Plaintiff's Motion for Extension to Amend Complaint	

Dear Judge Gurley,

I would first like to express my gratitude to the Court for approving my fee waiver and for providing the opportunity to amend my complaint. I also appreciate the Court's clarifications regarding the Eleventh Amendment and the Ex parte Young carveouts, which have been invaluable in guiding me toward the appropriate legal framework.

However, due to overwhelming pressures in my personal life, I find myself currently overburdened and unable to fully complete the necessary research and revisions to the complaint within the 30-day period allotted. Identifying the proper parties and refining the legal arguments within the context of Ex parte Young requires additional time to ensure compliance with the Court's guidance.

Accordingly, I respectfully request a brief extension of 2 to 4 weeks to allow me to complete these tasks thoroughly. This extension would greatly assist me in presenting a more precise and legally sufficient amended complaint.

Thank you for your understanding and consideration.
