FRE 408

Gary,

As discussed I am reaching out to the buyers on the matter we discussed. Separately our client advises that there was a \$900,000 LC drawn down on for the customs bond. Can you provide a contact information for the business folks to connect on that matter? Do you have information on the status of that collateral as the debtors would like to resolve that as well as part of these discussions.

Thank you.

Matt
