business Days from thereafter to render its written decision (it being acknowledged and agreed that the failure of the Accounting Expert to timely deliver its written decision shall not render the determination of the Accounting Expert invalid) with respect to the Disputed Items (and only with respect to any unresolved Disputed Items set forth in the Dispute Notice) and the final calculations of Closing Consideration Reduction Amount shall be based solely on

the resolution of the Disputed Items. All discussions and presentations by Purchaser or Sellers to the Accounting Expert must take place in the presence (including by telephone) of the other Party, and all submissions made by Purchaser or Sellers to the Accounting Expert must be concurrently delivered to the other Party. In resolving any Disputed Item, the Accounting Expert may not assign a value to any item greater than the maximum value for such item claimed by either Party or less than the minimum value of such item claimed by either Party in the Closing Liabilities Statement and the Dispute Notice. The fees and expenses of the Accounting Expert shall be allocated between Purchaser and Sellers (as determined by the Accounting Expert) so that Sellers' share of such fees and expenses shall be equal to the product of (i) the aggregate amount of such fees and expenses, and (ii) a fraction, the numerator of which is the aggregate amount in dispute that is ultimately unsuccessfully disputed by Sellers and the denominator of which is the total amount in dispute submitted to the Accounting Expert. The balance of such fees and expenses shall be paid by Purchaser.

(g) Following the final determination of the Closing Consideration Reduction Amount and the Holdback Payment in accordance with this Section 2.3, the Parties shall promptly provide joint written instructions to the Escrow Agent to pay to (i) Sellers by wire transfer of immediately available funds to the bank account(s) designated in writing by Sellers an amount equal to the Holdback Payment and (ii) Purchaser the remaining amounts, if any, of the Holdback Payment.

(h) Schedule 2.3 sets forth illustrative calculations of the Closing Consideration Reduction Amount, the components thereof and the Holdback Payment.

Section 2.4 Closing. The closing of the purchase and sale of the Acquired Assets, the delivery of the Closing Consideration and the assumption of the Assumed Liabilities in accordance with this Agreement (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the second Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions), or at such other place and time as the Parties may agree in writing. The date on which the Closing actually occurs is referred to herein as the "Closing Date."

Section 2.5 Closing Deliveries by Sellers. At or prior to the Closing, Sellers shall deliver, or caused to be delivered, to Purchaser:

(a) a bill of sale and assignment and assumption agreement substantially in the form of Exhibit A (the "Assignment and Assumption Agreement") duly executed by the applicable Sellers;

(b) a short-form Intellectual Property assignment agreement substantially in the form of Exhibit B (the "IP Assignment Agreement"), duly executed by the applicable Sellers;

(c) a transition services agreement substantially in the form attached hereto as Exhibit D, together with schedules to such agreement in form and substance reasonably acceptable to the Parties (which the Parties shall negotiate in good faith to finalize as promptly as practicable) (the “Transition Services Agreement”), duly executed by the applicable Sellers, setting forth the terms and conditions upon which certain Sellers will perform specified services to Purchaser after the Closing in order to transition the Business to Purchaser;

(d) certificates (to the extent such Equity Interests are certificated) representing all of the Equity Interests of the Acquired Entities, duly endorsed in blank or accompanied by transfer powers or such other instruments, in each case, in customary form and substance, sufficient to transfer to the Purchaser of the Equity Interests of the Acquired Entities under applicable Law, free and clear of any Encumbrances (other than Permitted Encumbrances), which instruments shall not expand any representation or warranty, or any remedy or Liability, of any Party, duly executed by the applicable Sellers or Non-Debtor; provided, however, that if any such equity certificate (to the extent such Equity Interests are certificated) has been lost, damaged, or destroyed, then the applicable Person shall execute and deliver to the Purchaser an affidavit and indemnity agreement, in customary form, with respect to such lost, damaged, or destroyed stock certificate;

(e) instruments, agreements, or other documents, in each case in customary form that are necessary to transfer the applicable Non-Debtor’s right, title and interest in and to, as of the Closing, the assets and the Liabilities set forth on Schedule 1.6 to Purchaser in the manner required by applicable Law, which instruments, agreements, or documents shall not expand any representation or warranty, or any remedy or Liability, of any Party, duly executed by the applicable Sellers;

(f) (i) an IRS Form W-9 or IRS Form W-8, as applicable, executed by each Seller or each Seller’s regarded owner for U.S. federal income Tax purposes and (ii) as requested by Purchaser, a certificate or certificates from the Acquired Entities, dated as of the Closing Date and in accordance with Treasury Regulation Section 1.1445-2(c)(3) and Treasury Regulation Section 1.897-2(h), that each such Acquired Entity has not and has never been a “United States real property holding corporation” within the meaning of Section 897(c)(2) of the Code; provided that the failure to deliver such forms shall not be deemed a breach of any condition or covenant in this Agreement and Purchaser’s sole remedy for the failure to provide any such form shall be to withhold any required amount under Section 1445 of the Tax Code or any other applicable Tax Law from the consideration otherwise payable to Sellers hereunder in accordance with Section 2.7;

(g) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Vyaire certifying that the conditions set forth in Section 7.2(a) and Section 7.2(b) have been satisfied;

(h) letters of resignation, in form reasonably satisfactory to Purchaser, from the individuals listed on Schedule 2.5(h), which Schedule will be provided to Sellers no later than five (5) Business Days prior to Closing; and

(i) a written instruction, duly executed by Seller, instructing the Escrow Agent to release to the Seller by wire transfer of immediately available funds, the Deposit.

Section 2.6 Closing Deliveries by Purchaser. At the Closing, Purchaser shall deliver to (or at the direction of) Sellers:

- (a) the Closing Date Payment;
- (b) the Assignment and Assumption Agreement, duly executed by Purchaser;
- (c) the IP Assignment Agreement, duly executed by Purchaser;
- (d) the Transition Services Agreement, duly executed by Purchaser;
- (e) an officer's certificate, dated as of the Closing Date, executed by a duly authorized officer of Purchaser certifying that the conditions set forth in Section 7.3(a) and 7.3(b) have been satisfied; and
- (f) instruments, agreements, or other documents, in each case in customary form that are necessary to transfer the applicable Non-Debtor's right, title and interest in and to, as of the Closing, the assets and the Liabilities set forth on Schedule 1.6 to Purchaser in the manner required by applicable Law, which instruments, agreements, or documents shall not expand any representation or warranty, or any remedy or Liability, of any Party, duly executed by Purchaser (to the extent Purchaser's execution of such instruments, agreements, or other documents is necessary).

Section 2.7 Withholding. Each Purchaser shall be entitled to deduct and withhold any Taxes from any amounts otherwise payable pursuant to this Agreement under any applicable Law; provided that in the event any Purchaser intends to withhold any Taxes from the Closing Date Payment (other than in respect of a Seller's failure to satisfy its obligations under Section 2.5(f)), Purchaser shall exercise commercially reasonable efforts to provide at least five (5) Business Days' notice to such Seller of the intent to withhold and shall exercise commercially reasonable efforts to work together in good faith with such Seller to determine if an exemption from or reduced rate of withholding is available. All such amounts withheld and remitted to the appropriate Governmental Body shall be treated as delivered to Seller in respect of which such deduction or withholding was made hereunder. Prior to the Closing, in connection with Schedule 1.6, the Parties shall mutually and reasonably agree to the Tax structure of Purchaser, taking into consideration any applicable withholding requirements and the Transactions.

Section 2.8 Indirect Taxes.

(a) Wherever possible, the Parties intend that Article 19 and Article 29 of EC Directive 2006/112 (or any provision imposed in a member state of the European Union pursuant thereto or any similar equivalent provision imposed in any other jurisdiction) ("TOGC Relief") shall apply to the sale and transfer of the relevant Acquired Assets pursuant to this Agreement, and accordingly agree to use commercially reasonable efforts to ensure that the sale and transfer of the relevant Acquired Assets shall be treated as neither a supply of goods nor a supply of

services for Indirect Tax purposes pursuant to such TOGC Relief under the law of each applicable jurisdiction in which Indirect Tax would otherwise be chargeable. If the application of any TOGC Relief is subsequently challenged by any relevant Taxing Authority, the Parties shall consult in good faith and take all reasonable steps to defend and resist such challenge.

(b) All amounts payable pursuant to this Agreement which (in whole or in part) constitute the consideration for any supply for Indirect Tax purposes shall be deemed to be exclusive of any Indirect Taxes which are chargeable on that supply. Accordingly, if (notwithstanding Section 2.8(a)) any Indirect Taxes become chargeable on any supply made by any Party (or any of its Affiliates) (the “Supplier”) to the other Party (or any of its Affiliates) (the “Recipient”) under this Agreement and the Supplier is required to account to the relevant Taxing Authority for the Indirect Tax, the Supplier shall provide an appropriate Indirect Tax invoice to the Recipient and the Recipient shall pay to the Supplier (in addition to and at the same time as paying any other consideration for such supply or, if later, within ten (10) Business Days of the Recipient’s receipt of a valid Indirect Tax invoice complying with all requirements under the applicable VAT laws in respect of such supply) an additional amount equal to the amount of the Indirect Tax (excluding, for the avoidance of doubt, any penalties, fines or interest attributable thereto).

(c) The Parties shall reasonably cooperate with each other in the provision of any information or preparation of documentation that may be necessary or useful for obtaining any available mitigation, reduction or exemption of Indirect Taxes or for seeking a refund or credit of Indirect Taxes, including duly executing and filing any invoices, forms or certificates required with respect thereto; provided that, none of the Parties or any of their Affiliates shall be required to file any claim for exemption or exclusion from the application or imposition of any Indirect Taxes, or any claim for any reduction thereof, if such Party determines in its sole discretion that the filing of such claim or any related action would have an adverse effect on such Party or any of its Affiliates. Any Tax Return that is required to be filed with respect to Indirect Taxes will be prepared and filed by the Party that customarily has primary responsibility for filing such Tax Return pursuant to applicable Law.

(d) “Indirect Tax” means any value added, goods and services, or similar tax, including VAT, imposed by any Governmental Body in any country at whatever level.

(e) “VAT” means any value added tax within the meaning of EC Directive 2006/112/EC (as amended from time to time) as transposed into the applicable law of the relevant member state of the European Union and any other similar Tax in any other relevant non-EU jurisdiction.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the Schedules delivered by Sellers concurrently herewith and subject to Section 10.11, Sellers represent and warrant to Purchaser as of the date hereof as follows.

