DEFENDANT’S NOTICE OF FILING ADDITIONAL DOCUMENTS

Pursuant to the Court’s January 22, 2025 order, defendant, the United States, provides this notice that it is filing, under seal, the following additional documents for the Court’s consideration to resolve the Government’s pending motion to dismiss on mootness grounds:

- New Source Selection Decision
- Notifications of contract award to all offerors
- Plaintiffs’ and defendant-intervenor’s executed contracts and modifications¹

¹ We respectfully submit that these documents, some of which concern the agency’s contract administration, are not relevant to this pre-award protest. However, these documents could potentially be part of a post-award protest administrative record, if a post-award protest had been filed.

The filing includes an updated index. The parties may access the filing via the Court's ECF filing system.

Respectfully submitted,
