### ORDER

On January 10, 2025, the parties filed a Joint Status Report and Motion for Scheduling Order. ECF 98. The Government requests that the Court set a full briefing schedule for the parties' motions for judgment on the administrative record (MJARs). Plaintiffs request a stay for a one-month period or, in the alternative, at least three weeks to file an MJAR and any amended complaint.

Before setting a briefing schedule as to further dispositive motions, however, the Court intends to rule on the pending Motion to Dismiss (ECF 92). To do so, the Court will need a fully updated copy of the Administrative Record (AR). Accordingly, the Government is **ORDERED** to **FILE** the supplement to the AR by **January 17, 2025**.

**IT IS SO ORDERED.**