Section 3.1 Organization and Qualification. Each Seller and each of the Acquired Entities is a corporation, limited liability company or limited partnership, as applicable, duly incorporated or organized, validly existing, and in good standing under the Laws of the jurisdiction of its incorporation or formation, and has all requisite power and authority necessary to carry on the Business as it is now being conducted, except (other than with respect to any Seller's due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Seller and each of the Acquired Entities is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or used by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 3.2 Authorization of Agreement. Subject to requisite Bankruptcy Court approvals, each Seller has all necessary power and authority to execute and deliver this Agreement and the Transaction Agreements to which it is a party and to perform such Seller's obligations hereunder and to consummate the Transactions. The execution, delivery and performance by each Seller of this Agreement and the other Transaction Agreements to which such Seller is a party, and the consummation by such Seller of the Transactions, subject to requisite Bankruptcy Court approvals, have been duly authorized by all requisite corporate or similar organizational action on the part of such Seller, as applicable, and no other corporate or similar organizational proceedings on such Seller's part are necessary to authorize the execution, delivery and performance by such Seller of this Agreement or the other Transaction Agreements to which it is a party and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals, this Agreement and the other Transaction Agreements to which any Seller is a party have been, or will be, duly executed and delivered by such Seller and, assuming due authorization, execution and delivery hereof and thereof by the other parties hereto and thereto, constitutes, or will constitute, legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with its and their terms, except that such enforceability (a) may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar Laws of general application affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principles of equity, whether considered in a proceeding at law or in equity (collectively, the "Enforceability Exceptions").

Section 3.3 Conflicts; Consents.

(a) Other than (a) requisite Bankruptcy Court approvals, (b) the notices, authorizations, approvals, Orders, Permits or Consents set forth on Schedule 3.3, (c) the requirements of the HSR Act and any other Foreign Competition Laws and (d) any filings required by any applicable federal or state securities or "blue sky" Laws, the execution and delivery by Sellers of this Agreement and the other Transaction Agreements, and the consummation by Sellers of the Transactions contemplated hereby and the performance or compliance by Sellers with any of the terms or provisions hereof or thereof, do not and will not (i) conflict with or violate any provision of a Seller's organizational documents (ii) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give

rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, of any of the terms or provisions of any loan or credit agreement or other Contract to which any Seller or an Acquired Entity is a party or accelerate any Seller's or Acquired Entities obligations under any such Contract, (iii) violate any Law or Order applicable to Sellers, or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any Acquired Assets, except in the case of clauses (i) through (iv), as would not, individually or in the aggregate, reasonably be expected to be material to the Acquired Assets, Assumed Liabilities and the Business.

Section 3.4 Equity Interests of Acquired Entities.

(a) The authorized and outstanding Equity Interests of each of the Acquired Entities are as set forth on Schedule 3.4(a) and are expressly and appropriately identified therein as either a Transferred Subsidiary or a Subsidiary of a Transferred Subsidiary. No other Acquired Entity exists other than those set forth on Schedule 3.4(a). All of the Equity Interests of the Acquired Entities have been duly authorized, validly issued, fully paid and are non-assessable (where such concepts are legally recognized in the jurisdictions of organization of such Acquired Entities). Except as set forth on Schedule 3.4(a), there are no outstanding options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to the issuance, purchase, sale or repurchase of any Equity Interests issued by the Acquired Entities, or Contracts, commitments, understandings, arrangements or other obligations by which any of the Acquired Entities is bound to issue, deliver or sell, or cause to be issued, delivered or sold, additional capital stock or other Equity Interests, or options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to any capital stock or other Equity Interests of the Acquired Entities, or that otherwise give any Person the right to receive any benefits or rights similar to any rights enjoyed by or accruing to the holders of shares of capital stock or other Equity Interests of any Acquired Entity (including any rights to receive any payment in respect, or based on the price or value, thereof). None of the Sellers or the Acquired Entities is a party to any shareholders' agreement, voting trust agreement, registration rights agreement or other similar agreement or understanding relating to any such securities or any other agreement relating to the disposition, voting or dividends with respect to any such securities. The Sellers and each Transferred Subsidiary (each as set forth in Schedule 3.4(a)), own all of the outstanding capital stock and any other Equity Interests of the Acquired Entities, free and clear of all Encumbrances (other than Permitted Encumbrances).

(b) Except as set forth on Schedule 3.4(b), there are no other corporations, limited liability companies, partnerships, joint ventures, associations or other entities or Persons in which the Acquired Entities own as of the date of this Agreement, of record or beneficially, any direct or indirect equity or other interest or any right (contingent or otherwise) to acquire the same.

Section 3.5 Financial Statements.

Purchaser is a corporation duly formed, validly existing and in good standing under the Laws of the Province of Ontario, Canada and has all requisite power and authority necessary to carry on its business as it is now being conducted, except (other than with respect to Purchaser's due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on Purchaser's ability to consummate the Transactions.

Section 4.2 Authorization of Agreement. Each Purchaser has all necessary power and authority to execute and deliver this Agreement and the Transaction Agreements and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court approvals, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on the part of any Purchaser are necessary to authorize the execution, delivery and performance by such Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals, this Agreement has been duly executed and delivered by each Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against each Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

Section 4.3 Conflicts; Consents.

(a) Subject to requisite Bankruptcy Court approvals, neither the execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the Transactions, nor performance or compliance by Purchaser with any of the terms or provisions hereof, will (i) conflict with or violate any provision of any Purchaser's organizational documents, (ii) violate any Law or Order applicable to any Purchaser, (iii) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancellation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which any Purchaser is a party or accelerate any Purchaser's obligations under any such Contract, or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of any Purchaser or any of such Purchaser's Subsidiaries, except, in the case of clauses (i) through (iv), as would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

(b) Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, Permit or Consent of or with any Governmental Body in connection with the execution, delivery and performance by any Purchaser of this Agreement or the consummation by any Purchaser of the Transactions, except (i) any filings required to be made under the HSR Act or any other Foreign Competition Laws, or (ii) where failure to obtain such Consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions, or (iii) as set forth on Schedule 4.3(b).

Section 4.4 Financing. Purchaser has, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Closing Consideration, to perform the Assumed Liabilities as they become due in accordance with their terms and to consummate all of the other Transactions, including the payment of the Closing Consideration and all fees, expenses of, and other amounts required to be paid by, Purchaser in connection with Transactions. Section 4.6 No Litigation. There are no Actions pending or, to the knowledge of Purchaser, threatened against or affecting Purchaser that will or would reasonably be expected to adversely affect Purchaser's performance of its obligations under this Agreement or the consummation of the Transactions.

Section 4.7 Investment Representation; Investigation. Purchaser is acquiring the Equity Interests of the Acquired Entities for its own account with the present intention of holding such securities for investment purposes and not with a view to, or for sale in connection with, any distribution of such securities in violation of any federal or state securities Laws. Purchaser is an "accredited investor" within the meaning of Regulation D promulgated pursuant to the Securities Act. Purchaser is knowledgeable about the industries in which the Acquired Entities operate and is capable of evaluating the merits and risks of the Transactions and is able to bear the substantial economic risk of such investment for an indefinite period of time. Purchaser has conducted its own independent investigation, review and analysis of the Acquired Entities, and acknowledges that it has been provided reasonably adequate access to the books and records, facilities and personnel of the Acquired Entities for such purpose.

Section 4.8 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments, agreements or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of any Seller or its respective board of directors (or applicable governing body of any Affiliate of any Seller), any holder of equity or debt securities of any Seller, or any lender or creditor of any Seller or any Affiliate of any Seller, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent,

restrict, impede or affect adversely the ability of any Seller or any of its Affiliates to entertain, negotiate or participate in any of the Transactions.

Section 4.9 No Foreign Person. As of Closing, Purchaser will not be a “foreign person,” as defined in Section 721 of the U.S. Defense Production Act of 1950, including any implementing regulations thereof.

No transfer of property is being made and no obligation is being incurred in connection with the Transactions with the intent to hinder, delay or defraud either present or future creditors of Purchaser or any of the Acquired Entities. In connection with the Transactions, Purchaser has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

Section 4.11 WARN Act and Mass Layoffs. Purchaser does not currently plan or contemplate any plant closings, reduction in force, terminations of employees, or similar personnel actions impacting Business Employees that would trigger obligations under the WARN Act or similar Laws.

Section 4.12 No Competitive Assets. Neither Purchaser nor, to the knowledge of Purchaser, any their “associates” or “affiliates” (each as defined in 16 CFR 801.1(d)) hold five percent (5%) or more of the economic interest, voting securities or non-corporate interests (as “hold,” “voting securities” and “non-corporate interest” are defined under 16 CFR 801) of any entity that competes with any of Sellers or the Acquired Entities to the extent that any such holdings would reasonably be expected to prevent or materially delay the expiration or termination of the waiting period under the HSR Act or applicable Foreign Competition Laws in connection with the Transactions.

Section 4.13 No Additional Representations or Warranties. Except for the representations and warranties contained in this Article IV, Sellers acknowledge that neither Purchaser nor any other Person on behalf of Purchaser makes any other express or implied representation or warranty with respect to Purchaser or with respect to any other information provided to Sellers by Purchaser.

ARTICLE V BANKRUPTCY COURT MATTERS

Section 5.1 Bankruptcy Actions.

(a) The bidding procedures to be employed with respect to this Agreement shall be those reflected in the Bidding Procedures Order. Purchaser agrees and acknowledges that Sellers, including through their representatives, are and may continue soliciting inquiries, proposals or offers from third parties in connection with any Alternative Transaction pursuant to

the terms of the Bidding Procedures Order. The terms of the Sale Order shall be reasonably acceptable to Purchaser.

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, the Parties shall use their respective commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Sale Order.

(c) Sellers shall promptly take all actions as are reasonably necessary to cause the Bankruptcy Court's entry of the Sale Order, and any other Order reasonably necessary in connection with the Transactions as promptly as practicable, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court and making such employees and Advisors of each Seller and its Affiliates available to testify before the Bankruptcy Court for the purposes of, among other things, demonstrating that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code. Purchaser shall promptly take all actions as are reasonably requested by Sellers to assist in obtaining the Bankruptcy Court's entry of the Sale Order, and any other Order reasonably necessary in connection with the Transactions as promptly as practicable, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court and making such employees and Advisors of Purchaser and its Affiliates available to testify before the Bankruptcy Court for the purposes of, among other things, providing necessary assurances of performance by Purchaser under this Agreement and demonstrating that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing.

(d) Each Seller and Purchaser shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and (ii) keep the other reasonably apprised of the status of material matters related to this Agreement, including, upon reasonable request promptly furnishing the other with copies of notices or other communications received by Sellers from the Bankruptcy Court with respect to the Transactions.

(e) If the portion of the Auction with respect to the Acquired Assets or the Business (the "RDx Auction") is conducted, and Purchaser is not the prevailing party at the conclusion of such RDx Auction (such prevailing party, the "Successful Bidder") but is the next highest bidder at the RDx Auction, Purchaser shall be required to serve as a back-up bidder (the "Backup Bidder") and keep Purchaser's bid to consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may be revised in the RDx Auction) open and irrevocable in accordance with the terms of the Bidding Procedures Order. If the Successful Bidder fails to consummate the applicable Alternative Transaction as a result of a breach or failure to perform on the part of such Successful Bidder, the Backup Bidder will be deemed to have the new prevailing bid, and Sellers may consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may have been improved upon in the RDx Auction).

(f) Sellers and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to higher and better bids and Bankruptcy Court approval. Purchaser acknowledges that Sellers must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice thereof to the creditors of Sellers and other interested parties, providing information about Sellers to prospective bidders, entertaining higher and better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Acquired Assets, conducting an Auction.

(g) Purchaser shall provide adequate assurance of future performance as required under Section 365 of the Bankruptcy Code for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been a sufficient demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser's Advisors available to testify before the Bankruptcy Court.

(h) Nothing in this Section 5.1 shall prevent Sellers from modifying the bidding procedures as necessary or appropriate to maximize value for Sellers' estate in accordance with Sellers' fiduciary obligations.

Section 5.2 Cure Costs.

(a) Upon objection by any Contract counterparty to the proposed Cure Costs asserted by the Sellers with regard to any Contract that Purchaser desires to include as an Assigned Contract (such contract, a "Disputed Contract") the Sellers shall, at Purchaser's prior written direction, either use commercially reasonable efforts to settle the objection of such party or shall litigate such objection (at Purchaser's sole expense if after the Closing). In no event shall the Sellers settle a Cure Cost objection with regard to any Disputed Contract without the express written consent of Purchaser (email being sufficient), which shall not be unreasonably withheld, delayed or conditioned. Upon entry of an Order determining any Cure Costs regarding any Disputed Contract (which may be the Bidding Procedures Order or Sale Order), Purchaser shall have the option to designate the Disputed Contract as an Excluded Asset, in which case, for the avoidance of doubt, Purchaser shall not assume the Disputed Contract and shall not be responsible for the associated Cure Costs, if any, with such Disputed Contract. The Sellers agree that they will promptly take such commercially reasonable actions as are necessary to obtain a Final Order of the Bankruptcy Court providing for the assumption and assignment of the Assigned Contracts.

(b) Notwithstanding anything in this Agreement to the contrary, to the extent any Contract that Purchaser desires to include as an Assigned Contract is not assumable and assignable by the Sellers to Purchaser under Section 365 of the Bankruptcy Code without the consent of the applicable counterparty thereto, this Agreement shall not constitute an agreement to assign any such Contract and the Sellers shall use their commercially reasonable efforts prior to Closing to obtain all such required consents of third parties under any such Contracts (the "Required Consents"). All such Required Consents shall be in writing, in form and substance reasonably acceptable to Purchaser. If a Required Consent is not obtained prior to Closing, or if

an attempted assignment thereof would be ineffective or would affect the rights thereunder so that Purchaser would not receive all such rights, the Sellers shall continue to use their commercially reasonable efforts to obtain such Required Consents promptly, but in no event later than forty-five days following the Closing and, until obtained, use their commercially reasonable efforts after Closing to provide to Purchaser the benefits under any such Contract or any claim or right, including, (i) enforcement for the benefit of Purchaser of any and all rights of the Sellers against a third party thereto arising out of the default or cancellation by such third party or otherwise or (ii) cooperating in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing or sublicensing to Purchaser any or all of any Seller's rights and obligations with respect to any such Contract, under which Purchaser shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits under such Contract; provided, however, that if any Required Consent with respect to any Contract is not received within forty-five days after Closing, such Contract shall be deemed to be an Excluded Contract.

(c) Subject to entry of the Sale Order, Purchaser shall, on the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by the applicable Seller and assigned to the applicable Purchaser, in accordance with the provisions of Section 365 of the Bankruptcy Code and this Agreement.

Section 5.3 Sale Order. The Sale Order shall, among other things, (a) approve, pursuant to sections 105, 363 and 365 of the Bankruptcy Code, (i) the execution, delivery and performance by Sellers of this Agreement, (ii) the sale of the Acquired Assets to Purchaser on the terms set forth herein and free and clear of all Encumbrances (other than Encumbrances included in the Assumed Liabilities and Permitted Encumbrances), and (iii) the performance by Sellers of their obligations under this Agreement, (b) authorize and empower Sellers to assume and assign to Purchaser the Assigned Contracts, (c) find that Purchaser is a "good faith" buyer within the meaning of Section 363(m) of the Bankruptcy Code, find that Purchaser is not a successor to any Seller, and grant Purchaser the protections of Section 363(m) of the Bankruptcy Code, (d) find that Purchaser shall have no Liability or responsibility for any Liability or other obligation of any Seller arising under or related to the Acquired Assets other than as expressly set forth in this Agreement, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor Law, *de facto* merger, or substantial continuity, (e) find that Purchaser has provided adequate assurance (as that term is used in Section 365 of the Bankruptcy Code) of future performance in connection with the assumption of the Assigned Contracts and (f) find that Purchaser shall have no Liability for any Excluded Liability. Purchaser agrees that it will promptly take such actions as are reasonably requested by any Seller to assist in obtaining Bankruptcy Court approval of the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes, among others, of (A) demonstrating that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code and (B) establishing adequate assurance of future performance within the meaning of Section 365 of the Bankruptcy Code and in accordance with the Bidding Procedures Order.

Section 5.4 Approval. Sellers' obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Sale Order). Nothing in this Agreement shall require Sellers or their respective Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or its stakeholders.

Section 5.5 No Successor Liability. The Parties agree that the Sale Order shall provide that to the fullest extent permitted by Section 363(f) of the Bankruptcy Code, (a) Purchaser shall not be liable for any Liability or Encumbrances (other than the Assumed Liabilities and Permitted Encumbrances) against the Seller, the Debtors, or any of their predecessors, and (b) Purchaser shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing, whether now existing or hereafter arising, or whether fixed or contingent, with respect to the Business, the Acquired Assets or any of the Liabilities of Seller, the Debtors, or any of their predecessors arising prior to the Closing.

ARTICLE VI COVENANTS AND AGREEMENTS

(b) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) any limitations on operations imposed by a Final Order of the Bankruptcy Court or the Bankruptcy Code or Sellers' debtor-in-possession financing or use of cash collateral, as the case may be, (iii) as expressly contemplated, required or permitted by this Agreement, including for purposes of Section 1.6 and Section 6.17 (iv) to the extent related to an Excluded Asset or an Excluded Liability or (v) as set forth on Schedule 6.1, during the period from the date of this Agreement until the Closing (or such earlier date and time on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing (such

consent not to be unreasonably withheld, delayed or conditioned), Sellers shall not, and shall cause the Acquired Entities not to, take any of the following actions with respect to the Business:

(i) (A) other than transactions among the Sellers and the Acquired Entities as contemplated by, and in furtherance of or necessary for, the Transactions, issue, sell, encumber or grant any shares of the capital stock or other equity or voting interests of the Acquired Entities, or any securities or rights convertible into, exchangeable or exercisable for, or evidencing the right to subscribe for any shares of such capital stock or other equity or voting interests, or any rights, warrants or options to purchase any shares of such capital stock or other equity or voting interests; (B) other than transactions among the Sellers and the Acquired Entities as contemplated by, and in furtherance or necessary for, of the Transactions, redeem, purchase or otherwise acquire any of the outstanding shares of capital stock or other equity or voting interests of the Acquired Entities, or any rights, warrants or options to acquire any shares of such capital stock or other equity or voting interests, (C) establish a record date for, declare, set aside for payment or pay any dividend on, or make any other distribution in respect of, any shares of the capital stock or other equity or voting interests of the Acquired Entities, other than dividends and distributions by an Acquired Entity to another Acquired Entity in the Ordinary Course, or (D) split, combine, subdivide or reclassify any shares of the capital stock or other equity or voting interests of the Acquired Entities, except, in each case, to the extent permitted under the terms of any Employee Benefit Plan;

(vii) make any material changes in financial accounting methods, principles or practices materially affecting the consolidated assets, Liabilities or results of operations of Sellers and the Acquired Entities with respect to the Business, except insofar as may be required (A) by GAAP (or any interpretation thereof), (B) by any applicable Law or (C) by any Governmental Body or quasi-governmental authority (including the Financial Accounting Standards Board or any similar organization);

(xii) settle or compromise any pending or threatened Action against any Seller or Acquired Entity that is Related to the Business and that would result in an Assumed Liability in an amount in excess of \$25,000 or that would have a material impact on the Business, any of the Acquired Entities, or any of the Acquired Assets; or

(xiii) authorize any of, or commit or agree, in writing or otherwise, to take any of, the foregoing actions.

(c) Nothing contained in this Agreement is intended to give Purchaser or its Affiliates, directly or indirectly, the right to control or direct the Business (or the other business of Sellers and their Affiliates) prior to the Closing, and nothing contained in this Agreement is intended to give any Seller, directly or indirectly, the right to control or direct Purchaser's or its Affiliates operations. Prior to the Closing, each of Purchaser and Sellers shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

Section 6.2 Access to Information and Confidentiality.

(a) From the date hereof until the Closing, Sellers will provide each Purchaser and its authorized Advisors with reasonable access and upon reasonable advance notice and during regular business hours to the properties, offices, Assigned Contracts, Acquired Intellectual Property, employees, equipment and books and records of Sellers and the Acquired Entities, in each case, to the extent Related to the Business, in order for each Purchaser and its authorized Advisors to access such information regarding the Business, the Acquired Assets and the Assumed Liabilities as is reasonably necessary in connection with the preparation for and consummation of the Transactions; provided that (i) such access does not unreasonably interfere with the normal operations of any Seller or Acquired Entity, (ii) such access will occur in such a manner as Sellers reasonably determine to be appropriate to protect the confidentiality of the Transactions and such books and records, (iii) all requests for access will be directed to PJT Partners or such other Person(s) as Sellers or PJT Partners may designate in writing from time to time, (iv) Sellers and the Acquired Entities are not obligated to disclose and may redact or remove any information that is not related to the Business, and (v) nothing herein will require Sellers or any Acquired Entity to provide access to, or to disclose any information to, any Purchaser if such access or disclosure (A) would cause significant competitive harm to any Seller or any Acquired Entity if the Transactions are not consummated, (B) would require any

Seller or the Acquired Entities to disclose any financial or proprietary information of or regarding the Affiliates of any Seller (other than any Seller or Acquired Entity) or otherwise disclose information regarding the Affiliates of any Seller (other than any Seller or Acquired Entity) that such Seller deems to be commercially sensitive, (C) would waive any legal privilege or (D) would be in violation of applicable Laws (including the HSR Act and Foreign Competition Laws) or the provisions of any agreement to which any Seller or Acquired Entity is bound or would violate any fiduciary duty. Nothing herein will permit Purchaser or its Advisors to conduct any sampling or testing of environmental media or any other invasive investigation or assessment at any Leased Real Property or other property of the Acquired Entities, including of the type commonly known as a Phase II environmental site assessment.

(b) The information provided pursuant to this Section 6.2 will be used solely for the purpose of consummating the Transactions and will be governed by all the terms and conditions of the Confidentiality Agreement, which Confidentiality Agreement shall not terminate upon the execution of this Agreement notwithstanding anything to the contrary therein. Purchaser will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to Purchaser or any of its Advisors. Sellers and their Affiliates make no representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and Purchaser may not rely on the accuracy of any such information, in each case, other than the Express Representations.

(c) Upon Sellers' Knowledge of (i) the institution after the date of this Agreement of any adverse legal proceeding not previously disclosed in writing by Sellers to Purchaser or (ii) any material development in any adverse proceeding whether in the Bankruptcy Cases or otherwise, that, in the case of either (i) or (ii), if adversely determined, could be reasonably expected to be material to the Business, the Acquired Assets, or the Acquired Entities, Sellers shall provide written notice thereof, and thereafter, such other information as may be reasonably requested by Purchaser.

(d) From and after the Closing for a period of three (3) years following the Closing Date (or, if later, the closing of the Bankruptcy Cases), Purchaser will provide Sellers and their Advisors, subject to Sellers and Advisors entering into a confidentiality disclosure agreement in a form reasonably acceptable to the Purchaser, with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying) relating to the Acquired Assets, the Acquired Entities, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser (including for the purpose of better understanding the books and records). Unless otherwise consented to in writing by Sellers, Purchaser will not, for a period of three (3) years following the Closing Date, destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to Sellers such books and records or any portion thereof that Purchaser may intend to destroy, alter or dispose of. From and after the Closing, Purchaser will, and will cause its employees to, provide Sellers, at Seller's cost and expense, with reasonable assistance, support and cooperation with Sellers' wind-down and related activities (e.g., helping to locate documents or information related to preparation of Tax Returns or prosecution or

processing of insurance/benefit claims); provided, however, that Purchaser, including any employees of Purchaser or any of Purchaser's Affiliates, shall not provide any Tax or legal advice or be responsible for signing any Tax Returns on behalf of Sellers pursuant to this Section 6.2(d).

(e) Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier, lessee, lessor, lender, licensee, licensor, distributor, noteholder or other material business relation of any Seller prior to the Closing with respect to any Seller, its businesses or the Transactions without the prior written consent of such Seller for each such contact, such consent not to be unreasonably withheld, conditioned or delayed.

(f) The Confidentiality Agreement shall terminate as of the Closing Date with respect to confidential information Related to the Business. If this Agreement is terminated for any reason prior to the Closing Date, the Confidentiality Agreement will continue in full force and effect in accordance with the terms and conditions therein.

(g) The Sellers acknowledge that that they have had access to and use of confidential information and data, and that the protection of the confidential information and data is necessary to protect and preserve the value of the Business and the Acquired Assets after the Closing. After the Closing, the Sellers shall not, and shall cause their applicable controlled Affiliates not to (i) use for themselves or others or (ii) disclose or divulge or convey to any other Persons any confidential information and data, except to the extent necessary to fulfill the Sellers' obligations or exercise Sellers' rights under the Transaction Agreements or in connection with the administration and completion of the Bankruptcy Cases and wind down and liquidation of Sellers and their Subsidiaries. To the extent permitted under applicable Law, any of the foregoing permitted disclosures shall be subject to the Sellers first obtaining reasonable assurance that confidential treatment will be accorded to such confidential information and data and will be subject to use restrictions limited to the purpose for which the permitted disclosure is made. If the Sellers or any of their applicable Affiliates (excluding, after the Closing, any Acquired Entities) are required by applicable Law to disclose any such confidential information and data, the Sellers shall promptly notify Purchaser in writing and will disclose only that portion of the confidential information and data that the Sellers are, based on advice of counsel, legally required to disclose; provided that the Sellers shall use commercially reasonable efforts to obtain an appropriate protective Order or other reasonable assurance that confidential treatment will be accorded such confidential information and data and subject to use restrictions limited to the purpose for which the permitted disclosure is made. As used in this Section 6.2(g), "confidential information and data" means trade secrets, non-public aspects of the Intellectual Property of the Acquired Assets and other proprietary or confidential matters relating to the Business not published or generally known in the relevant trade or industry.

Section 6.3 Employee Matters.

(a) At least ~~fifteen~~five (~~15~~5) Business Days prior to Closing, Purchaser shall extend to each Business Employee employed by Sellers a written offer of at-will employment reviewed by Sellers, and which Sellers have had an opportunity to comment on, providing for a position that is the same or no less favorable than such employee's position immediately prior to

the Closing (including level of responsibility, primary location of employment and authority) and on the terms set forth in this Section 6.3 (“Transfer Offer”) and that, if accepted, shall become effective immediately after the Closing. Business Employees who accept such Transfer Offers and begin employment with Purchaser or an Affiliate of Purchaser, shall be collectively referred to herein as “Transferred Employees.” Purchaser shall notify Sellers in a reasonable timeframe (but in any event within three Business Days of receiving a response from the applicable Business Employee and no later than immediately prior to the Closing) with respect to whether each such offer has been accepted or rejected. Nothing herein shall be construed as a representation or guarantee by any Seller or any of their respective Affiliates that any or all Business Employees employed by Sellers will accept the Transfer Offer, or that any Transferred Employee or Business Employee employed by the Acquired Entities as of the Closing Date will continue in employment with Purchaser following the Closing for any period of time. Purchaser shall carry out all necessary actions to effect the timely employment by it of each Business Employee who has accepted a Transfer Offer. Effective as of the Closing, each Transferred Employee previously employed by ~~Sellers~~Seller shall cease to be an employee of each Seller.

(b) For a period of one year from and after the Closing Date, to the extent the Transferred Employee remains employed by Purchaser, Purchaser shall provide each Transferred Employee, or cause each Transferred Employee to be provided, with: (i) a base compensation or wage rate, as applicable, and annual cash bonus (excluding equity-based compensation) that, in the aggregate, are either substantially similar to the base compensation or wage rate and annual cash bonus provided to such Transferred Employee as of immediately prior to the Closing or, at Purchaser’s sole option, substantially comparable to those made available to similarly situated employees of Purchaser and its Affiliates; and (ii) employee benefits (other than any defined benefit pension or equity or equity-related benefits) that are either substantially similar in the aggregate to those provided by Sellers to such Transferred Employees as of immediately prior to the Closing or, at Purchaser’s sole option, substantially comparable to those made available to similarly situated employees of Purchaser and its Affiliates. For purposes of eligibility, vesting and determining level of benefits under the benefit plans and programs maintained by Purchaser or any of its Affiliates after the Closing Date (the “Purchaser Plans”) and subject to the reasonable cooperation of and timely provision of necessary information by Seller or any applicable plan administrators, service providers, insurers and/or vendors, each Transferred Employee shall be credited with his or her years of service with Sellers (including, if applicable, any years of service credited by Sellers for years of service with a predecessor of Sellers) before the Closing Date, except to the extent such credit would result in a duplication of benefits.

(c) At the Closing, Transferred Employees (and their eligible dependents and beneficiaries) shall cease active participation in the Employee Benefit Plans of Sellers. Without limiting the generality of any other provision of this Agreement: (i) each Transferred Employee shall be immediately eligible to participate, without any waiting time, in any and all Purchaser Plans available to similarly situated employees of Purchaser or its Affiliates; (ii) for purposes of each Purchaser Plan providing health or welfare benefits and subject to the reasonable cooperation of and timely provision of necessary information by Seller or any applicable plan administrators, service providers, insurers and/or vendors, Purchaser shall cause all pre-existing condition exclusions and actively-at-work requirements of such Purchaser Plan to be waived for such Transferred Employee and his or her covered dependents (unless such exclusions or requirements were applicable under comparable Employee Benefit Plans or would result in

duplication of benefits); and (iii) subject to the reasonable cooperation of and timely provision of necessary information by Seller or any applicable plan administrators, service providers, insurers and/or vendors, Purchaser shall cause any co-payments, deductible and other eligible expenses incurred by such Transferred Employee or his or her covered dependents during the plan year in which the Closing Date occurs to be credited for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Transferred Employee and his or her covered dependents for the applicable plan year of each comparable Purchaser Plan. Nothing in this Agreement shall prevent Purchaser from amending employment agreements between Acquired Entities and the Business Employees of Acquired Entities, as such may be necessary or proper in order to carry out effect the terms of this Agreement or comply with Purchaser's employment policies.

(d) Sellers shall be solely responsible, and Purchaser shall have no obligations whatsoever for, any compensation or other amounts payable to any current or former ~~Business Employee~~employee, officer, director, independent contractor or consultant of any Seller, including hourly pay, commission, bonus, salary, fringe, pension or profit sharing benefits or severance pay for any period relating to the service with such Seller at any time prior to the Closing Date, all of which shall be Excluded Liabilities.

(e) Sellers shall remain solely responsible for the satisfaction of all claims for medical, dental, life insurance, health accident or disability benefits or severance brought by or in respect of current or former employees, officers, directors, independent contractors or consultants of the Business or the spouses, dependents or beneficiaries thereof, which claims relate to events occurring on or prior to the Closing Date. Sellers also shall remain solely responsible for all worker's compensation claims of any current or former employees, officers, directors, independent contractors or consultants of the Business which relate to events occurring prior to the Closing Date, all of which shall be Excluded Liabilities. Notwithstanding any other provision of this Agreement or the Sale Order, effective as of the Closing Date, the Purchaser and its Affiliates (including, following the Closing Date, the Acquired Entities) shall assume all obligations under COBRA with respect to each current or former Business Employee (or their eligible spouses or dependents) who have experienced a COBRA "qualifying event" and any other M&A qualified beneficiaries (within the meaning assigned to such term under Q&A-4 of Treasury Regulation Section 54.4980B-9). Sellers shall timely provide, or caused to be provided, to Purchaser and its Affiliates the information necessary to fulfill their obligations under the preceding sentence, including identification of all M&A qualified beneficiaries.

(f) Purchaser shall pay, provide or satisfy when due the following: (i) all accrued and unused vacation, personal days, sick pay and other paid time off for Transferred Employees of Sellers set forth on Schedule 3.15(a) earned but unused as of the Closing Date ("PTO Liabilities of Sellers"); (ii) all accrued and unused vacation, personal days, sick pay and other paid time off for Business employees of Non-Debtors who accept offers of employment pursuant to Section 6.3(i) earned but unused as of the Transfer Date (the "Transferred Non-Debtor Employees"); (iii) all accrued and unused vacation, personal days, sick pay and other paid time off for Business Employees which were transferred to an Acquired Entity prior to the Closing Date in connection with and pursuant to the Restructuring Transactions (the "Transferred Interco Employees") earned but unused as of the applicable date of transfer to such Acquired Entity (clauses (ii) and (iii) of this Section 6.3(f) are collectively referred to as the

“PTO Liabilities of Non-Debtors”); and (iv) all compensation (including salary, wages, commissions, bonuses, incentive compensation, overtime, premium pay and shift differentials), vacation, personal days, sick pay and other paid time off, benefits and benefit claims, severance and termination pay, notice, and benefits (including any employer Taxes or other payments related thereto), in each case of this clause (iv), arising as a result of employment or separation from employment with Purchaser on or after the Closing Date with respect to Transferred Employees.

(g) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Sellers or Non-Debtors or Transferred Employees, Transferred Non-Debtor Employees or Transferred Interco Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser’s or Sellers’ ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

(h) Purchaser will, or will cause its Affiliates to, provide any required notice under the WARN Act and to otherwise comply with the WARN Act with respect to any “plant closing” or “mass layoff” or group termination or similar event under the WARN Act affecting Business Employees or Transferred Employees (including as a result of the consummation of Transactions) and occurring on and after the Closing. Purchaser will not, and will cause its Affiliates not to, take any action on or after the Closing Date that would cause any termination of employment of any employees by Sellers or their Affiliates occurring prior to or at the Closing to constitute a “plant closing,” “mass layoff” or group termination or similar event under the WARN Act, or to create any Liability or penalty to Sellers or any of their Affiliates for any employment terminations under applicable Law. Purchaser shall indemnify and hold Sellers harmless for any and all Liabilities under the WARN Act arising out of, relating to, or in respect of any actions of Purchaser occurring on or after the Closing (including as a result of the consummation of Transactions).

(i) Purchaser will extend offers of employment to Business employees of the Non-Debtors ~~and the applicable terms of this Section 6.3 shall apply *mutatis mutandis* to such offers set forth in Schedule 1.6~~, except that Purchaser shall have the option, in its sole discretion, but not the obligation, to extend offers to the Business employees of Interméd Equipamento Médico Hospitalar (Brazil). ~~For the avoidance of doubt, the terms of Sections 6.3(b) and (c) shall not apply to the Business employees of Non-Debtors.~~ Effective as of the applicable Transfer Date, each Transferred Non-Debtor Employee previously employed by any Non-Debtor shall cease to be an employee of such Non-Debtor. Sellers shall maintain, or cause to be maintained, in full force and effect all Contracts with its payroll service provider and maintain all bank account(s) related thereto necessary to process the payroll during the period following the

Closing Date but prior to the Transfer Date of any applicable Transferred Non-Debtor Employees that is providing services to Purchaser pursuant to the Transition Services Agreement, and Purchaser shall reimburse Seller for such services in accordance with the terms of the Transition Services Agreement. The Parties shall each take such reasonable further actions as may be requested by any other Party in furtherance of the foregoing. As used herein, the Transfer Date” means the first date of employment of each Transferred Non-Debtor Employee with Purchaser.

Section 6.4 Regulatory Approvals.

(b) Subject to Section 6.5, each Purchaser will, and will cause its Affiliates and Advisors to, (i) make or cause to be made all filings and submissions required to be made by any member of the Purchaser Group under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Sellers in exchanging such information and providing such assistance as Sellers may reasonably request in connection with any filings made by a Seller pursuant to Section 6.4(a), and (iii) (A) supply promptly any additional information and documentary material that may be requested in connection with the filings made pursuant to this Section 6.4(b) or Section 6.4(a) and (B) use reasonable best efforts to take all actions necessary to obtain all required clearances, including to obtain the permit contemplated by Section 7.2(j) as promptly as practicable.

Section 6.5 Antitrust Notification.

Each Seller and Purchaser shall (and shall cause their respective Affiliates to) furnish to each other's counsel such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the HSR Act or such Foreign Competition Laws, and will respond to any requests made for any supplemental information by any Governmental Body as promptly as practicable. Sellers and Purchaser shall not extend any waiting period or enter into any agreement or understanding with any Governmental Body without the prior written consent of the other; provided that such consent shall not be unreasonably withheld, conditioned, or delayed. Purchaser will use all reasonable best efforts to comply as promptly as practicable with any requests made for additional

information in connection with such filings. Purchaser will be solely responsible for payment of all filing fees payable in connection with such filings.

(b) Subject to the immediately following sentence, Sellers and Purchaser will use their reasonable best efforts to as promptly as practicable (and in any event prior to the Outside Date) obtain any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations required under the HSR Act or such Foreign Competition Laws for the consummation of this Agreement and the Transactions and will keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, any Governmental Body and will comply promptly with any such inquiry or request. With the Sellers' cooperation, each Purchaser will take, and will cause its Affiliates to take, any and all steps necessary to avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Body or any other Person so as to enable the Parties to expeditiously close the Transactions, including (i) opposing any motion or action for a temporary, preliminary or permanent Order against, or preventing or delaying, the consummation of the Transactions, and exhausting all avenues of appeal, including appealing properly any adverse decision or Order by any Governmental Body, (ii) entering into a consent decree, consent agreement, settlement or other agreement or arrangement (including any customary ancillary agreements) containing Purchaser's agreement to hold separate, license, sell, transfer, dispose or divest (pursuant to such terms as may be required by any Governmental Body) such assets (whether tangible or intangible), rights, properties, products or businesses related to the Acquired Assets, (iii) agreeing to the termination, modification, or assignment of existing relationships, joint ventures, Contracts or obligations related to the Acquired Assets and (iv) agreeing to such limitations on conduct or actions of members of Purchaser and its Affiliates after the Closing as may be required in order to obtain satisfaction of the conditions set forth in Section 7.1(a) prior to the Outside Date, in each case, so as to allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date.

(c) The Parties commit to instruct their respective counsel to cooperate with each other and use reasonable best efforts to facilitate and expedite obtaining any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations under the HSR Act or Foreign Competition Laws or state transaction notification Laws at the earliest practicable dates and, in any event, prior to the Outside Date. Such reasonable best efforts and cooperation shall include each Party and its respective counsel undertaking to (i) promptly notify the other Party or its counsel of, and, if in writing, furnish such other Party or its counsel with copies of (or, in the case of oral communications, advise such other Party or its counsel of the contents of), any communication received by such Person from a Governmental Body in connection with the filings made pursuant to this Section 6.5 and (ii) keep the other Party or its counsel informed with respect to the status of any applicable submissions and filings to any Governmental Body in connection with this Agreement and the Transactions and any developments, meetings or discussions with any Governmental Body in respect thereof, including with respect to (A) the receipt of any non-action, action, clearance, Consent, approval, waiver, or other authorizations, (B) the expiration or termination of any waiting period, (C) the commencement or proposed or threatened commencement of any investigation, litigation or administrative or judicial Action or proceeding under applicable Laws, including any proceeding initiated by a private party, and (D) the nature and status of any objections raised or proposed or

threatened to be raised by any Governmental Body with respect to this Agreement and the Transactions. Neither Sellers nor Purchaser will participate in any substantive meeting or discussion with any Governmental Body with respect of any such filings, applications, investigation or other inquiry relating to the Transaction without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, the opportunity to attend and participate in such meeting or discussion, unless prohibited by such Governmental Body. Sellers will have the right to review and provide comments on any draft notifications, formal notifications, filing, submission or other written substantive communication (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted to any Governmental Body in advance of any such submission. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other under this Section 6.5, each Party may (1) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (2) make appropriately limited redactions necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets.

(d) Purchaser will not, and will not permit any member of the Purchaser Group or their respective Affiliates to, engage in any action or enter into any transaction or permit any action to be taken or transaction to be entered into that could reasonably be expected to (i) impose any material delay in the obtaining of, or increase the risk of not obtaining, any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations under the HSR Act or Foreign Competition Laws from any Governmental Body necessary to consummate the Transactions, (ii) increase the risk of any Governmental Body entering an Order preventing, delaying or prohibiting the consummation of the Transactions or (iii) delay the consummation of the Transactions.

(e) Notwithstanding the foregoing or anything in this Agreement to the contrary, in no event shall Purchaser or any member of the Purchaser Group be required to, nor shall Seller or any of its Affiliates, without Purchaser’s prior written consent (i) propose, negotiate, or agree to, the sale, divestiture, license, or other disposition of assets of any member of the Purchaser Group or any assets, operations, divisions, businesses, product lines, Contracts, or customers of the Business or (ii) accept any conditions or take any other actions that would limit Purchaser’s freedom with respect to any assets, operations, divisions, businesses, product lines, Contracts, or customers of any member of the Purchaser Group or any assets, operations, divisions, businesses, product lines, Contracts, or customers of the Business.

Section 6.6 Notification of Certain Matters. From the date hereof and through earlier of the Closing Date and the date on which this Agreement is terminated pursuant to Article VIII, the Sellers shall give prompt written notice to Purchaser of: (a) a breach of any representation or warranty of the Sellers contained in this Agreement, (b) the occurrence, or failure to occur, of any event that would be reasonably likely to cause any representation or warranty of the Sellers contained in this Agreement to be untrue or inaccurate at any time prior to the Closing determined as if such representation or warranty were made at such time, in each case of (a) and (b), such that the condition set forth in Section 7.2(a) would not be satisfied, (c) the occurrence of any event which has resulted or could reasonably be expected to result in a Material Adverse

Effect, (d) any notice or other written communication from any Person alleging that the consent of such Person is or may be required in connection with the consummation of the Transactions, (e) any material written communication from any Governmental Entity in connection with or relating to the Transactions, and (f) the commencement of any actions, suits, investigations or proceedings relating to the Sellers, any of the Acquired Entities, Acquired Assets, Assumed Liabilities or the Business that, if pending on the date hereof, would have been required to have been disclosed pursuant to Section 3.8.

Section 6.7 Reasonable Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, including any provisions with an express different standard regarding actions to be taken hereunder, each Party shall, and shall cause its Advisors to, use its reasonable best efforts to perform its obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party and its Advisors in connection with any step required to be taken as a part of its obligations hereunder. The “reasonable best efforts” of Sellers will not require any Seller or any of its Affiliates or Advisors to expend any money to remedy any breach of any representation or warranty, to commence any Action, to waive or surrender any right, to modify any Contract or to waive or forego any right, remedy or condition hereunder.

(b) The obligations of Sellers pursuant to this Agreement, including this Section 6.7, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Cases), Sellers’ debtor-in-possession financing, and Sellers’ obligations as debtors in possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order), and Sellers’ duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

(c) The Sellers shall, or shall cause the Acquired Entities to, give promptly such notice to third parties and use commercially reasonable efforts to obtain such third party consents as Purchaser may in its reasonable discretion deem necessary or desirable in connection with the transactions contemplated by this Agreement.

Section 6.8 Further Assurances. From time to time, as and when requested by any Party and at such requesting Party’s expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions.

Section 6.9 Insurance Matters. Purchaser acknowledges that, upon Closing, all nontransferable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Affiliates (whether such policies are maintained with third party insurers or with any Seller or its Affiliates) shall cease to provide any coverage to Purchaser and the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the

right to make claims and any right to any proceeds with respect to any matter solely to the extent related to the Business, the Acquired Assets or the Assumed Liabilities inuring to the benefit of Sellers for periods prior to the Closing, and Sellers shall use reasonable best efforts to seek recovery or allow Purchaser to seek recovery under insurance policies of Sellers related to the Business, and Sellers shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' reasonable and documented out-of-pocket costs and expenses of seeking recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its designee.

Section 6.10 Receipt of Misdirected Assets; Liabilities.

(a) From and after the Closing, if any Seller or any of its respective Affiliates receives or becomes aware that it holds any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives or becomes aware that it holds any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

(b) From and after the Closing, if any Seller or any of such Seller's Affiliates is subject to a Liability that should belong to Purchaser or its Affiliates pursuant to the terms of this Agreement, such Seller shall promptly transfer or cause such of its Affiliates to transfer such Liability to Purchaser, and Purchaser shall assume and accept such Liability. From and after the Closing, if Purchaser or any of its Affiliates is subject to a Liability that should belong to a Seller or its Affiliates pursuant to the terms of this Agreement, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such Liability to the applicable Seller or its Affiliates, and such Seller or its Affiliates shall assume and accept such Liability.

Section 6.11 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees, that it has conducted to its full satisfaction an independent investigation and verification of the Business (including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects), and the Acquired Assets and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser is relying, will rely and has relied solely on the Express Representations and the results of the Purchaser's own independent investigation and verification and has not relied on, is not relying on, and will not rely on, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom, the Information Presentation, or the Projections or any other information, statements, disclosures or materials, in

each case, whether written or oral, made or provided by or on behalf of any Seller or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations (it being understood that Purchaser has relied only on the Express Representations). Purchaser acknowledges and agrees, that (i) the Express Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser and on which Purchaser may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Representations) including in the Dataroom, Information Presentation, Projections, meetings, calls or correspondence with management of any Seller, any of the Seller Parties or any other Person on behalf of any Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects of the Business, or the quality, quantity or condition of any of the Acquired Assets (including, for the avoidance of doubt, any assets of the Acquired Entities), are, in each case, specifically disclaimed by each Seller, on its behalf and on behalf of the Seller Parties. Purchaser: (1) disclaims reliance on the items in clause (ii) in the immediately preceding sentence; and (2) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence. Without limiting the generality of the foregoing, Purchaser acknowledges and agrees, that neither Sellers, nor any other Person (including the Seller Parties), has made, is making or is authorized to make, and Purchaser, hereby waives, all rights and claims it or they may have against any Seller Party with respect to the accuracy of, any omission or concealment of, or any misstatement with respect to, (x) any potentially material information regarding any Seller or any Acquired Entity or any of their respective assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations and (y) any warranty or representation (whether in written, electronic or oral form), express or implied, as to the quality, merchantability, fitness for a particular purpose, or condition of any Seller's or Acquired Entity's business (including the Business), operations, assets, Liabilities, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects or any portion thereof, except, in each case, solely to the extent expressly set forth in the Express Representations.

(b) Without limiting the generality of the foregoing, in connection with the investigation by the Purchaser of the Business, Purchaser and its Advisors have received or may receive, from or on behalf of any Seller or other Seller Parties, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, "Projections"). Purchaser acknowledges and agrees that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Sellers, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

(c) Purchaser acknowledges and agrees that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.11, including any such Action with respect to the distribution to Purchaser, or any member of the Purchaser Group, or Purchaser's or any member of the Purchaser Group's use, of the information, statements, disclosures or materials in the Information Presentation, the Dataroom or Projections or any other information, statements, disclosures, or materials, in each case whether written or oral, provided by them or any other Seller Party or any failure of any of the foregoing to disclose any information.

(d) Purchaser acknowledges and agrees, that the covenants and agreements contained in this Section 6.11 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.11, Seller would not enter into this Agreement.

(e) Nothing herein shall limit Purchaser's remedies for Fraud.

Section 6.12 Directors and Officers. Following the Closing until the third (3rd) anniversary thereof, Purchaser shall not and shall cause the Acquired Entities not to cancel or otherwise reduce coverage under any "tail" insurance policies purchased by the Acquired Entities prior to the Closing; provided that (a) Purchaser has approved such policies, such approval not to be unreasonably withheld, conditioned or delayed, and (b) no payments shall be required of the Acquired Entities or the Purchaser with respect to such policies after the Closing.

Section 6.13 Vyair Guarantees. Purchaser acknowledges that in the course of conduct of the Business, Vyair and its Affiliates have entered into the arrangements as set forth on Schedule 6.13 to support or facilitate the Business (hereinafter referred to as the "Seller Credit Support Obligations"). It is understood that the Seller Credit Support Obligations are not intended to continue after the Closing. Purchaser agrees that it shall use its commercially reasonable efforts to obtain replacements for the Seller Credit Support Obligations (which shall include the full and unconditional release of Vyair and its applicable Affiliates for Liability under the Seller Credit Support Obligations to the extent Related to the Business and arising after the Closing through no wrongful act or omission of Sellers, applicable Affiliates and each of their respective officers, directors, employees and agents) that will be in effect at the Closing or, if Purchaser does not replace any of the Seller Credit Support Obligations at the Closing, the Purchaser will use its commercially reasonable efforts to arrange for itself or one of its Subsidiaries to be substituted as the primary obligor thereon as of the Closing through an assumption, accession, acknowledgment or similar agreement (which shall include the full and unconditional release of Vyair and its applicable Affiliates under the applicable Seller Credit Support Obligations to the extent Related to the Business and arising after the Closing through no wrongful act or omission of the Sellers, their applicable Affiliates, and each of their respective officers, directors, employees, and agents) with the beneficiary of the applicable Seller Credit Support Obligation. Whether or not Purchaser is able to satisfy the terms of the immediately preceding sentence, Purchaser shall indemnify the Sellers and their respective Affiliates and each of their respective officers, directors, employees, and agents from and against any and all Liabilities incurred by any of them relating to the Seller Credit Support Obligations arising after the Closing through no wrongful act or omission of any such Sellers, Affiliates,

officers, directors, employees, or agents. Purchaser agrees that, with respect to any Seller Credit Support Obligation, its commercially reasonable efforts pursuant to this Section 6.13 shall include, if requested, the execution and delivery by Purchaser, or by an Affiliate of Purchaser acceptable to the beneficiary of such Seller Credit Support Obligation, of a replacement guarantee that is substantially in the form of such Seller Credit Support Obligation. All costs and expenses incurred in connection with providing the release or substitution of the Seller Credit Support Obligations shall be borne by Purchaser.

Section 6.14 Covenant Not to Sue. Each Seller, on behalf of itself, its successors and assigns, and its controlled Affiliates and their successors and assigns, hereby grants to Purchaser, and its Affiliates, successors and assigns, a perpetual non-transferable, royalty-free, and fully paid up covenant not to sue for infringement, misappropriation, or violation of any Intellectual Property owned, as of the Closing, by such Seller or Affiliate (as applicable), that, individually or in the aggregate, is material to the operation of the Business and Purchaser's exploitation of the Acquired Assets.

Section 6.15 Seller Names. Purchaser, for itself and its Affiliates (including, after the Closing, each Acquired Entity), acknowledges and agrees that, as between the Parties, Sellers (or their Affiliates) are the exclusive owners of the Seller Names and that Purchaser is not, directly or indirectly, purchasing, acquiring or otherwise obtaining any right, title or interest in or to the Seller Names, and except as set forth herein (a) neither Purchaser nor any of its Affiliates (including, after the Closing, each Acquired Entity) shall have any rights in or to the Seller Names, (b) within 270 days after the Closing Date, Purchaser shall (and shall cause its Affiliates, including each Acquired Entity, to) cease use of (and thereafter not use) the Seller Names (including in the respective corporate or other legal names of each Acquired Entity), and (c) Purchaser shall not, and Purchaser shall cause its Affiliates (and after the Closing, each Acquired Entity) not to (1) use, register or seek to use or register in any jurisdiction any of the Seller Names or any other names, trademarks, service marks, trade names, logos, monograms, trade dress, social media names and handles, domain names or other source identifiers confusingly similar thereto or (2) contest the use, ownership, validity or enforceability of any rights of Sellers or any of their Affiliates in or to any of the Seller Names. After the Closing, Purchaser shall not (and shall cause its Affiliates, including, after the Closing, each Acquired Entity, not to) represent that it has authority to bind Sellers or any of their Affiliates. Sellers hereby grant Purchaser a fully paid-up, royalty-free, non-exclusive license to use the Seller Names and any other trademarks, domain names and social media accounts, including content therein, of Sellers and their Affiliates (i) for 270 days after the Closing Date, solely in connection with the Business and solely to the extent consistent with past practice in the twelve (12) months prior to the Closing, and (ii) solely to the extent such Seller Names are affixed to Inventory included in the Acquired Assets or required to be affixed to Inventory contemplated by purchase orders with customers that are existing as of the Closing, and in compliance with applicable Laws, on such Inventory as it is sold or otherwise commercialized by Purchaser, until such Inventory is depleted or destroyed; provided that Purchaser shall indemnify the Sellers and their respective Affiliates and each of their respective officers, directors, employees, agents and representatives (and any of their successors or assigns) from and against any and all Liabilities incurred by any of them relating to or arising from such Inventory and the sale or commercialization thereof. All goodwill associated with or arising from Purchaser's or any of its Affiliate's use of any Seller Names shall inure to the benefit of Sellers. Notwithstanding the foregoing, nothing in this Agreement

prohibits Purchaser or its Affiliates from using the Seller Names at all times after the Closing Date (A) as required by applicable Law, (B) as may be required to perform any contractual obligations Purchaser and its Affiliates owe to (1) Sellers or their Affiliates or (2) solely for such 270 day period, any party to any Assigned Contract; provided that Purchaser shall fully indemnify Sellers and their Subsidiaries for such use; (C) on internal-only archival business and legal documents and items; (D) in a neutral, non-trademark manner to describe the history thereof or as otherwise permitted by “fair use” principles, and (E) as may be required in furtherance of transitioning any Permits, approvals, or compliance matters or updating any approved labels for finished products with respect to the Business or the Acquired Assets that include Seller Names.

Section 6.16 Transition Services Agreement. From the date hereof until the Closing, the Parties shall cooperate diligently and in good faith to (a) negotiate and finalize the transition services to be performed by the Sellers and Purchaser, as applicable, to be set forth on the schedules to the Transition Services Agreement, which may include the scope of such services, reducing the scope of such services and identifying incremental services that Purchaser may reasonably determine are necessary to operate the Business immediately following the Closing, the proportional usage and apportioned costs in relation to services shared with the Ventilator Purchaser (as defined in the Transition Services Agreement), and a detailed cost breakdown for each underlying function, element, activity, or process performed in connection with a service that is included within Purchaser’s apportioned costs in the Transition Services Agreement and (b) initiate discussions related to separation, stand-up, and integration planning, in each case, as promptly as reasonably possible; provided, however, that in no event shall (i) the costs of any service be more or less than Sellers’ actual incurred and documented costs for such service or (ii) any term create unreimbursed costs or expenses for Sellers. Notwithstanding the foregoing, if Sellers and Purchaser do not agree to the final schedules to the Transition Services Agreement as of the Closing, the Transition Services Agreement in the form attached hereto as Exhibit D, together with such schedules as have been agreed by the Parties as of the Closing, shall be effective as of the Closing and shall be legally binding upon both Sellers and Purchaser. However, the Parties will continue in accordance with this Section 6.16 to finalize the schedules to the Transition Services Agreement as promptly as possible following the Closing.

Section 6.17 Restructuring Transactions.

(a) Prior to the Closing, Seller shall complete the restructuring transactions described on Schedule 6.17(a) (the “Interco Restructuring Transactions”). The Interco Restructuring Transactions shall include causing all intercompany Liabilities between any Acquired Entity, on the one hand, and any Seller or Non-Debtor, on the other hand, to be terminated. The Interco Restructuring Transactions shall be effected in a manner that does not result in any Liability to Purchaser for Taxes at any Acquired Entity or any other Assumed Liability and does not result in any net increase in Liabilities of any Acquired Entity.

(b) Prior to the Closing, Sellers shall and shall cause each applicable Acquired Entity to sell, spin-off, carve-out, divest, distribute, transfer or otherwise remove from the Acquired Entities all assets, Liabilities and employees, in each case, that are not Related to the Business (such transactions, the “Acquired Entity Restructuring Transactions” and, together with

the Interco Restructuring Transactions, the “Restructuring Transactions”). The Acquired Entity Restructuring Transactions shall be more specifically described on Schedule 6.17(b) (which schedule shall be agreed upon by the Parties as promptly as practicable and in any event prior to the Closing Date). The Acquired Entity Restructuring Transactions shall be effected in a manner that does not result in any net increase in the Liabilities of any Acquired Entity.

None of Purchaser or Sellers may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement, including its obligation to use its reasonable best efforts to consummate the Transactions as required under this Agreement.

ARTICLE VIII TERMINATION

Section 8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1:

- (a) by the mutual written consent of Sellers and Purchaser;

- (b) by written notice of either Purchaser or Sellers, upon the issuance of an Order by a court of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the Closing or declaring unlawful the Transactions, and such Order having become final, binding and non-appealable; provided that no Party may terminate this Agreement

under this Section 8.1(b) if the issuance of such Order was caused by such Party's failure to perform any of its obligations under this Agreement;

(c) by written notice of either Purchaser or Sellers, if the Closing shall not have occurred on or before December 2, 2024 (the "Outside Date") (or such later date as provided in Section 5.1(f)); provided that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's failure to perform any of its obligations under this Agreement; provided further that Sellers may extend the Outside Date up to an additional ten (10) Business Days to the extent necessary to satisfy the conditions set forth in Section 7.1 so long as the other conditions in Article VII (other than conditions that by their nature are to be satisfied at the Closing) have been satisfied or waived;

(d) by written notice from Sellers to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied, including a breach of Purchaser's obligation to consummate the Closing; provided that (i) if such breach is curable by Purchaser, then Sellers may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two Business Days prior to the Outside Date and (B) 30 days after Sellers notify Purchaser of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Sellers at any time that Sellers are in material breach of, any covenant, representation or warranty hereunder;

(e) by written notice from Purchaser to Sellers, upon a breach of any covenant or agreement on the part of Sellers, or if any representation or warranty of the Sellers will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied; provided that (i) if such breach is curable by Sellers then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two Business Days prior to the Outside Date and (B) 30 days after Purchaser notifies Sellers of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in material breach of, any covenant, representation or warranty hereunder;

(f) by written notice from Sellers to Purchaser, if all of the conditions set forth in Section 7.1 and Section 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Purchaser fails to complete the Closing at the time required by Section 2.4;

Successful Bidder or the Backup Bidder at the RDx Auction (ii) the Bankruptcy Court approves an Alternative Transaction other than with the Successful Bidder or the Backup Bidder, or (iii) Sellers consummate an Alternative Transaction with the Successful Bidder; or

(i) by written notice from Purchaser to Sellers, if Purchaser is not the Successful Bidder or the Backup Bidder at the RDx Auction.

Section 8.2 Effect of Termination.

(a) In the event of termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers or equityholders will have any Liability under this Agreement; provided that Section 2.2, Section 6.2(b), this Section 8.2 and Article X shall survive any such termination; provided further that no termination will relieve Purchaser from any Liability for damages, losses, costs or expenses (which the Parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, and would include the benefits of the Transactions lost by Sellers (taking into consideration all relevant matters, including other combination opportunities and the time value of money), which shall be deemed in such event to be damages of Sellers) resulting from any Willful Breach of this Agreement prior to the date of such termination (which, for the avoidance of doubt, will be deemed to include any failure by Purchaser to consummate the Closing if and when it is obligated to do so hereunder). Subject to Section 10.12, nothing in this Section 8.2 will be deemed to impair the right of any Party to be entitled to specific performance or other equitable remedies to enforce specifically the terms and provisions of this Agreement.

ARTICLE IX TAXES

Section 9.1 Transfer Taxes. Any sales, use, purchase, transfer (including real estate transfer Taxes), franchise, deed, fixed asset, stamp, documentary stamp, use or other Taxes and recording charges (“Transfer Taxes”) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (but excluding for the avoidance of doubt, any Transfer Taxes arising from or attributable to the Restructuring Transactions) shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any such Transfer Taxes. Any Transfer Taxes arising from or attributable to the Restructuring Transactions shall be borne and timely paid by Sellers, and Sellers shall timely file all Tax Returns related to such Transfer Taxes.

Section 9.2 Allocation of Closing Consideration. Purchaser, Sellers, and their respective Affiliates shall allocate the Closing Consideration (including any other amounts treated as additional purchase price under applicable Law) (i) among the Acquired Entities (and among each Acquired Entity, to the extent required) and the Acquired Assets, (ii) for U.S. federal and applicable state and local income Tax purposes, including and any Assumed Liabilities or other amounts treated as part of the purchase price for U.S. federal income Tax purposes, among the Acquired Assets in accordance with Section 1060 of the Code and with the methodology set forth in Schedule 9.2, and (iii) among any of the other Acquired Assets or as between different Sellers (for which an allocation was not made pursuant to clause (ii) of this

Section 9.2) as required by applicable Law (together, clauses (i), (ii), and (iii) the “Allocation Methodology”). As soon as commercially practicable, but no later than forty-five (45) days following the determination of the final Closing Consideration, Purchaser shall provide a proposed allocation to Sellers setting forth the allocation of the Closing Consideration (including any other applicable amounts) among the Acquired Assets in accordance with the Allocation Methodology (the “Allocation”) for Sellers’ review, comment and consent (such consent not to be unreasonably withheld, conditioned or delayed). If Sellers deliver a written objection within 30 days after receipt of the draft Allocation proposed by Purchaser, then Purchaser and Sellers shall negotiate in good faith to resolve any such objection, and, if Sellers and Purchaser cannot resolve such dispute within thirty (30) days of Purchaser’s receipt of Sellers’ objection, then a nationally recognized accounting firm mutually acceptable to Purchaser and Sellers shall resolve such dispute, with the costs of such resolution to be allocated by such accounting firm between Purchaser and Sellers based upon the percentage of the aggregate contested amount submitted to such accounting firm that is ultimately awarded to Purchaser, on the one hand, or Sellers on the other hand, such that Purchaser bears a percentage of such costs and expenses equal to the percentage of the contested amount awarded to Sellers and Sellers bear a percentage of such costs and expenses equal to the percentage of the contested amount awarded to Purchaser, and the resolution of such dispute shall be final and binding on the Parties. The Parties and their respective Affiliates shall file all Tax Returns in accordance with such Allocation (as finally determined under this Section 9.2) and not take any Tax-related action inconsistent with the Allocation, in each case, unless otherwise required by a “determination” within the meaning of Section 1313(a) of the Tax Code (or any similar provision of state, local or foreign Law). To the extent of any adjustment to the Closing Consideration, Purchaser shall revise the Allocation in accordance with this Section 9.2, including the methodology set forth in Schedule 9.2.

Section 9.3 Cooperation. Purchaser and Sellers shall reasonably cooperate, as and to the extent reasonably requested by the other Party, including providing the other Party any Tax forms or certificates reasonably related to the Transactions (including for withholding Tax purposes), and in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes; provided that in providing such information, assistance and access, each Party shall be entitled to redact information that is not related to the Acquired Assets, the Business or the Acquired Entities and the Sellers shall not be obligated to provide or disclose any Excluded Tax Returns.

Section 9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets or any Acquired Entity (other than any income Tax Returns of Sellers) that are due after the Closing (taking into account any validly obtained applicable extensions obtained in the ordinary course of business). With respect to any such income Tax Returns that relate to a Pre-Closing Tax Period or a Straddle Period and that could reasonably be expected to adversely impact the liability of the Sellers and their Affiliates for Taxes (including by increasing any liability under this Agreement), Purchaser shall prepare such Tax Returns consistent with past practices, jurisdictions and methodologies, and shall provide Sellers or their successors in rights, as applicable, with a draft of such Tax Returns as soon as reasonably practicable prior to the filing or due date of any such Tax Return (such period to not exceed thirty (30) days prior to the filing or due date in the case of any income Tax Return) for Sellers’ review and consent.

Purchaser shall consider in good faith any changes reasonably requested by Sellers with respect to such Tax Returns. To the extent there is any dispute between the Parties over such Tax Returns that cannot be resolved prior to when such Tax Returns are due, such dispute shall be submitted to an independent national accounting firm or law firm mutually acceptable to the Purchaser and Sellers for resolution, with the costs of such resolution to be split in the same manner as described in Section 9.2. The determination of such independent national accounting firm or law firm shall be binding on all Parties and any Tax Return shall be filed consistently with such resolution. Purchaser shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.4(a).

(b) With respect to any Pre-Closing Tax Period, Purchaser shall not file an amendment to any previously-filed Tax Return, take or initiate any voluntary discussion, examination or contract with a taxing authority (including any voluntary disclosure agreement or similar process), or otherwise take any Tax position different from that taken by Sellers, in each case, if such action is reasonably expected to materially increase any Tax that is payable or otherwise borne by Sellers or their Affiliates, unless Purchaser receives an opinion from a nationally recognized accounting firm or law firm that the “reporting position” with respect to any previously-asserted position with respect to Taxes is likely not supportable applying a “more likely than not” standard for review. Upon such determination, Purchaser shall provide no less than 45 days’ notice of such position before filing any such Tax Return. In the event Sellers disagree with such Tax position, and the dispute cannot be resolved between the Parties, such dispute shall be submitted to an independent national accounting firm or law firm mutually acceptable to the Purchaser and Sellers for resolution, with the costs of such resolution to be evenly split by Purchaser, on the one hand, and Sellers, on the other hand. The determination of such independent national accounting firm or law firm shall be binding on all Parties and any Tax Return shall be filed consistently with such resolution. Notwithstanding anything to the contrary, Purchaser shall not, and shall cause its Affiliates not to, make any election under Sections 338 or 336 of the Tax Code with respect to the Transactions.

Section 9.5 Straddle Period. In the case of any Straddle Period, the amount of any Taxes based on or measured by gross or net income, gross or net sales, payroll or payment or receipts of the Acquired Entities or with respect to the Acquired Assets for the Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the close of business on the Closing Date (and the taxable period of each partnership or “controlled foreign corporation” within the meaning of the Tax Code in which any Acquired Entities owns an interest shall be deemed to end on the Closing Date), and the amount of other Taxes of the Acquired Entities or with respect to the Acquired Assets for a Straddle Period which relate to the Pre-Closing Tax Period shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period.

Section 9.6 Intended Tax Treatment. The Parties intend that, for U.S. federal, and applicable state and local, income Tax purposes, the purchase of Acquired Assets is to be treated as a taxable purchase under Section 1001 of the Tax Code by the Purchaser from the Sellers (the “Intended Tax Treatment”). The Parties shall prepare and file all Tax Returns on a basis consistent with the Intended Tax Treatment and, unless otherwise required by applicable Law or

pursuant to a “closing agreement” as described in Section 7121 of the Tax Code (or any similar provision of state, local or foreign Law), shall not (and will not permit any of their respective Affiliates to) take any inconsistent position on any Tax Return, in any Tax audit, or similar proceeding before any Tax authority.

Section 9.7 Transferred Employees. Purchaser and Sellers agree to utilize, or cause their respective Affiliates to utilize, the alternate procedure set forth in Revenue Procedure 2004-53, 2004-2 C.B. 320, with respect to wage reporting in respect of Transferred Employees, unless otherwise required by applicable Law.

ARTICLE X MISCELLANEOUS

Section 10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other Transaction Agreement, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Sellers acknowledge and agree, on their own behalf and on behalf of the Purchaser Group or the Seller Parties, as the case may be, that the agreements contained in this Section 10.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for five years and (b) are an integral part of the Transactions and that, without the agreements set forth in this Section 10.1, none of the Parties would enter into this Agreement. Section 10.4 Binding Effect; Assignment; Designated Purchaser.

(a) This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry of the Sale Order, Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases; provided that neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Sellers, and any attempted assignment or delegation without such prior written consent shall be null and void.

(b) Prior to the Closing, Purchaser shall be entitled to designate, by written notice to Sellers no later than five (5) Business Days prior to the Closing Date, one or more Affiliates to (i) purchase the Acquired Assets and Transferred Subsidiaries and pay the corresponding Closing Consideration amount, (ii) assume Assumed Liabilities, or (iii) take title directly to any Acquired Asset or Equity Interest in any Transferred Subsidiary (any such Affiliate that shall be designated in accordance with this clause, a “Designated Purchaser”), and, to the extent of any such designation, this Agreement shall be binding upon each of such Affiliates, their successors and permitted assigns, which shall be treated as Purchaser to such extent hereunder; provided that Purchaser shall remain primarily liable until the transfer to any such Designated Purchaser and the satisfaction by such Designated Purchaser of any related obligations or other Liabilities hereunder.

Section 10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Sellers or (b) waived only in a writing executed by the Party against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

Section 10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 10.7 the Non-Recourse Persons, and (ii) the Parties hereto and

such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

Section 10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as Parties to this Agreement. Except to the extent named as a Party to this Agreement, and then only to the extent of the specific obligations of such Parties set forth in this Agreement, (i) no past, present or future shareholder, member, partner, manager, director, officer, employee, independent contractor, consultant, Affiliate, agent or Advisor of any Party (or any spouse or dependent of any such Person) (each, a “Non-Recourse Person”) will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the Parties to this Agreement or for any Agreement Dispute and (ii) in no event shall any Party have any shared or vicarious liability, or otherwise be the subject of legal or equitable claims, for the actions or omissions (including through equitable claims (such as unjust enrichment) not requiring proof of wrongdoing committed by the subject of such claims) of any other Person, and each of such Persons are intended third party beneficiaries of this Section 10.7 and shall be entitled to enforce this Section 10.7 as if a Party directly hereto.

Section 10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

Section 10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

Section 10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, and any disclosure in the Schedules will be deemed a disclosure against any representation or warranty set forth in this Agreement. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed

(including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item which terms will be deemed disclosed for all purposes of this Agreement. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

Section 10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

Section 10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Sellers nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. The remedies available to Sellers pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit any Seller from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any Action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the

Outside Date will automatically be extended (i) for the period during which such Action is pending, plus ten Business Days or (ii) by such other time period established by the court presiding over such Action, as the case may be. In no event will this Section 10.12 be used, alone or together with any other provision of this Agreement, to require any Seller to remedy any breach of any representation or warranty made by any Seller herein.

Section 10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement (each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Court, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

Section 10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A

JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.14(b).

Section 10.15 No Right of Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Closing Consideration or any other payments to be made by Purchaser pursuant to this Agreement or any other document or instrument delivered by Purchaser in connection herewith.

Section 10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

Section 10.17 Publicity. Neither Sellers nor Purchaser shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other Party, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser or Sellers, disclosure is otherwise required by applicable Law or by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser or Sellers (or their respective Affiliates) lists securities; provided that the Party intending to make such release shall use its reasonable efforts consistent with such applicable Law or Bankruptcy Court requirement to consult with the other Party with respect to the text thereof.

Section 10.18 Bulk Sales Laws. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

Section 10.19 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Transactions, will require any Seller or any of their respective managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law. For the avoidance of doubt, Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers’ business judgment, will maximize the value of their estates.

Section 10.20 Sellers’ Representative. Each Party agrees that Vyair has the power and authority to unilaterally act on behalf of all or any of the Sellers for the purposes specified under this Agreement. Such power will include the power to make all decisions, actions, Consents and determinations on behalf of the Sellers, including to make any waiver of any Closing condition or agree to any amendment to this Agreement. No Seller shall have any right to object, dissent, protest or otherwise contest the same. Purchaser shall be entitled to rely on any action or omission taken by Vyair on behalf of the Sellers.
